Auditors' Communication of Internal Control

Auditors' Communication of Internal Control

To the Administrator of Effectual 401(k) Plan

In planning and performing our audit of the financial statements of the Effectual 401(k) Plan (the "Plan") as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified.

We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above. However, as indicated in the attached addendum, we identified matters for consideration that are opportunities for strengthening internal controls and operating efficiency.

This communication is intended solely for the information and use of the Trustees and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Effectual 401(k) Plan

Addendum to Report on Internal Control Related Matters

Matters for Consideration that are Opportunities for Strengthening Internal Controls and Operating Efficiency

A. Meeting Fiduciary Responsibilities

Under ERISA, a fiduciary is any person who has discretionary authority or control respecting management of the Plan, who exercises any authority or control respecting management or disposition of assets of the Plan, or who has discretionary authority or responsibility in administering the Plan. Key responsibilities include: the selection and monitoring of the Plan's investment options, and knowledge about, and evaluation of, the direct and indirect expenses of the Plan and its investment options and services.

Recommendation

We recommend that the plan sponsor establish a retirement committee. The retirement committee would establish an overall investment policy for the Plan, review the investment options offered to employees, monitor and evaluate performance of the Plan's investments, and monitor expenses charged for services rendered to the Plan. Often, this function is outsourced to an independent registered investment advisor. We also recommend that the retirement committee prepare minutes to document all important topics discussed and decisions reached. Board minutes can be a crucial document in recording compliance with Internal Revenue Service and Department of Labor regulations as well as other regulatory issues.

B. Participant Data

During our testing of the Plan Sponsor's participant data, it was noted that Form I-9 Employment Eligibility Verification documentation was not maintained in personnel files for those employees who were employed by Effectual Inc. before the acquisition.

Recommendation

We recommend that Form I-9 Employment Eligibility Verification documentation be kept in personnel files for all employees. Maintaining such records in the personnel files will assist in regulatory compliance and reduce litigation risks, if they were to arise.

To the Administrator of
Effectual 401(k) Plan

Auditors' Communication with Those Charged with Governance

We have conducted an audit of the financial statements and supplemental schedule of Effectual 401(k) Plan (the "Plan") subject to Employment Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C). as of and for the year ended December 31, 2022, and have issued our report thereon dated October 11, 2023. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated April 27, 2023. This letter provides additional required communications related to our audit.

Our responsibility under professional standards

Our responsibility is to form and express an opinion about whether the financial statements are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("US GAAP") and to express an opinion about whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements taken as a whole and are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

However, as permitted by Section 103(a)(3)(C) of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to the financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on the financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Our audit included obtaining an understanding of the Plan and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. However, as part of the scope limitation discussed above, we did not consider internal control relating to the information prepared and certified to by the trustee. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan. Our audit did not identify any significant findings requiring communication to you.

The financial statements and supplemental schedule are the responsibility of management. Those individuals charged with governance of the Plan are responsible for the oversight of the financial reporting process, and our audit does not relieve management and those charged with governance of their respective responsibilities.

Qualitative aspects of significant accounting practices

Significant accounting policies

Plan management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the reporting period that had a significant impact on the financial statements. No matters have come to our attention that would require us to inform you about (1) the methods used to account for significant unusual transactions, and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant accounting estimates

Accounting estimates made by the Plan's management are an integral part of the financial statements and are based on Plan management's knowledge and experience about past and current events and assumptions about future events. Actual results could differ from those estimates.

Certain accounting estimates are particularly sensitive because of their significance to financial statements and their susceptibility to change. The Plan's management believes that the estimates used and assumptions made are adequate based on the information currently available. We evaluated the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements as a whole.

Financial statement disclosures

The financial statement disclosures are consistent and clear.

Going concern

We concur with management's assessment that the Plan will continue as a going concern for one year from the auditors' report date.

Significant risks

We have identified the following significant risks in connection with our audit:

- Management override of controls
- Management obscuring/making misleading disclosures
- Improper revenue recognition

Significant difficulties encountered during the audit

We encountered no significant difficulties in dealing with the Plan's management relating to the performance of the audit.

Uncorrected and corrected misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of the Plan's management. No misstatements were identified during our audit.

Disagreements with Plan management

For purposes of this letter, a disagreement with Plan management is a matter, whether or not resolved to our satisfaction, concerning financial accounting, reporting, or auditing, which could be significant to the financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations requested from Plan management

We have requested certain written representations from the Plan's management in a separate letter dated October 11, 2023.

Consultations with other accountants by the Plan's management

In some cases, the Plan's management may decide to consult with other accountants about auditing and accounting matters. The Plan's management has informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other matters discussed with Plan management

We generally discuss with the Plan's management a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and future plans and strategies that may affect the risks of material misstatement. None of the matters discussed and our responses thereto were a condition to our retention as auditors.

Auditor independence

We affirm that PKF O'Connor Davies, LLP is independent with respect to the Plan in accordance with the AICPA's *Code of Professional Conduct* and DOL and ERISA Independence Rules.

This communication is intended solely for the information and use of the Plan Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Yours sincerely,

PKF O'Connor Davies, LLP
