INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Claire Edwards Charak 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Claire Edwards Charak 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audit need not to extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the information in the accompanying 2021 financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate to raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information and to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that were identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institutions. Our audit report dated October 15, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than derived from the information certified by the qualified institutions was presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CLAIRE EDWARDS CHARAK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

1. PLAN DESCRIPTION

The following description of the Claire Edwards Charak 401(k) Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees who have been employed by The Metro Group, Inc. (the "Company" and the "Plan Sponsor") or related employers for three months and have attained 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Effective January 25, 2021, former employees of Response Electric, Inc. who became employees of the Plan Sponsor were eligible to participate in the Plan.

Effective June 1, 2021, National Mechanical Services Plumbing LLC became a participating employer in the Plan.

Contributions - Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined and subject to certain limitations under the Internal Revenue Code ("IRC"). The Plan includes an automatic enrollment provision that all eligible employees are automatically enrolled at a deferral rate of three percent unless the employee declines. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan provides for discretionary Company matching contributions and for the year ended December 31, 2021, the Company matched each participant's deferral at the rate of 100 percent of the first 15 percent of the participant's deferral with a maximum matching contribution of \$1,500. The discretionary Company matching contribution was \$222,859, net of forfeitures, for the year ended December 31, 2021. The Company may also make discretionary profit sharing contributions. Participants must complete one year of service with 1,000 hours of service during the year and be employed on the last day of the Plan year in order to be eligible for Company discretionary profit sharing contributions. During the year ended December 31, 2021, the Company discretionary profit sharing contribution was \$126,322, net of forfeitures. In addition, the Plan allows for qualified non-elective contributions ("QNEC"), of which none were made during the year ended December 31, 2021.

Participant Accounts - Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution, if any, QNEC, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions and QNEC, plus actual earnings thereon. Vesting in the discretionary Company matching and profit sharing contribution portion of their accounts are based on years of service. Participants are vested in discretionary Company matching and profit sharing contributions at 20 percent after two years of service, and an additional 20 percent each year thereafter until 100 percent vested upon six years of service. While still employed by the Company, if a participant becomes disabled, dies or reaches normal retirement age, the participant becomes 100 percent vested.

CLAIRE EDWARDS CHARAK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

Forfeitures - Forfeitures of Company contributions may be used to pay Plan administrative expenses or to reduce future Company contributions. During the year ended December 31, 2021, forfeitures of \$19,895 were utilized to reduce Company contributions. As of December 31, 2021 forfeitures of \$18,693 are available for future use, all of which were used to reduce the Company discretionary profit sharing contribution deposited during 2022.

Payment of Benefits - On termination of service due for any reason, a participant or their beneficiaries, as applicable, may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, in accordance with the Plan. The Plan provides for a mandatory cash-out following severance of employment for account balances less than \$5,000.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from data provided by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company of New York (collectively, the "Custodians" and "Great West").

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments are valued daily. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses - Certain administrative expenses incidental to the administration of the Plan, including fees of the Custodians and independent public accountants, may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Most investment options have fees which reduce the overall return on assets. The net appreciation of investments is reflected net of these fees.

According to the Plan Expense Agreement between the Company and Great West, Great West is required to make monthly contributions to the Plan Expense Account ("PEA") in an amount equal to 0.025 percent of the Plan's assets (0.30 percent annually). The funds in the PEA may be used to pay Plan administrative expenses during the year and any remaining balance at the end of the year may be allocated to participants as earnings or contributions. The net appreciation of investments is inclusive of these contributions. During the year ended December 31, 2021, Great West contributed \$31,169 to the PEA, all of which was used to pay Plan administrative expenses. As of December 31, 2021, there was \$285 available in the PEA.

CLAIRE EDWARDS CHARAK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Benefits Payable to Participants - Benefits are recorded when paid.

3. FAIR VALUE

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable.

The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts – Valued at the net asset value ("NAV") of units of a pooled separate account ("PSAs") maintained by an insurance company held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the PSAs less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The primary investment objective of the PSAs is to allow participants to achieve the same rate of return as the underlying mutual funds, less fees charged by the insurance company. The PSAs do not have any unfunded commitments relating to their investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

CLAIRE EDWARDS CHARAK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

All of the Plan's investments at fair value are measured at NAV as a practical expedient and the following table sets forth the Plan's investments at fair value:

As of December 31,	2021	2020
Investments measured at NAV practical expedient	\$ 8,640,789	\$ 6,432,464
Total investments at fair value	\$ 8,640,789	\$ 6,432,464

4. FINANCIAL DATA CERTIFIED BY THE CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified as completed and accurate by the Custodians and was not subjected to any auditing procedures performed by the independent public accountants:

- a. Investments, at fair value and contract value, and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- b. Net appreciation of investments, interest income on investments, and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- c. Investments, fully benefit-responsive investment contract, and participant loans as listed in the accompanying Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021.

5. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance during the prior 12 months or 50 percent of their vested account balance. Loans are generally issued with a maturity of up to five years. The term of any loan for the purpose of purchasing a primary residence shall not exceed 15 years. The loan interest rate is set at one percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Great West totaling \$4,415,620 for 2021 and \$1,508,186 for 2020. Great West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Great West is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Great West. Such interest rates are reset on a quarterly basis.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

The Key Guaranteed Portfolio Fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Great West's ability to meet its financial obligations. Great West's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with Great West. Such events include, but are not limited to the following: (1) premature termination of the contracts by the Plan, (2) Company layoffs, (3) bankruptcy of the Plan Sponsor, (4) Plan termination, (5) mergers, or (6) early retirement incentives. The plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Great West and that would also limit the Plan's ability to transact at contract value with participants.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company contributions.

9. TAX STATUS

The Plan is a prototype plan that is the subject of a favorable tax opinion letter from the IRS dated March 31, 2014. The Company routinely self-reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plans Compliance Resolution System. The plan administrator believes the Plan is currently being operated in accordance with the applicable provisions of the IRC and, accordingly, the plan administrator believes that the Plan is exempt from income taxes.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

As of December 31,	2021
Net assets available for benefits per the financial statements	\$ 13,445,657
Company contributions receivable	(126,322)
Accounting difference for notes receivable from participants	3,192
Net assets available for benefits per the Form 5500	\$ 13,322,527

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500:

For the year ended December 31,	2021
Net increase in net assets available for benefits per the financial statements	\$ 5,304,353
Change in Company contributions receivable	(126,322)
Change in accounting difference for notes receivable from participants	3,192
Net increase in net assets available for benefits per the Form 5500	\$ 5,181,223

11. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Investments are held by Great West and its affiliates. Transactions with Great West and its affiliates qualify as party in interest transactions for which exemptions exist. Great West and its affiliates received management and contract administration fees of \$6,760 and indirect compensation from investments based on a formula. The Plan's investment advisor received direct fees of \$31,169 from the PEA.

12. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through October 17, 2023, which is the date that the financial statements were available to be issued, and determined that there were no subsequent events or transactions that required recognition or disclosure in the financial statements, except as disclosed below.

Effective January 1, 2022, the Company adopted a non-standardized pre-approved profit sharing plan which is the subject of a favorable tax opinion letter from the IRS dated June 30, 2020 and added partial withdrawals as a form of distribution.
