Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

- (1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

- (1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: RAM ASSOCIATES CPAS

(2) EIN: 22-3553273

d The opinion of an independent qualified public accountant is **not attached** because:

- (1) This form is filed for a CCT, PSA, or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Systech Corp 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Systech Corp 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Systech Corp 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Systech Corp 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Systech Corp 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Systech Corp 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Systech Corp 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedules H, Line 4i – Schedule of Assets, (Held at end of Year), and Schedule H, Line 4a- Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at end of year) and Schedule H, Line 4a- Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022 and 2021

Note A - Description of the Plan

The following description of the SystechCorp Inc Trust 401K Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

1. **General:** The Plan is a defined contribution established on January 1, 2006 as Nihaki 401K Trust Plan and has changed its name to SystechCorp Inc Trust 401K Plan during 2019. The Plan covers eligible employees of Systechcorp Inc (earlier known as Nihaki Systems Inc), Syssol Inc, , Sysintel Inc, Cognitive Artificial Intelligence Inc, and IT Spurs Inc (the "Company" or "Companies"). All employees are eligible to participate in the plan provided they are at least 21 years of age and have served a minimum service of 500 hours and twelve months in any of the Companies. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA). John Hancock Life Insurance Company (USA) is responsible for investing and managing the Plan assets (subject to the direction of the company and participants).
2. **Contributions:** The Plan allows employees to contribute up to 100% of their compensation but subject to the legal limit as set by section 402 of the Internal Revenue Code (the "Code"). The employer has elected to make a maximum 4% of compensation safe harbor matching to the Plan on behalf of participants. Highly compensated participants are not eligible for employer match. The Plan allows catch-up contributions for participants age 50 and older.
3. **Vesting:** The participants are 100% vested in the value of their cumulative regular and additional contributions, employer safe harbor contributions and earnings thereon. On termination of employment, participants will be vested in the employer matching contributions, and employer profit sharing contributions, according to the following schedule:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

4. *Participant Accounts*: Each participant's account is credited with the participant's contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
5. *Payment of Benefits*: Prior to the age of 59-1/2, distributions and withdrawal will be subject to 10% federal tax penalty, except where excluded pursuant to Internal Revenue Code. After attaining age 59-1/2, 100 percent of the participant's account may be withdrawn for any reason. Upon termination of employment for any reason, a participant's vested account balance will be distributed to the participant, or designated beneficiary, at his or her option or left in the plan. Payments from the Plan that are eligible rollover distributions may be taken in two ways. The Participants may have all or any portion of their eligible rollover distributions either (1) paid in a direct rollover to an individual account or another employer plan or (2) paid to the participant. Participants who choose to be paid directly will be paid after withholding the taxes based on current income tax rates.
6. *Forfeited Accounts*: Forfeitures, resulting from application of the vesting provisions, are maintained separately by the Plan. Forfeitures of employer contributions are transferred to contract's(Plan) cash account. During 2022 and 2021 forfeiture of non-vested accounts was \$Nil.
7. *Participant Loans*: Participants may borrow against their individual accounts under certain conditions. Loan may not exceed the lesser of one half of your vested account balance or \$50,000. A participant may not initiate a loan for less than \$1,000. All loans are secured by the remaining account balance. Loans must typically be repaid within five years. Loans taken for first time residence purchases may be repaid over a longer period. Interest is charged at prime rate plus 1%. Loans must be paid back through payroll deductions.

Note B - Summary of Accounting Policies

1. *Basis of Accounting*

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as applied to profit sharing plans and in accordance with the terms of the trust agreement. Certain prior year amounts have been reclassified for consistency with current year presentation.

Systechcorp Inc 401K Trust
Notes to Financial Statements
December 31, 2022 and 2021

2. Use of Estimates in Financial Statements

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions in determining the reported amounts of net assets and disclosure of contingent assets and liabilities, as of the date of the financial statements, and reported amounts of additions to the net assets and deductions from the net assets during the reporting period. Actual results may differ significantly from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Participant loans are valued at their outstanding balances, which approximate fair value. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect the amounts reported in the Statement of Net Asset Available for Benefits. Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date and interest income is accrued as earned.

4. Payment of Benefits

Benefits are recorded when paid. Participants or their beneficiaries are eligible for distributions upon termination, retirement, disability, or death. Participants have the right to designate the method of payment of retirement benefits within the limitations specified in the Plan. Participants are also eligible for certain types of in-service withdrawals specified in the Plan. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

5. Gains and Losses

The realized gain or loss on the sale of investment is the difference between the proceeds received and the average cost of the investment sold. Unrealized appreciation or depreciation in the aggregate fair value of investments represents the changes in the difference between the fair value and cost of investment. Realized gains and losses are computed on a current value basis for Form 5500. This difference may result in a differing classification between realized and unrealized gains and losses: total gain or loss will be unaffected.

Systechcorp Inc 401K Trust
Notes to Financial Statements
December 31, 2022 and 2021

6. *Concentration of Credit Risk*

Financial instruments that potentially subject the plan to concentrations of credit risk are part of the holdings in Plan's investments. Management believes that the Custodian maintains the Plan's investment with high credit quality institutions and attempts to limit the credit exposure of investments.

7. *Fair Value Measurements*

The Plan applies Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. This statement applies whenever other accounting pronouncements require or permit fair value measurements.

8. *Administrative Expenses*

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Investment management and recordkeeping service fees are borne by the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related fees are included in the net appreciation or depreciation of the fair market value of the investments.

9. *Notes Receivable from Participants*

Loans from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 was 2021.

10. *Receivables*

As of December 31, 2022, the plan receivables comprise of participant contributions for December 31, 2022 and employer matching contributions for the year 2022. There were delays in depositing the employee contributions into the plan and interest on such delayed payments are recorded as receivable in the Plan assets. The receivable balance as of December 31, 2022 and 2021 was \$276,279 and \$287,847 respectively.

Note C - Current Legislation

CARES Act provides for expanded distribution options, loans and loan relief to qualified individuals. It is optional for employers to adopt the distribution and loan rules of section 2202 of the CARES Act. An employer is permitted to choose whether, and to what extent, to amend its plan to provide for coronavirus-related distributions and/or loans that satisfy the provisions of section 2202 of the CARES Act.

Note D - Fair Value Measurement

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value measurement reflects all of the assumptions that market participants would use in pricing the asset or liability, including assumptions about the risk inherent in a particular valuation technique, the effect of a restriction on the sale or use of an asset and the risk of nonperformance. The Plan groups its assets measured at fair value into a three-level hierarchy for valuation techniques used to measure financial assets at fair value. This hierarchy is based on whether the valuation inputs are observable or unobservable. These levels are:

- Level 1 - Quoted prices in active markets for identical assets. Level 1 includes mutual funds and corporate stocks, which have amounts invested in mutual funds that are Level 1.
- Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets. The Plan had no Level 2 investments during 2022 or 2021.
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. If the Plan were to change its valuation inputs for measuring financial assets at fair value, either due to changes in current market conditions or other factors, it may need to transfer those assets into or out of Level 3 of the hierarchy based on the new inputs used. During the years ended December 31, 2022, and 2021, there were no transfers of financial assets into or out of Level 3 of the hierarchy. The following section is a description of the valuation techniques and inputs used by the Plan to measure each major class of assets at fair value. During 2022 and 2021, there were no changes to the valuation techniques used by the Plan to measure fair value. There were no unfunded commitments related to these investments for the years ended December 31, 2022, and 2021.

Systechcorp Inc 401K Trust
Notes to Financial Statements
December 31, 2022 and 2021

Pooled Separate Accounts: A separate account is an account established by an insurance entity solely for the purpose of investing assets of one or more employee benefit plans. The assets of a separate account are assets of the insurance company but are not commingled with the insurance company's general assets.

A separate account in which several plans participate is generally referred to as a pooled separate account, with each plan's share of a pooled separate account determined on a participation-unit or variable-unit basis.

For separate accounts, typically those providing a guaranteed rate of return, contract value is the best evidence of fair value.

Plans may invest in an investment contract issued by an insurance company that will generate returns based on the performance of underlying or reference assets (e.g., pooled accounts). In these situations, the appropriate unit of account is the investment contract rather than the underlying investments.

Participant loans are valued at the outstanding loan balance.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022, and 2021.

<u>December 31, 2022</u>	Total	Level 1	Level 2
Pooled Separate Accounts, contract value	\$ 2,957,391	\$ -	\$ -
Total	\$ 2,957,391	\$ -	\$ -

<u>December 31, 2021</u>	Total	Level 1	Level 2
Pooled Separate Accounts, contract value	\$ 2,835,771	\$ -	\$ -
Total	\$ 2,835,771	\$ -	\$ -

Note E - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100 percent vested in their employer contributions.

Systechcorp Inc 401K Trust
Notes to Financial Statements
December 31, 2022 and 2021

Note F - Tax Status

The Internal Revenue Service has ruled that the Plan qualifies under Section 401 (a) of the Code and is therefore exempt from Federal income tax under Section 501(a) of the Code. The Plan has received a favorable determination letter dated, March 31, 2014. Though the Plan has been amended subsequently, the Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Code, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America ("GAAP") require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As the Plan is tax-exempt, the Plan administrator has concluded that as of December 31, 2022 and 2021 there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note G - Related Party Transactions

John Hancock is the Trustee of the Plan and therefore any transactions with the Trustee qualify as related party transactions. Certain investments by the Trust are made in various funds of John Hancock and these transactions qualify as related party transactions. Total fees paid to the Trustee for administration was \$1,297 and \$7,760 for the year ended December 31, 2022 and 2021 respectively.

Note H - Investments

The following presents the plan investments held with John Hancock Life Insurance Company that represent 5 percent or more of the Plan's net assets at December 31, 2022 and 2021. All investments are participant directed.

Note I - Information Certified by John Hancock

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA, the Company has accepted the certifications of John Hancock Life Insurance Company (USA), the custodian of the Plan, as to the accuracy and completeness of the investment information included in the accompanying financial statements and schedule and instructed the Plan's independent accountants not to perform any auditing procedures with respect to such information. Accordingly, the following information was certified by John Hancock Life Insurance Company (USA), for the years ended December 31, 2022 and 2021. This information was not subjected to any auditing procedures except for comparing such information with the related information contained in the accompanying financial statements and schedule.

- Market value and number of shares of investments at December 31, 2022 and 2021.
- Interest and dividend income for the year ended December 31, 2022 and 2021.
- Net appreciation/depreciation in fair value of investments for the year ended December 31, 2022 and 2021.
- All information regarding assets held by the Plan at December 31, 2022 is included in the schedule of Assets (held at end of year).

Note J - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.
