INDEPENDENT AUDITORS' REPORT

To The Plan Administrator
Portland Gastroenterology Associates, P.A. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of Portland Gastroenterology Associates, P.A. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Portland Gastroenterology Associates, P.A. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Portland Gastroenterology Associates, P.A. Profit Sharing Plan's ability to continue as a going concern for a period of one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Portland Gastroenterology Associates, P.A. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Portland Gastroenterology Associates, P.A. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance

with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Portland Gastroenterology Associates, P.A. Profit Sharing Plan (the “Plan”) provides general information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan which was established on January 1, 1994. The Plan's participants include the eligible employees of Portland Gastroenterology Associates, P.A. and Portland Endoscopy Center (the “Company”). For salary deferrals and matching contributions, the Plan is extended to Company employees on the first day of the quarter coincident with or following ninety days of service. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

CARES ACT

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which included several relief provisions to the qualified plans and their participants that were put into operation by the Plan at that time. As of December 31, 2022, the Plan has not been formally amended, as a formal amendment is not required until the plan year ended December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

PLAN RESTATEMENT

Effective January 1, 2022, the Plan was restated to comply with the requirements of the 2017 IRS Cumulative List, the American Taxpayer Relief Act of 2012, the Tax Cuts and Jobs Act of 2017 and other applicable guidance.

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS

Participants may contribute annual compensation to the Plan on a pre-income tax basis or Roth elective deferrals, up to the maximum deferral amount allowable under the provisions of the Internal Revenue Code (“IRC”) (\$20,500 in 2022). In addition, employees who are age 50 or older are eligible to make catch-up contributions (\$6,500 in 2022). Each participant may direct their contributions into their account to any one or more of the investment funds offered. The Company matches 25% of the first 4% of based compensation that a participant contributes to the Plan. During the year ended December 31, 2022, the Company made matching contributions of \$79,050. The Company also makes a “safe harbor” contribution equal to 3% of compensation for all eligible participants. During the year ended December 31, 2022, the Company made safe harbor contributions of \$278,888. Company match and safe harbor contributions are made periodically by the Company and are invested in the same funds as the participant contributions.

The Company may also make a discretionary contribution to the Plan. The discretionary contribution made by the employer is allocated among eligible participants using an employee grouping method. Top-heavy contributions are made for those participants who were not eligible for a profit sharing contribution and who did not receive an employer match because they declined to defer compensation to the Plan. During the year ended December 31, 2022, the Company made discretionary contributions of \$510,843.

Employee rollover contributions are recorded when received.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, employer contributions, and an allocation of plan earnings and expenses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ELIGIBILITY

Employees of the Company are generally eligible to make 401(k) deferrals upon attaining age 21 and completing ninety days of service. An employee must work a minimum of 1,000 hours to be eligible for employer contributions and to earn a year of vesting.

INVESTMENT OPTIONS

Participants are permitted to exercise control over the investment of the assets in their accounts, provided the investment is legally permissible and is administratively feasible. Transaction fees and expenses attributable to investments are charged to the participant's account.

Alternatively, participants may choose to have all or a portion of the assets in their accounts invested at the direction of an investment manager. Participants may change their investment options daily.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of Prime plus 2%. Interest rates at December 31, 2022 and 2021 ranged from 5.25% to 7.50%. Loan terms may be for up to 5 years, unless used to purchase a principal residence, in which case a longer repayment term is permitted. Principal and interest are paid ratably through payroll deductions.

PAYMENTS OF BENEFITS

Participants are entitled to a distribution of their vested benefits upon retirement, termination of employment, death or permanent and total disability. The Plan also allows participants to make hardship withdrawals. Benefits are recorded when paid.

FORFEITURES

When a participant terminates employment prior to completing three years of service for the employer match contributions or five years of service for the employer discretionary profit sharing contributions, their unvested employer contributions and the net investment income thereon are forfeited. Forfeitures are retained in the Plan and will be used to reduce future employer contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$58,339 and \$30,287, respectively. Total forfeitures for the plan year ended December 31, 2022 were \$58,339. Forfeitures used to reduce employer contributions during the year ended December 31, 2022 was \$30,287.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

RISKS AND UNCERTAINTIES

The Plan provides for investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Dividends and interest are immediately reinvested in the individual investments. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

CONTRIBUTIONS

Contributions to the Plan are recorded in the Plan year to which the contribution relates. Employee rollover contributions are recorded when received.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued. Other than described below, there were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs other than quoted prices included within level 1 that are observable for the asset and liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market funds: Valued at the daily net asset value (“NAV”) of shares held by the Plan at year-end.

Pooled separate accounts: Valued at the daily net asset value (“NAV”) of units of the pooled separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate accounts less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate accounts will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

***INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT
(CONTINUED)***

Aggressive growth funds seek long-term growth of capital by primarily investing in stocks of small and mid-cap companies in both domestic and international economies.

Growth funds seek long-term growth by primarily investing in mid-cap and large cap, both domestic and international stocks.

Growth and income funds seek to preserve a broadly diversified portfolio across all market cycles with relatively low to moderate levels of volatility.

Income funds seek to invest in a diversified portfolio of debt securities, high-yield and emerging markets which provide a higher level of volatility.

Conservative funds seek to provide a steady stream of income and some protection against stock market volatility. Investments from this category are normally fixed income securities primarily in U.S government agency and U.S. treasury securities.

NOTE 4 – CUSTODIAN CERTIFICATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends and interest income on participant notes receivable for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (the custodian of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 6 – TAX STATUS

Portland Gastroenterology Associates, P.A. has adopted a prototype non-standardized 401(k) profit sharing plan sponsored by Downeast Pension Services, Inc. The Internal Revenue Service issued an opinion letter for the non-standardized plan on June 30, 2020 stating that the prototype plan is acceptable under Section 401(a) of the Internal Revenue Code. The Plan has been amended since the date of the opinion letter. However, the plan administrator and the plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period pending or in progress.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are partly managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the custodian as defined by the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment administrative services amounted to \$83,816 for the year ended December 31, 2022.

Certain employees and officers of the Company, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan. The Plan extends loans to participants who are considered parties-in-interest and are also exempt from the prohibited transaction rules.

NOTE 8 – NON-EXEMPT PROHIBITED TRANSACTIONS

During 2022 and 2021, the Company determined that it was likely that certain remittances of employee deferrals of \$7,183 and \$6,500, respectively, were not made timely pursuant to 29 CFR 2510.102 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The Company has reported all such remittances in the supplemental schedule of delinquent participant contributions. The plan sponsor has corrected the errors outside of the Voluntary Fiduciary Correction Program and 2021 lost earnings were remitted in 2022 and 2022 lost earnings are expected to be remitted in 2023.
