Independent Auditor's Report

To the Trustees/Fiduciaries
Colonial Parking 401(k) Retirement Savings Plan
Washington, D.C.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Colonial Parking 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Colonial Parking 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Colonial Parking 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Colonial Parking 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Colonial Parking 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COLONIAL PARKING 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of Colonial Parking 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees who have completed one year of service and attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of Colonial Parking, Inc. (the Company), may participate in the Plan.

The custodian of the Plan is Ascensus Trust Company, which is responsible for holding plan assets. Members of the Company's management serve as the Plan's fiduciaries.

Contributions

Participants may elect to contribute portions of their annual compensation to the Plan, subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their accounts into various investment options offered by the Plan. The employer will make matching contributions to the Plan, equal to 100% of the participant's deferral up to 3% of the participant's payroll compensation. The Company may also make discretionary profit-sharing contributions to the Plan out of the employer's profits, determined at the discretion of the employer. For the years ended December 31, 2022 and 2021, the Company did not make discretionary profit-sharing contributions.

Participants' Accounts

Each participant's account is credited with the participant's contribution, the employer's matching and discretionary profit-sharing contributions, and an allocation of plan earnings, and is charged with an allocation of administrative expenses, which consist of recordkeeping and investment management fees. Allocations of earnings and expenses are based on the participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their contributions plus earnings on those contributions. Employers' matching contributions and profit-sharing contributions, if any, are subject to a vesting schedule.

Vesting Schedule - Matching Contributions	
<u>Years of Service</u>	<u>Percentage</u>
1	0%
2	0%
3 or More	100%

Employer's matching contributions also become fully vested when the participant reaches normal retirement age while still employed.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their vested account balances up to a maximum equal to the lesser of \$50,000 or 50% of their total vested account balances. There is also a minimum loan amount of \$1,000. Each loan is secured by a pledge of 50% of the participant's vested account balance and bears interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through weekly payroll deductions. Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Distributions from amounts attributable to salary deferrals are not permitted before the age of 59½ except in the event of death, disability, or reasons of proven financial hardship. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a life annuity. For termination of service or for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship provisions were amended January 1, 2019, under the Tax Cuts and Jobs Act of 2017 and the Bipartisan Budget Act of 2018. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Forfeitures

Participants with partial vesting in their accounts when they terminate employment with the Company forfeit the non-vested portions of their account balances, which remain in the Plan. Forfeitures can be used to pay administrative costs of the Plan, restore previously forfeited account balances as necessary, or reduce future employer contributions. During the year ended December 31, 2022, \$8,565 forfeitures were used to reduce employer matching contributions and/or administrative fees. As of December 31, 2022 and 2021, the balance of the forfeiture accounts available to reduce future Company contributions to the Plan is \$8,712 and \$16,389, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The Plan presents its financial statements under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Contributions

Employee contributions are recorded in the period that the Company deducts deferrals from the participant's earnings. Employer contributions are accrued in the period in which they become obligations under provision of the plan agreement.

COLONIAL PARKING 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Plan contributions are held by Ascensus. Ascensus performs the functions of receiving contributions from the Company, holding and valuing plan assets, and making payment of benefits as directed by the Company. Investments in mutual funds and common collective trusts are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset values of the shares held by the Plan at year end. Common collective trusts are valued at quoted market prices of similar investments which represent the net asset values of the shares held by the Plan at year end.

Purchases and sales are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Unrealized appreciation and depreciation in the fair value of investments are recognized in the financial statements in the period in which such changes occur. Any dividends in the underlying mutual funds are also accounted for in the daily unit values.

Administrative Expenses

The Company may elect to pay the administrative expenses of the Plan. If not paid by the Company, administrative expenses are required to be paid by the Plan. All such costs and expenses, unless allocable to the accounts of particular participants, will be charged against the accounts of all participants on a pro-rata basis or in such other reasonable manner as may be directed by the Company. In addition, certain accounting and administrative functions of the Plan are performed by employees of the Company at no cost to the Plan.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(C) of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Ascensus Trust Company, the custodian of the Plan, has certified that the information related to investments for the years ended December 31, 2022 and 2021, included in the accompanying financial statements and supplementary schedule is complete and accurate.

COLONIAL PARKING 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (CONTINUED)

Certified information is summarized as follows for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Investments, at Fair Value	\$ 4,736,495	\$ 5,833,139
Investment Return		
Net Depreciation in Fair Value of Investments	\$ (943,336)	*
Dividends	17,486	*
Interest on Notes Receivable from Participants	895	*
Total Investment Return	<u>\$ (924,955)</u>	

* Prior year information not required.

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Registered Investment Companies (Mutual Funds): The fair value of the shares of mutual funds owned by the Plan is based on quoted market price values on the last business day of the plan year.

Common Collective Trusts: The fair value of the common collective trusts (CCT) funds is based on quoted prices for similar investments in active markets of the CCT's underlying assets.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value for the years ended December 31, 2022 and 2021:

December 31, 2022	Total	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual Funds	\$ 847,148	\$ 847,148	\$ -	\$ -
Common Collective Trusts	3,889,347	-	3,889,347	-
Total	<u>\$ 4,736,495</u>	<u>\$ 847,148</u>	<u>\$ 3,889,347</u>	<u>\$ -</u>
December 31, 2021	Total	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual Funds	\$ 1,280,064	\$ 1,280,064	\$ -	\$ -
Common Collective Trusts	4,553,075	-	4,553,075	-
Total	<u>\$ 5,833,139</u>	<u>\$ 1,280,064</u>	<u>\$ 4,553,075</u>	<u>\$ -</u>

5. RELATED PARTY TRANSACTIONS

Certain plan investments are offered and managed by Vanguard through a partnership with Ascensus, which is also the custodian of the Plan. These transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. The Plan paid administrative fees of \$6,775 and \$29,939, respectively, to Vanguard for the years ended December 31, 2022 and 2021.

6. CONCENTRATIONS

Investments representing 15% or more of the Plan's net assets are as follows as of December 31:

	2022	2021
flexPATH Index+ Mod 2025 CI I1	\$ 1,160,239	\$ 1,323,063
flexPATH Index+ Mod Retirement CI I1	699,725	1,016,535
flexPATH Index+ Mod 2035 CI I1	937,617	*

* Investment did not represent 15% or more of the Plan's net assets available for benefits.

7. TAX STATUS

The Plan was adopted under a prototype non-standardized profit-sharing plan. By letter dated March 31, 2014, the Internal Revenue Service has determined that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has since been amended; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan meets the requirements of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes.

COLONIAL PARKING 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

7. TAX STATUS (CONTINUED)

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the years ended December 31, 2022 and 2021.

The Plan's policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during the years ended December 31, 2022 and 2021.

The Plan's Forms 5500, *Annual Return/Report of Employee Benefit Plan*, are open for inspection by the taxing authorities, generally for three years after filing.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. CONTINGENCIES

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), was signed into law December 29, 2019. These laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Effective April 17, 2020, certain provisions were implemented under the CARES Act. The Plan will be formerly amended for the CARES Act and the SECURE Act provisions elected in accordance with applicable law and IRS guidance. Under Notice 2022-33 and Notice 2022-45, the IRS has extended the deadline for retirement plans to adopt the amendments required by the SECURE Act and the CARES Act until December 31, 2025.

10. PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accounts.
