INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Philadelphia Marine Trade Association -
International Longshoremen's Association
Defined Contribution Pension Plan
Philadelphia, PA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Philadelphia Marine Trade Association – International Longshoremen's Association Defined Contribution Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Philadelphia Marine Trade Association – International Longshoremen's Association Defined Contribution Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Philadelphia Marine Trade Association – International Longshoremen's Association Defined Contribution Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Philadelphia Marine Trade Association – International Longshoremen's Association Defined Contribution Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Philadelphia Marine Trade Association – International Longshoremen's Association Defined Contribution Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Philadelphia Marine Trade Association – International Longshoremen's Association Defined Contribution Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year end is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Philadelphia Marine Trade Association- International Longshoremen's Association Defined Contribution Pension Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed, defined contribution plan established as a result of a Collective Bargaining Agreement between the Philadelphia Marine Trade Association and the International Longshoremen's Association. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The general administration of the Plan and the responsibility for carrying out the provisions of the Plan are maintained by a bank administered trust. The Administrator maintains participant account records and instructs the custodian to execute transactions such as benefit payments to participants. The custodian holds the assets of the Plan and executes transactions at the direction of the Board of Trustees. The custodian also reports to the Plan's management regarding investments and changes in these investments.

Eligibility

In general, employees are eligible to participate in the Plan if they are working in a job covered by a collective bargaining agreement between their employer and the Union that requires the employer to make contributions to the Plan on behalf of the employee.

Contributions

Participating contractors generally contribute to the Plan on a weekly basis. Members participating in the Plan also have the option of deferring their vacation and/or container fund benefit into the Plan.

Participants may make voluntary employee contributions subject to Internal Revenue Service Code restrictions.

The hourly employer contribution rates for the years ended December 31, 2022 and 2021 ranged from \$0 to \$6.00 per hour based upon member classification. Participating employers also contribute an additional \$0.15 per hour to cover the operating costs of the Plan.

Investment Options

Upon enrollment in the Plan, a participant may elect to direct contributions or investment balances within selected investment options. A participant can elect to participate within a number of investment options offered by Fidelity Investments.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Eligible participants are 100% vested in their individual account balance under the Plan at all times.

Payment of Benefits

Upon reaching normal retirement, permanent disability, complete withdrawal from covered employment in which no employer or participant contributions are made for 12 consecutive months, and in-service distributions subject to certain requirements vested amounts credited to a participant's account become distributable. Distributions will be made as soon as administratively feasible, following a participant's request, in the form of a lump sum payment.

Upon a participant's death, the participant's beneficiary is entitled to 100% of the participant's vested account balance.

Upon termination of service, other than for normal retirement or death, the Administrator will direct the current Trustee to pay to the participant his or her benefit in an immediate lump sum or a deferred lump sum, if certain criteria are met.

Benefits are recorded when paid.

Operating Expenses

All operating expenses are paid directly through the Plan and are offset by specific employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statement have been prepared on an accrual basis and present the net assets available for Plan benefits of the Plan and the changes in those net assets in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets available for Plan benefits during the reporting period. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risk and Uncertainties

The assets for the Plan are primarily financial instruments which are monetary in nature. As a result, interest rates have a more significant impact on the Plan's performance than do the effects of general levels of inflation. Interest rates do not necessarily move in the same direction or in the same magnitude as the prices of goods and services as measured by the consumer price index. Investments in funds are subject to risk conditions of the individual fund objectives, stock and bond market fluctuations, interest rate changes, economic conditions and world affairs.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Subsequent Events

Management has evaluated events and transactions occurring subsequent to December 31, 2022 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through May 17, 2023, the date these financial statements were available for issue.

3. INFORMATION CERTIFIED BY THE CUSTODIAN

The Board of Trustees has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2022 and 2021 and the schedule of assets held at end of year as of December 31, 2022, the related investment activity reflected in the statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.

4. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. An asset's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS**

4. FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under ASC 820 are as follows:

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets.
- Level 2: Quoted prices in markets that are not active, or inputs that are observable either directly or indirectly, for substantially the full term of the asset.
- Level 3: Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (i.e. supported with little or no market activity).

Investment securities measured at fair value on a recurring basis for which the Plan has elected the fair value option, are summarized below.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the period:

Registered Investment Co.: Valued at the closing price reported in the active market in which the individual security is traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at reporting date.

	<u>Fair Value Measurements at Reporting Date Using:</u>			
	Total Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2022</u>				
Registered Investment Cos.	\$ 99,963,446	<u>\$ 99,963,446</u>	<u>\$ -</u>	<u>\$ -</u>

Investments at net asset value (a)	<u>2,280,791</u>			
Investments at fair value	<u>\$121,836,238</u>			

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (Continued)

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are included in net change in fair value.

Investments Measured Using the Net asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Managed Income Portfolio (a)	\$3,079,885	n/a	Daily	90 days
<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Managed Income Portfolio (a)	\$2,280,791	n/a	Daily	90 days

(a) This class includes investment in common/collective trust that primarily invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions ("Contracts"), fixed income securities, and money market funds. Under the terms of the Contracts, the assets of the fund are invested in fixed income securities (which may include, but are not limited to, U.S. Treasury and agency bonds, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, asset-backed securities, and collective investment vehicles and shares of investment companies that invest primarily in fixed income securities) and shares of money market funds. The fund seeks to preserve your principal investment while earning a level of interest income that is consistent with principal preservation. The fund seeks to maintain a stable net asset value (NAV) of \$1 per share, but it cannot guarantee that it will be able to do so. The yield of the fund will fluctuate. The fair value of the investments in this class have been estimated using the net asset value per unit of the investments in the trust.

5. INVESTMENTS

During 2022 and 2021, the Plan's investments including gains and losses on investments bought and sold, as well as held during the year appreciated (depreciated) in value by (\$30,536,381) and \$6,172,182, respectively.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Board of Trustees may terminate, amend, modify or suspend the Plan in whole or in part at any time subject to the provisions of ERISA. However, in any such event, the participants' rights to their accrued benefits are nonforfeitable to the extent then funded.

7. RELATED PARTY TRANSACTIONS

Fees paid during the year for investment, legal, accounting, consulting and other professional services rendered by parties-in-interest were based on customary and reasonable rates for such services.

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Investments is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid for investment management services are internal to the mutual funds.

The Plan has three related organizations with whom it has common trustees: the PMTA-ILA Pension Fund, the PMTA-ILA Vacation & Welfare Fund, and the PMTA-ILA Containerization Fund.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

8. TAX STATUS

The Plan adopted a non-standardized prototype plan provided by the Trustee who received its latest IRS determination letter which stated that the Plan, as designed, is in compliance with the applicable section of the Code. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. PLAN AMENDMENTS & MODIFICATIONS

Effective March 1, 2021, the Plan will accept rollover contributions from other qualified plans.

Effective January 1, 2022, the Plan changed the retirement age from 65 to 62 years of age.

Effective January 1, 2023, the Plan changed the age for the required minimum distribution from age 72 to 73 in accordance with the SECURE ACT 2.0.
