INDEPENDENT AUDITORS' REPORT

To Plan Administrator and Participants
H & L Bloom, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of H & L Bloom, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H & L Bloom, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H & L Bloom, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H & L Bloom, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H & L Bloom, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the H & L Bloom, Inc. 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a volume submitter defined contribution profit-sharing plan sponsored by H & L Bloom, Inc. The Plan was established in January 1988 and was last amended and restated as of August 1, 2022. The Plan contains a salary reduction feature under Internal Revenue Code Section (IRC) 401(k) and provides for pension, death, and disability benefits. The Plan is participant directed and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan sponsor is responsible for oversight of the Plan, determining the appropriateness of the Plan's investments and monitoring investment performance.

The companies, H & L Bloom, Inc. and Bloom's Bus Lines, Inc. sponsoring the Plan, are collectively referred to as "Company" in these financial statements.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 25, 2025.

ELIGIBILITY

The Plan covers all employees of H & L Bloom, Inc. and Bloom's Bus Lines, Inc., who have completed one year of service (defined as 750 hours of service within the 12 months) and attained age 21.

EMPLOYEE CONTRIBUTIONS

Eligible participants may elect to contribute a percentage or amount of their pre-tax annual compensation to a maximum salary reduction contribution permitted by the Internal Revenue Service. The Plan allows Roth employee contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

EMPLOYER CONTRIBUTIONS

The Company's matching contribution is equal to 50% of the participant's contribution up to a maximum of 2% of the participant's eligible compensation. The Company may declare discretionary profit sharing contributions. All Participants share in the profit sharing allocations regardless of service completed during the Plan Year or employment status on the last day of the Plan year. During 2022, the Company did not make any profit sharing contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocation of the (a) Company's matching and discretionary profit sharing contributions and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefits to which participants are entitled are the benefits that can be provided from the participants' vested account balances.

VESTING

Participants are vested immediately in their contributions, including rollover contributions, plus actual earnings thereon. Upon termination of employment by reason of retirement after age 65, death or disability, participants will be entitled to 100% of the employer matching contributions plus actual earnings thereon credited to their account. The Plan does not have an early retirement feature.

In the event of termination of employment for any reason other than retirement, death or disability, the vested portion of the employer contributions plus actual earnings thereon available for distribution from a participant's account shall be determined according to the following schedule:

Years of Service	Vested Percentage
Less than 2 years	0%
2 years but less than 3	20%
3 years but less than 4	40%
4 years but less than 5	60%
5 years but less than 6	80%
6 years or more	100%

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

VESTING (CONTINUED)

Effective January 1, 2018, in order to receive a vested percentage for a particular plan year, a participant must be credited with 750 hours of service.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The term of the loan shall not exceed 5 years; however longer terms may be allowed when the loan is obtained for the purchase of a primary residence. Notes receivable from participants are stated at the amount of unpaid principal and accrued interest. The loans are secured by the balances in the participants' accounts and bear interest at a rate commensurate with local prevailing rates. The interest rates on outstanding loans at December 31, 2022 ranged from 4.25% to 6.50%. Principal and interest are paid ratably through weekly payroll deductions. A participant may have only one loan outstanding at any time.

PAYMENT OF BENEFITS

Benefits are available for distribution upon retirement, death, disability or termination in a single lump sum distribution. In the event of termination for any reason other than retirement, death, or disability, payment of vested benefits will be made by the plan sponsor in accordance with the procedures described in the Plan. The Plan has a mandatory cash-out provision for any terminated participants with account balances that are less than \$5,000.

IN-SERVICE WITHDRAWALS

The Plan allows for in-service distributions from all or a portion of the participant's fully vested account balances upon the participant's attainment of age 59½ without penalty. Hardship withdrawals may be made due to immediate financial need, as defined by the Plan. The Plan no longer requires a six-month suspension period for participant contributions after the receipt of a hardship distribution.

FORFEITURES

Forfeitures are created when participants terminate employment before becoming entitled to their full vested benefits under the Plan. Forfeitures may be used to reduce future employer contributions or to pay administrative expenses.

The accumulated balance in the unallocated forfeiture account at December 31, 2022 will be used to reduce future employer contributions or pay administrative expenses in accordance with the provisions of the plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principals generally accepted in the United States of America.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisor, trustee, and a collective investment trust. See Note 4 for discussion of fair value measurements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. An allowance is recorded for loans that are in default and have been deemed to the participant. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

PAYMENT OF BENEFITS

Benefit payments are recorded when paid.

PLAN ADMINISTRATIVE EXPENSES

Fees related to the administration of notes receivable from participants and processing of benefit payments are charged to the participant accounts and are included in administrative expenses. Investment management expenses are included in net depreciation of fair value of investments. All other expenses associated with the administration of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

NOTE 3 - PLAN FINANCIAL INFORMATION CERTIFIED BY TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividend income and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Mutual funds are valued at the daily closing prices as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

H & L BLOOM, INC. 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Common Collective trust funds: Common collective trust funds are valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021, respectively:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 4,594,061</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 4,594,061</u>
Total assets in the fair value hierarchy	<u>\$ 4,594,061</u>	<u>\$ --</u>	<u>\$ --</u>	4,594,061
Investments measured at NAV ^(a)				<u>266,785</u>
Total investments, at fair value				<u>\$ 4,860,846</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 5,592,295</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 5,592,295</u>
Total assets in the fair value hierarchy	<u>\$ 5,592,295</u>	<u>\$ --</u>	<u>\$ --</u>	5,592,295
Investments measured at NAV ^(a)				<u>509,309</u>
Total investments, at fair value				<u>\$ 6,101,604</u>

- (a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

H & L BLOOM, INC. 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021 respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trusts:				
Managed index funds	\$ 266,785	\$ --	Daily	1 Day

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trusts:				
Managed index funds	\$ 509,309	\$ --	Daily	1 Day

NOTE 5 - PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a complete or partial termination of the Plan, participants would become 100 percent vested in their employer contributions.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

The plan administrator and certain employees of the Company, who are also participants in the Plan, perform administrative services at no cost to the Plan.

All notes receivable of the Plan are between the Plan and Plan participants. Therefore, these notes and transactions qualify as party-in-interest transactions that are exempt from prohibited transaction rules.

NOTE 7 - TAX STATUS

The Plan has adopted a volume submitter defined contribution profit-sharing plan that received a favorable opinion letter dated October 6, 2020 from the Internal Revenue Service (IRS) that it was in compliance with the applicable requirements of the code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

H & L BLOOM, INC. 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 7 - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to internally monitor tax positions taken by the Plan to determine whether any are uncertain. A tax position is taken if it is determined that the position will “more-likely-than-not” be sustained upon examination by a taxing authority. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - ADMINISTRATIVE EXPENSES

During the year ended December 31, 2022, administrative fees paid by the Plan to ADP Retirement Services, the plan record-keeper, amounted to \$1,949.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 4, 2023, the date the financial statements of the Plan were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
