INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and participants of the
Shepard Exposition Services, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Shepard Exposition Services, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Shepard Exposition Services, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of Plan

The following description of the Shepard Exposition Services, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Shepard Exposition Services, Inc. (the Plan Sponsor or the Company). The following employees are excluded from participating in the Plan: an employee covered under a collective bargaining agreement, leased employees, contract employees, or an employee residing in Puerto Rico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible to participate in the Plan on the first day of the quarter after the completion of 6 months of service, 1,000 hours, and the attainment of age 19. The Plan was amended and restated effective January 1, 2022.

Contributions

Participants may elect to make pre-tax and/or Roth contributions up to 90% of eligible compensation, as defined in the Plan document, generally not to exceed a maximum of \$20,500 in 2022, plus an additional \$6,500 for eligible employees over age 50. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Eligible employees are automatically enrolled in the Plan upon meeting the eligibility requirements at a rate of 2% of eligible compensation, unless the employee elects otherwise. This automatic contribution rate will increase by 1% annually on the first day of the Plan year up to a maximum of 12%, unless the employee elects otherwise.

The Plan provides for a safe harbor matching contribution of 100% of a participant's contribution up to 3% and 50% of the next 2% of eligible compensation, as defined in the Plan document. During 2020, the Company temporarily discontinued the safe harbor matching contribution which continued through all of 2021. During 2022, the safe harbor matching contribution was reinstated and \$738,977 was contributed for the year ended December 31, 2022. The Company may also elect to make a discretionary matching contribution for eligible employees who completed 1,000 hours and were employed with the Company on the last day of the Plan year. During 2022, the Company made no such discretionary matching contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Company's contributions and net change in fair value of investments in their account, and is charged with transaction charges for services received by individual participants. Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in all contributions plus actual earnings and losses thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one half of their vested account balance. A participant may have two notes outstanding at any time. Note terms range from 1 to 5 years dependent upon the face amount of the note or up to 10 years if the note is used for the purchase of a primary residence. The notes are secured by the participant's account at a fixed rate of interest equal to the prime rate plus 1%. Interest rates at December 31, 2022 ranged from 5.25% to 9.00%. Principal and interest are paid through payroll deductions.

Payment of Benefits

At the time of death, disability, termination of service or retirement, a participant or their beneficiary may receive payment of the vested interest in their account in the form of a lump-sum distribution. Participants are eligible to receive hardship withdrawals when certain conditions are met.

Administrative Expenses

Administrative expenses paid by participants include distribution fees, note fees, and other transaction fees as well as certain recordkeeping fees. Fees incurred by the Plan for investment management services are included in net change in fair value of investments as they are paid through revenue sharing, rather than a direct payment. These expenses are paid to service providers of the Plan and, therefore, qualify as party-in-interest transactions. All other administrative expenses were paid by the Company. The Company does not expect reimbursement from the Plan for these expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The safe harbor matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan. Discretionary matching contributions are considered payable to the Plan upon approval by the administrative committee of the Plan. Any unfunded participant or employer contributions are included in the employee or employer contributions receivable on the statements of net assets available for benefits as of December 31, 2022 and 2021.

Valuation of Investments and Recognition of Income

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net change in fair value of investments includes interest, dividends, realized and unrealized gains and losses, and investment management service fees on those investments. Interest income is recorded when received.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recorded when received. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant balance is reduced and a benefit payment is recorded. Notes receivable from participants also qualify as party-in-interest transactions.

Payment of Benefits

Benefit payments are recorded when paid.

Subsequent Events

Plan management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 13, 2023, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institution

All information in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, and the net change in fair value of investments and interest income for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company (Fidelity), the Plan's qualified institution.

4. Investments

Plan investments include mutual funds managed by Fidelity. Fidelity is a service provider to the Plan and, therefore, transactions in these investments qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net change in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Investments are exposed to several risks such as market, currency, interest rate, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cybersecurity attacks, etc. It is at least reasonably possible changes in their fair value will occur in the near term and such changes could materially affect participants' account balances.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Notes to Financial Statements

December 31, 2022 and 2021

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Investments in mutual funds are stated at quoted market prices for the identical security in an active market (Level 1).

The stable value fund is carried at net asset value (NAV) and participants transact daily at the NAV of the fund (Level 1). The stable value fund invests in traditional guaranteed investment contracts (GICs), security-backed investment contracts, and separate account GICs which are valued at contract value as well as other short-term investments which are valued at fair value. Subject to certain restrictions, withdrawals from the stable value fund are generally permitted daily at contract value.

The following table summarizes the Plan's investments based on the inputs used to determine their values as of December 31, 2022 and 2021:

	Level 1	
	2022	2021
Mutual funds	\$ 25,185,225	\$ 30,283,644
Stable value fund	795,965	717,221
Total investments, at fair value	\$ 25,981,190	\$ 31,000,865

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA.

6. Income Tax Status

In April 2021, the Plan that was based on a Volume Submitter Defined Contribution Plan with CODA (volume submitter plan) sponsored by Fidelity Management & Research Co. (FMRC) moved to a Non-Standardized Pre-Approved Profit Sharing Plan with CODA (pre-approved plan) sponsored by FMR LLC (doing business as Fidelity Institutional Asset Management). The IRS has opined and informed FMR LLC by letter dated June 30, 2020, that the pre-approved plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has not received an individual determination letter and has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.
