INDEPENDENT AUDITORS' REPORT

To the Trustee and the Plan Administrator
Silverstein Properties, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Silverstein Properties, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2022 and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended December 31, 2022, and the related notes to the 2022 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Silverstein Properties, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Silverstein Properties, Inc. 401(k) Retirement Plan ability to continue as a going concern for the year ended December 31, 2022.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Silverstein Properties, Inc. 401(k) Retirement Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Silverstein Properties, Inc. 401(k) Retirement Plan ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SILVERSTEIN PROPERTIES, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN

The following description of the Silverstein Properties, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, which became effective January 1, 1985, is a defined contribution and profit-sharing plan covering all nonunion full-time employees of Silverstein Properties, LLC and its affiliates (collectively, the “Company”).

Reliance Trust Company (“Reliance”) serves as the custodian and trustee of the Plan, which is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Automatic Data Processing, Inc. (“ADP”) serves as the recordkeeper for the Plan. Merrill Lynch, Pierce Fenner, & Smith (“Merrill Lynch”) serves as the investment advisor of the Plan.

On October 14, 2015, the Company adopted the ADP Prototype 401(k) and Profit Sharing Plan, which brought the Plan into compliance with the Pension Protection Act restatement requirement. Effective June 6, 2022, the ADP Prototype 401(k) and Profit Sharing Plan has been amended and restated.

Eligibility

Individuals are eligible to contribute to the Plan the first day of the first month after they have been hired and have attained the minimum age of 21 years. The following individuals are not eligible to participate in the Plan: union employees, employees covered by collective bargaining agreements and certain nonresident aliens.

Contributions

Each year, participants may contribute a portion of their pre-tax compensation, as defined in the Plan, subject to certain Internal Revenue Code (the “Code”) limitations. Contributions of 1% to 60% of a participant’s compensation may be made. The Company may match employee contributions up to a maximum of 4% of the employee’s compensation once the participant has one year of service (1,000 hours in a 12-month period). Roth contributions are permitted.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation with an annual increase of 1% up to a maximum of 6%. The automatically enrolled participants’ contributions are invested in a designated fund until changed by the participant.

The Plan also permits eligible employees age fifty or older by the end of the calendar year to make catch-up contributions. Matching contributions do not apply to catch-up contributions.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Contributions are subject to a ceiling defined by the Code.

The Company may make additional discretionary profit-sharing contributions to the Plan based on the Company's performance during the year. Additional discretionary contributions, if any, are to be allocated based upon proportionate eligible compensation of all the Plan's participants. No additional contributions were made in 2022.

Investments

Participants direct the investment of contributions into various investment options offered by the Plan. Investment options include mutual funds and a common collective trust offered by the Plan. The Pension Protection Act created the Qualified Default Investment Alternative ("QDIA"), which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan selected American Century One Choice 2030 A, American Century One Choice 2040 A, American Century One Choice 2050 A, American Century One Choice 2060 A, and American Century One Choice In Retirement Portfolio, the Target Date Funds, as its QDIA.

Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance. This information has not been audited by the Plan's independent auditors.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, if applicable, and Plan earnings. Each participant's account is charged with withdrawals and Plan losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant vests 20% after their second year and is vested an additional 20% each year thereafter until they are fully vested after six years of credited service.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures of amounts not vested are used first to reduce administrative expenses of the Plan and then to reduce the Company's future contribution. During the Plan year ended December 31, 2022, forfeitures totaled \$142,669, including earnings. At December 31, 2022 and 2021, forfeited nonvested accounts held in the Plan amounted to \$86,930 and \$29,275, respectively. Employer contributions were reduced by \$85,014 from forfeited nonvested accounts for the year ended December 31, 2022.

Other income and Unallocated balances

The Plan may receive payments from Merrill Lynch for the excess revenue fees from investments during the year ("Revenue Sharing"). At December 31, 2022 and 2021, there were unallocated balances resulting from excess Revenue Sharing payments amounting to \$161,540 and \$88,760, respectively.

During 2022, the Plan received \$142,815 and was recorded as other income in the statement of changes in net assets available for benefits for the year ended December 31, 2022. During the year ended December 31, 2022, the Plan used Revenue Sharing amounts of \$70,035 and was recorded as administrative expenses in the statement of changes in net assets available for benefits.

Payment of Benefits

Participants will receive the full amount of their vested account balances in the event of normal retirement, termination of service, death or disability. Early withdrawals are permitted at the participant's request after the age of 59-1/2. Certain hardship withdrawals are also permitted. Distributions will be made in lump-sum payments, joint and survivor annuities or pre-retirement survivor annuities.

Effective January 1, 2020, pursuant to the Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"), which was enacted in December 2019, the age at which required minimum distributions must begin for the Plan was increased from 70-1/2 to 72.

Notes Receivable from Participants

Participants may borrow from their employee elective deferral account, per the loan agreement, a minimum of \$1,000 and a maximum of the lesser of \$50,000 or 50% of their account balances. The limit of \$50,000 applies to new loans in aggregate over a 12-month period. Generally, loan terms shall not exceed five years, except that when the loan is for the purchase of a principal residence, a longer term may be approved. Loans are secured by the vested balance in the participant's account and bear interest at a rate equal to 1% above the prime rate, as defined in the agreement, ranging from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

SILVERSTEIN PROPERTIES, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants (Continued)

Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Hardship Withdrawals

The Plan provides for hardship withdrawals, not to exceed an amount required to meet the immediate need created by the hardship. Permissible circumstances for hardship withdrawals include education expenses, costs directly related to the purchase of a principal residence, and costs necessary to prevent eviction from the participant's personal residence and such other circumstances as the plan administrator may determine based on rules set forth in the Code.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company has adopted a policy of preparing its financial statements on the modified cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"). The basis differs from GAAP in that contributions, dividends and interest are recognized when received and payments for administrative expenses are recognized when paid. Accordingly, the accompanying financial statements are not intended to present net assets available for plan benefits and changes in net assets available for plan benefits in conformity with GAAP.

Use of Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Excess Contributions Payable

As of December 31, 2022 and 2021, the amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (the "IRS") were \$0 and \$1,406, respectively. The Plan distributed the 2021 excess contributions, net of realized gains or losses, to the applicable participants during 2022.

Income Recognition

Net appreciation or depreciation in the fair value of investments includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of securities are recorded on a trade-date basis. Dividends are allocated based upon participant account holdings on the record date and are recorded on the ex-dividend payment date.

SILVERSTEIN PROPERTIES, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance. Interest income on notes receivable from participants is recorded when received.

Related fees are recorded as administrative expenses and are expensed when paid. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a deemed distribution is recorded. During the year ended December 31, 2022, there were deemed distributions of \$64,527 for defaulted loans.

Fully Benefit-Responsive Investment Contracts

The Federated Capital Preservation Fund (the “Fund”) is a common collective trust reported as a fully benefit-responsive contract invested in Guaranteed Investment Contracts (“GICs”). The Fund invests primarily in stable value products, such as GICs, typically issued by insurance companies, which provide for guarantees of interest and repayment of principal. An issuer of GICs is contractually obligated to repay the principal and a specified interest rate or interest rate index that is guaranteed to the Plan. There were no reserves against contract value for credit risk of the contract issuer as of December 31, 2022. The crediting interest rate was based on a formula agreed upon with the issuer, but was not less than zero. Such interest rates were reviewed and reset on a monthly basis. The Fund is managed by Federated Investors Trust Company, the Fund’s Trustee.

Since GICs are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GICs. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

In certain circumstances, the amount withdrawn from the GIC would be payable at fair value rather than at contract value. These circumstances may include, but are not limited to, the following: mergers, mass layoffs, plan terminations, implementation of early retirement incentive programs, or other events within the control of the Fund or the plan administrator resulting in a material and adverse financial impact on the issuer’s obligations under the GIC.

Based on prior experience, the Fund’s Trustee believes that it is not probable that such circumstances would be of sufficient magnitude to limit the ability of the Fund to transact at contract value with participants. There is no guarantee that this will be the case.

	Average Yields
Based on actual earnings	1.99%
Based on interest rate credited to participants	2.69

SILVERSTEIN PROPERTIES, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fully Benefit-Responsive Investment Contracts (Continued)

Participants may purchase units of the Fund daily based on the established unit value of \$10. Participants may redeem units of the Fund for the purpose of funding a bona fide benefit payment, making a participant loan, honoring an employee-directed transfer of the employee's interest in the plan to another investment election that is a noncompeting investment, or paying Trustee fees.

Participants may make withdrawals from the Fund for other purposes generally only upon 12 months' advance written notice to the Trustee. All participants of the Fund have a proportionate undivided interest in all assets of the Fund. Net investment income is distributed to participants monthly and is reinvested to purchase additional units.

Investment Valuation

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

- Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.
- Level 3: Unobservable inputs that reflect management's own assumptions.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Mutual Funds

Shares of mutual funds are valued at the daily closing price as reported by the respective fund. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in mutual funds are classified as Level 1 assets.

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation (Continued)

Exchange-Traded Funds

Exchange-Traded Funds (“ETF”) are marketable securities that track an index, a commodity, bonds, or a basket of assets like an index fund. Unlike mutual funds, an ETF trades like a common stock on a stock exchange. ETFs experience price changes throughout the day as they are bought and sold. Investments in ETFs are classified as Level 1 assets.

Payment of Benefits

Benefits are recorded when paid.

Expenses

The Plan allows certain administrative expenses to be paid from Plan assets, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. The Plan does not reimburse for these expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Investment-related expenses that are indirect are included in net appreciation of fair value of investments, and direct expenses are included in administrative expenses. Any excess indirect expenses charged to the participants are returned to the Plan and can be used to pay administrative expenses or reallocated to participant accounts.

Subsequent Events

These financial statements were approved by management and available for issuance on October 13, 2023. Management has evaluated subsequent events through this date.

Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6 - TAX STATUS

The Company adopted a pre-approved prototype plan offered by ADP effective March 1, 2012. The IRS has determined, by letter dated October 6, 2020, that the prototype plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

The standards require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Company has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.

7 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

8 - PARTY-IN-INTEREST TRANSACTIONS

ADP is the Plan's recordkeeper, and, therefore, certain transactions qualify as party-in-interest transactions. During the year ended December 31, 2022, the Plan paid administrative fees of \$74,909 to ADP and Marcum LLP. Certain Plan investments are managed by Merrill Lynch. Therefore these transactions qualify as party-in-interest transactions.

SILVERSTEIN PROPERTIES, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

8 - PARTY-IN-INTEREST TRANSACTIONS (Continued)

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays these individuals' salaries and other administrative expenses. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the Code and ERISA rules on prohibited transactions.
