Independent Auditor's Report

To the Plan Administrator
Commonwealth Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Commonwealth Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Commonwealth Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Commonwealth Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commonwealth Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules which include the Schedule of Assets (Held at End of Year) and the Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Commonwealth Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of Plan

The following description of Commonwealth Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees, except for highly compensated employees, union employees, nonresident aliens, and residents of Puerto Rico as defined in Section 414(q) of the IRC, who have one year of service and are age 21 or older and are employed by the following companies and individual (the “Company”).

Commonwealth Real Estate Investors (“CREI”)
Keystone Quality Transport, Inc.
Keystone Care Administrative Services
Walter M. Strine, Jr.
Martin Drugs, Inc.
Rockwell Center
Liferstar Response of Maryland

The Plan was amended and restated effective October 1, 2018. Under this restatement, the Plan adopted the Principal Financial Group 401(k) volume Submitter Plan. The Plan was restated on December 1, 2022 with Automatic Data Processing (“ADP”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

Participants may contribute a minimum of 1% up to a maximum of 20% of pre-tax annual compensation, as defined in the Plan. Effective December 1, 2022, participants could start contributing up to 75% of pre-tax annual compensation. Also, Roth contributions can be made. Participants may also contribute amounts representing distributions from another qualified plan (rollover). A matching contribution for eligible employees may be made at the discretion of the Company. For the 2022 Plan year, the Company elected to match 25% of an eligible employee’s deferred salary reduction up to a maximum salary reduction amount equal to 4% of compensation during the Plan year. The Plan can also make nonelective contributions at management’s discretion. There were no nonelective contributions from December 1, 2022 to December 31, 2022.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contribution and earnings or losses thereon, and an allocation of expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings (losses) thereon. Employer matching contributions vest ratably over five years of credited service. Vesting in the Company’s contribution portion of their accounts plus actual earnings (losses) thereon is based on years of credited service. Participants vest at a rate of 20% per year beginning with the second year of service. Participants become fully vested after five years of credited service. Beginning December 1, 2022, employer matching and nonelective contributions vested as follows. 20% after year 1, 40% after year 2, and 100% after year 3.

Participants will also become fully vested upon reaching normal retirement age or early retirement age or total and permanent disability, as defined.

Commonwealth Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan.

Forfeitures

Under the Plan, forfeitures are kept in the Plan assets and can be used to reduce Company matching contributions or to pay administrative expenses out of the Plan. The forfeited noninvested accounts at December 31, 2022 and 2021 were \$241 and \$292, respectively. During the year ended December 31, 2022, employer contributions and administrative expenses were reduced by \$598 and \$15, respectively from forfeited noninvested accounts.

Notes Receivables from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms may not exceed five years, unless the proceeds are used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate of interest determined by taking into account interest rates being charged at the time of the loan. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefit payments are permitted in the event of death, disability, termination of employment, a proven hardship or retirement. Participants may receive distributions of their vested accounts upon attaining age 59^{1/2} and becoming 100% vested in the accounts. Benefits are payable in the form of a lump-sum distributions or installments or annuities not permitted effective December 1, 2022.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's assets are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Note receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid. Hardship withdrawals have a minimum of \$500.

Commonwealth Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

Administrative Expenses

Certain expensing of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Fees incurred by the Plan for investment management services or recordkeeping are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted price in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities that the Plan can access at the measurement date.
Level 2	Inputs other than quoted prices included with Level 1 that are observable for the assets or liability, either directly or indirectly, such as: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs that are unobservable inputs for the asset or liability.

Following are descriptions of the valuation methodologies used to assets measured at fair value as of December 31, 2022 and 2021.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Mutual Funds Held in Pooled Separate Accounts

Fair value of mutual funds held in pooled separate accounts is based on quoted net asset values of underlying investments held by the pooled separate accounts adjusted by an asset charge. The underlying mutual funds held in the pooled separate accounts are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price.

Common Collective Trust Funds

Stable value funds that are composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. The NAV, as determined by the Trustee, is based on

Commonwealth Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

the fair values of the underlying investments held by the fund less liabilities. Participant transactions (purchases and sales) may occur daily.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 811,342	\$ -	\$ -	\$ 811,342
Mutual funds held in pooled separate accounts	-	171,773	-	171,773
Common collective trust funds	-	1,418,258	-	1,418,258
Total assets at fair value	<u>\$ 811,342</u>	<u>\$1,590,031</u>	<u>\$ -</u>	<u>\$ 2,401,373</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 626,910	\$ -	\$ -	\$ 626,910
Mutual funds held in pooled separate accounts	-	537,268	-	537,268
Common collective trust funds	-	1,078,580	-	1,078,580
Total assets at fair value	<u>\$ 626,910</u>	<u>\$1,615,848</u>	<u>\$ -</u>	<u>\$ 2,242,758</u>

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2022, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

4. Information Prepared and Certified by the Trustees

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments and note receivables from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, dividends, and interest for the year ended December 31, 2022, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by the two trustees of the Plan during the current year. The one trustee (Principal Life Insurance Company) held majority of the plan investment assets and executed investment transactions from January 1, 2021 to December 1, 2022 and held two plan investment assets (Principal U.S. Property SA-Z and PGIM Total Ret Bond R6 Fund) from January 1, 2021 to December 31, 2022. A different trustee (Reliance Trust) held all plan investment assets (except Principal U.S. Property SA-Z and PGIM Total Ret Bond R6 Fund) from December 2, 2022 to December 31, 2022 in the current year.

5. Tax Status

Effective October 1, 2018, the Plan adopted a nonstandard prototype document with an IRS notification letter dated August 4, 2014, which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination

letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

6. Related Party Transactions and Party in Interest Transactions

Certain Plan investments are managed by Principal Life Insurance Company and Reliance Trust. During the year ended December 31, 2022, Principal Life Insurance Company and Reliance Trust are the Trustees, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid by the Plan for investment management services were \$21,385 for the year ended December 31, 2022.

7. Risks and Uncertainties and Concentration of Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their Company contributions.

9. COVID-19

In March 2020, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic has been having significant effects on global markets, supply chains, businesses, and communities. Specific to the Plan, COVID-19 may impact various investments held by the Plan. The Plan is taking appropriate actions to mitigate the negative impact. The potential negative financial impact of these events are not reflected in the financial statements as of and for the year ended December 31, 2022.

10. Late Deposits

As required by ERISA Section 2510.3-102, the plan sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable but in no event more than fifteen (15) business days following the end of the month in which amounts are withheld from wages. However, due to unexplained time delays, the Company failed to timely remit multiple sets of participant contributions which totaled \$10,769. The Company plans to enter the VFCP and pay interest into the Plan to make the participants whole. The interest is immaterial. Therefore, the accrued interest is not recorded in the accompanying financial statements.
