## Independent Auditor's Report

The Plan Administrator
All American Homecare Agency Inc. 401(k) Plan
Brooklyn, New York

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of the All American Homecare Agency Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

*Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

*Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

*Auditor's Responsibilities for the Audits of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of the Plan

The following description of the All American Homecare Agency Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's agreement for a complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering all eligible employees of All American Homecare Agency Inc. (the Company). Employees become eligible to participate in the Plan immediately upon their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

***Contributions***

Contributions are made to the Plan by participants who may elect to defer either a fixed amount or a percentage of their annual compensation by a salary reduction election, subject to certain Internal Revenue Code (the Code) imposed limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contribution). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust as investment options for participants.

The Company also makes discretionary profit-sharing contributions. To be eligible to receive the discretionary contribution, the employee must be an eligible participant in the Plan.

***Participant Accounts***

Each participant's account is credited with the participant's contribution, the employer's contributions, and investment earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are vested immediately in their contributions, as well as the employer discretionary profit-sharing contribution, plus actual earnings thereon.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts an amount equal to the lesser of $50,000 or 50% of their account balance. The minimum amount a participant can borrow is $1,000. Participants can have up to two outstanding loans at the same time, and the number of loans approved for any participant in a 12-month period shall be limited to one. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing lending rates. Interest rates on outstanding loans ranged from 4.25% to 8.50% during the years ended December 31, 2022 and 2021. Principal and interest are paid ratably through payroll deductions over a period of five years or less, unless used to purchase a principal residence. These loans are subject to certain restrictions, as defined by the Plan document, and applicable restrictions under

the Code. There were $83,523 and $108,353 in deemed loans for the years ended December 31, 2022 and 2021, respectively, which are included in benefits paid directly to participants and beneficiaries in the statements of changes in net assets available for benefits.

***Excess Contributions Payable***

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. During 2021, the plan recorded excess contributions payable of $10,823. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

***Overpayment of Employer Contributions***

Overpayment of amounts attributable to employer contributions will be used to reduce any future employer contributions. As of December 31, 2022 and 2021, there were no overpaid employer contributions.

***Payment of Benefits***

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or receive a series of cash installments over a period not exceeding the life expectancy of the participant or the participant's beneficiary. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

***Cash-Outs of Accounts and Consent to Distribution***

If the value of a participant's vested interest in their account is $5,000 or less, the participant's account will be cashed out by distributing the participant's vested interest by a single-sum payment or by direct rollover to an individual retirement account, or other eligible retirement plan, as soon as reasonably practicable following the date the participant's employment terminates. The participant's account will be cashed out even if the participant does not consent to the distribution. If the value of the participant's vested interest is more than $1,000, distribution of the account balance cannot be made before the participant's normal retirement date without the participant's written consent.

***Net Transfer to Affiliated Plan***

Effective April 14, 2021, the Plan transfers assets from and to All American Homecare CDPAP Employee Savings Plan, an Affiliated Plan, due to changes in participants' employment status. For the years ended December 31, 2022 and 2021, net transfer to the Affiliated Plan totaled $74,202 and $335,565, respectively. All benefits accrued under the Plan were incorporated into the Affiliated Plan to the extent required by law. The transfer of the assets is reflected in the statement of changes in net assets.

## 2. Summary of Significant Accounting Policies

### *Basis of Accounting*

The accompanying financial statements were prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### *Use of Estimates*

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

The Plan's investments are held in a trust fund maintained by Reliance Trust Company (Reliance). Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisor. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold, as well as held during the year.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan's agreement. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

### *Payment of Benefits*

Payments of benefits are recorded when paid.

### *Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distribution fees are charged directly to each participant's account and are included in administrative expenses. Investment-related expenses are included in the net depreciation in fair value of investments.

## 3. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs other than quoted prices included within Level 1 are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets and liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

*Common Collective Trust* - This fund is valued based upon the unit values. Unit value is based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means. Net asset value (NAV) is used as a practical expedient to estimate fair value. There are no restrictions on the redemption of this investment and no unfunded commitments.

*Mutual Funds* - The mutual funds are valued at the daily closing price, as reported by the fund. The mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of

different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, the Plan's assets that were accounted for at fair value:

***December 31, 2022***

| | Level 1 | Total |
|---|---|---|
| Mutual funds | $ 13,268,828 | $ 13,268,828 |
| **Total Investments,** in the fair value hierarchy | $ 13,268,828 | 13,268,828 |
| Common collective trust* | | 96,388 |
| **Total Investments,** at fair value | | $ 13,365,216 |

*December 31, 2021*

| | Level 1 | Total |
|---|---|---|
| Mutual funds | $ 15,150,415 | $ 15,150,415 |
| **Total Investments,** in the fair value hierarchy | $ 15,150,415 | 15,150,415 |
| Common collective trust* | | 53,005 |
| **Total Investments,** at fair value | | $ 15,203,420 |

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts prescribed in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan had no financial assets that were measured at fair value on a nonrecurring basis during 2022 or 2021.

## 4. Related Party and Party-in-Interest Transactions

Notes receivable from participants qualify as exempt party-in-interest transactions. Administrative fees paid by the Plan to the trustee amounted to $161,247 and $127,223 for the years ended December 31, 2022 and 2021, respectively.

## 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

If this Plan should be terminated, the right of all participants to the amounts credited to their accounts as of the date of such termination shall be nonforfeitable.

## 6. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, interest and dividends on investments, and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

## 7. Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## 8. Tax Status

The Plan has adopted a prototype non-standardized profit-sharing plan with cash or deferred arrangement (CODA). Accordingly, the Plan is permitted to rely on the opinion letter dated October 6, 2020 from the IRS, which stated that the prototype profit-sharing plan was designed in accordance with the applicable sections of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualifications. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 9. Reconciliation of Financial Statements to Form 5500

Set forth below is a reconciliation of amounts appearing in the accompanying financial statements to amounts appearing on Form 5500:
