To the Trustee and Participants of
Phoenix Management Solutions, LLC 401k Profit Sharing Plan & Trust
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Phoenix Management Solutions, LLC 401k Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Phoenix Management Solutions, LLC 401k Profit Sharing Plan & Trust's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Independent Auditors' Report (Continued)

Opinion on the 2022 Financial Statements (continued)

- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Phoenix Management Solutions, LLC 401k Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Phoenix Management Solutions, LLC 401k Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

Independent Auditors' Report (Continued)

Auditors' Responsibilities for the Audit of the 2022 Financial Statements (Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Phoenix Management Solutions, LLC 401k Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Phoenix Management Solutions, LLC 401k Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (Continued)

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following description of the Phoenix Management Solutions, LLC 401k Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, formed on January 1, 2000, covering all employees of the following employers (collectively, "the Company"):

- Genesis Intermodal Services, LLC
- Grapevine Intermodal, LLC
- Helios Personnel, LLC
- KTI, LLC
- Nordic Intermodal, LLC
- PNW Intermodal, LLC
- Titan Intermodal, LLC

Participants must meet participation requirements described below. The Plan was amended and restated effective September 1, 2022 to incorporate previous amendments and comply with the latest tax laws and regulations. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and all requirements of Section 401(a) and 401(k) of the Internal Revenue Code ("the Code") and all amendments. The Plan is sponsored by Phoenix Management Solutions, LLC. Reliance Trust Company serves as the trustee and custodian, and provides record-keeping services.

The Plan is intended to be a qualified defined contribution plan which satisfies the requirements of Section 401(k) of the Code. Under the Code, participants are not liable for federal income taxes on employee contributions or plan earnings until such time as they are partially or completely withdrawn from the Plan.

Enrollment

Company employees hired prior to the Plan's adoption were automatically eligible to participate. All employees at least eighteen (18) years of age are eligible to participate in the Plan after completing one year and six months of service. The employees can enroll on the first day of the month coinciding with or next following the date they satisfy the eligibility requirements.

Contributions

Each participant's account is credited with the participant's contributions and allocations of plan earnings. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. At any point during the plan year, a participant may revoke their salary deferral election. All contributions made to these accounts are directed by the participant into a particular investment offered by the administrator and the allocations between investments can be changed as desired by the participants.

1. Description of the Plan (continued)

Investment Options

Participants direct the investment of their contributions into various investment options in accordance with participant investment elections and the provisions of the trust agreement.

Funding Policy

It is the policy of the Plan sponsor to remit the employee contributions as soon as administratively possible, but no later than 7 business days after the date of payroll.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. No more than one loan per participant is allowed at a time. The loans are secured by the balance in the participant's accounts and bear a reasonable rate of interest as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. During 2022, five new loans were made totaling \$27,317, at an interest rates between 6.00% and 8.25%. Outstanding loan principal balances as of December 31, 2022 and 2021 amounted to \$63,503 and \$70,345, respectively. The total outstanding loans mature through December 2027.

Vesting

Participants are vested immediately in their contributions and the actual earnings thereon. Safe harbor contributions are fully vested at the time the contribution is made to the Plan.

Vesting in the employer contributions and earnings thereon is based on years of service and is determined as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	25%
3	50%
4	75%
5	100%

Payment of Benefits

Participants may withdraw all or a portion of vested contributions subject to certain conditions as specified in the Plan document. Upon termination of service due to death, disability, or retirement, a participant receives a mandatory distribution in a lump-sum amount equal to the vested value of the participant's account. Certain in-service distributions are permitted including hardship and distributions to participants over 59 ½ years old.

If a participant terminates employment for other reasons, they are entitled to receive a distribution of the vested balance of their account. If the vested balance does not exceed \$5,000, this distribution is mandatory whether or not the participant elects to receive it.

1. Description of the Plan (continued)

Hardship Distributions

A participant may receive a hardship distribution from participant contributions if the distribution is (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses for the participant, their spouse or dependents; (4) needed to prevent eviction of the participant from his or her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) for burial or funeral expenses for the participant's parent, spouse, children or dependents; (6) for expenses for the repair of damage to the participant's principal residence caused by fire, storm or other casualty, or (7) for expenses arising from federally-declared disasters.

There were hardship distributions in the amount of \$23,602 during the plan year ended December 31, 2022.

Forfeited Accounts

Forfeitures occur when a participant terminates employment before becoming 100% vested with respect to the employer matching contributions and earnings thereon. Forfeitures from a participant's employer matching contributions and the earnings thereon are used to reduce future employer contributions. For the plan year ended December 31, 2022, forfeitures in the amount of \$19,762 were used to reduce employer matching contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Distribution and loan fees are charged directly to the requesting participant's account. Investment related expenses are included in net appreciation of fair value of investments.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan, as well as any participant-specific fees such as for loans or distributions. Allocations are based on participant earnings or account balances, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All contributions made to these accounts are directed by the participant into a particular investment offered by the administrator and the allocations between investments can be changed as desired by the participants.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gain and losses on the investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the plan agreement. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions for the years ended December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Terminated Employees with Vested Benefits

As of December 31, 2022, terminated participants with vested balances in the amount of \$1,857,365 remain in the Plan. The benefit payments are not reflected in the financial statements until benefit claims have been processed and approved for payment.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds, including money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily market value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust accounts: Valued at unit price, quoted daily, for the Invesco Stable Value Asset Fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurements (continued)

The assets measured at fair value on a recurring basis subject to the disclosure requirements of ASC 820 fair value hierarchy levels are as follows:

<u>Assets as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 7,678,572	\$ -	\$ -	\$ 7,678,572
Common collective trust accounts	<u>-</u>	<u>924,876</u>	<u>-</u>	<u>924,876</u>
Total assets at fair value	\$ <u>7,678,572</u>	\$ <u>924,876</u>	\$ <u>-</u>	\$ <u>8,603,448</u>

<u>Assets as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total assets at fair value	\$ <u>6,978,294</u>	\$ <u>937,346</u>	\$ <u>-</u>	\$ <u>7,915,640</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net depreciation in fair value of investments on the Statement of Changes in Net Assets Available for Benefits.

4. Tax Status

The Internal Revenue Service has issued a favorable determination letter, dated October 6, 2020, for the prototype plan known as "Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA". The Internal Revenue Service has determined this prototype plan meets the required qualifications for tax-exempt status under code section 401(a). The Plan has been amended since receiving the determination letter. However, the plan administrator and the third-party advisor believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

5. Information Prepared and Certified by Trustee

At December 31, 2022 and 2021, the Plan's investments were held by Reliance Trust Company. The following is a summary of the Plan's financial information that is included in the financial statements based on the information certified by the custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

December 31,	2022	2021
Mutual funds	\$ 7,678,572	\$ 6,978,294
Common collective trust accounts	924,876	937,346

	<u>\$ 8,666,951</u>	<u>\$ 7,985,985</u>
 Year ended December 31,	 2022	
Net depreciation in fair value of investments	\$ (1,984,346)	
Interest income from notes receivable from participants	4,629	
Other income	80	
Dividends	333,217	
Reported in financial statements	<u>\$ (1,646,420)</u>	

6. Stable Value Investment

The Plan has investments in the Invesco Stable Value Asset Fund, a common collective trust account which invests exclusively in the Invesco Stable Asset Trust (Class C shares), a bank collective trust fund. That fund invests in a diversified portfolio of investment contracts issued by banks and insurance companies. These contracts allow for participants to transact at book value.

Because of the indirect holding nature of this investment, it is not considered to be fully benefit-responsive.

There were no reserves against unit value for credit risk of the contract issuer or otherwise.

This information is only a summary of certain key provisions of the investment, and participants should refer to the Stable Value contract for a complete review of its provisions, including the impact of events such as mergers, layoffs, bankruptcy, full or partial Plan termination, and early retirement incentive programs as defined therein. Management does not believe such events are likely to occur in the near future.

7. Plan Termination

Although it has not expressed an interest to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA.

8. Plan Merger

On January 7, 2022, the plan assets from KTI, LLC. Retirement Plan were merged into the Plan due to the plan sponsor's acquisition of KTI LLC in 2021. Investments with fair value totaling \$2,725,359 as of January 7, 2022 were transferred into the plan as of that date.

Phoenix Management Solutions, LLC 401k Profit Sharing Plan & Trust
Notes to Financial Statements

9. Risks and Uncertainties

At December 31, 2022 and 2021, none of the Plan's funds were insured by the Federal Depository Insurance Corporation ("FDIC"). The Plan invests in various investment securities and as a result is exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. ERISA Bond Requirements

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be equal to the lesser of 10% of the Plan's assets at the beginning of the plan year or \$500,000. As of and for the years ended December 31, 2022 and 2021, the Plan's sponsor maintained bond coverage in the amount of \$500,000.

11. Related Party Transactions and Party in Interest Transactions

Related parties and parties-in-interest include the Plan Sponsor, employees of the Plan Sponsor who are owners, directors, executives or members of the investment committee, the third-party administrator and custodian, the investment advisor and the auditor. All Plan investments are managed by the Custodian and, therefore, qualify as party-in-interest transactions. During 2022, employees, including one of the related parties and parties-in-interest mentioned above, contributed to the plan and received an employer match. As of December 31, 2022, no amounts were owed to related parties and parties-in-interest. None of the transactions mentioned above were prohibited transactions.

10. Reconciliation to Form 5500

A reconciliation of the net assets available for benefits per the financial statements as of December 31, 2022 and 2021 to the Plan's Form 5500 is as follows:

	<u>2022</u>	<u>2021</u>
