INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Senior Living Choices of Virginia, Inc. 403(b) Plan
Midlothian, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Senior Living Choices of Virginia, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Senior Living Choices of Virginia, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Senior Living Choices of Virginia, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Senior Living Choices of Virginia, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Senior Living Choices of Virginia, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Senior Living Choices of Virginia, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of listed in the accompanying table of contents as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2021 Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of Senior Living Choices of Virginia, Inc. 403(b) Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated October 8, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SENIOR LIVING CHOICES OF VIRGINIA, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1-DESCRIPTION OF PLAN

The following description of the Senior Living Choices of Virginia, Inc. ("Company") 403(b) Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General. The Plan, established on November 1, 1995 and amended January 1, 2010, is a defined contribution plan and, as such, is subject to some, but not all, of the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees at least 18 years of age are eligible to participate upon the completion of one year of service. The Plan entry date a participant is first entitled to make elective deferrals is on the date the employee completes any necessary application(s) and the Salary Reduction Agreement, effective with the next payroll period. Effective September 16, 2013, the Plan treats same-sex spouses as spouses for plan purposes, including beneficiary and benefits.
- B. Contributions. Employees may elect to contribute pre-tax dollars to the Plan, through payroll deductions, amounts from 1% to 60% of eligible annual compensation up to \$19,500 for 2021 and 2020. Participants who reach age 50 during the calendar year may be eligible to make catch-up contributions up to \$6,500 in addition to the IRS limit of \$19,500 in 2021 and 2020. Participants can also elect a direct rollover of an existing balance from a tax-qualified retirement or savings plan into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

If a participant meets certain requirements related to employment date and service hours, the Company may contribute to the participant's account. The matching is 100% of the first 3% of income contributed by the employee. Matching contributions are credited to participants' accounts at the same time as the related participant contributions are credited. Salary deferral changes can be made on the dates previously mentioned.

- C. Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and Plan earnings. Company contributions are invested in the investment options in the same allocation percentages as each participant's contributions. The benefit for a participant is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1-DESCRIPTION OF PLAN (CONTINUED)

- D. Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account or \$50,000 as defined in the Plan document. The loans are collateralized by the balance in the participant's account, and bear interest at a rate set by the asset manager on a calendar quarterly basis. Principal and interest can be paid quarterly using personal checks or by money order or bank check for full loan repayment. Principal and interest payments are allocated to the Plan's investment funds based on the participant's investment elections at the time of payment. Loans which are granted and repaid in compliance with the Plan provisions will not be considered distributions to the participant for tax purposes. There were three (3) and two (2) loans outstanding at December 31, 2021 and 2020 totaling \$7,321 and \$6,542, all respectively.
- E. Vesting. Participants are immediately vested in their elective deferral contributions and actual earnings thereon. Participants are also immediately vested in the employer contribution portion of their accounts, plus actual earnings thereon.
- F. Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal of all or a portion of their elective contribution account balance if they can demonstrate financial hardship as defined by the Plan. Such amounts will be considered distributions to the participant for income tax purposes.
- G. Forfeitures. There are no forfeitures in the Plan because all contributions are 100% vested when they are made.
- H. The Plan Trustees are AXA Equitable Life Insurance Company and Nationwide Mutual Insurance Company.
- I. The Plan Administrator was The Retirement Advantage, Inc. The current Plan Administrator is ERISA Services, LLC.

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. That basis differs from generally accepted accounting principles in that contributions are recognized when received instead of when they are earned by the Plan, and payments of benefits and plan administration costs when paid instead of when the Plan receives the services.

SENIOR LIVING CHOICES OF VIRGINIA, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition

The guaranteed interest accounts with AXA Equitable Life Insurance Company and Nationwide Mutual Insurance Company are valued at fair value. Fair value represents the contract value reduced by a percentage equal to the difference between the applicable interest rate and the interest rate on the account multiplied by the number of years until the maturity date.

The Plan also offers investments in various registered investment companies (mutual funds) maintained by AXA Equitable Life Insurance Company and Nationwide Mutual Insurance Company, which are valued at fair value. Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. See Note 3. The Plan presents in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in registered investment companies which consists of the related appreciation (depreciation) and the unrealized appreciation (depreciation) on those investments.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Purchase and sales of securities are reflected on a trade-date basis.

Earnings on investment are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

Notes receivable from participants

Notes receivable from participants are stated at the outstanding principal balance of the loan, which approximates fair value. As of December 31, 2021 and 2020, the Plan does not have an allowance for credit losses, as repayments of principal and interest are generally received through payroll deduction and the notes are collateralized by participants' account balances.

The Plan is subject to the Loans to Participants topic of the FASB issued Accounting Standards Update 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans (ASU 2010-25)*, which requires loans to participants in an entity's defined contribution plan be classified as notes receivable. These loans are to be reported separately from plan investments.

Plan administration costs

The Company absorbs Plan administration costs related to legal, accounting, record keeping, and general administration. The Company passes on the following Plan administration costs to participants: asset based fees, distribution fees, loan fees.

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent events

The Plan Administrator performed an evaluation of the Plan's activity through September 28, 2022, the audit report date, and has concluded that there are no significant subsequent events that require disclosure through the date these financial statements were available to be issued.

NOTE 3-FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Accounting guidance establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

SENIOR LIVING CHOICES OF VIRGINIA, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3-FAIR VALUE MEASUREMENTS (CONTINUED)

The following provides a description of the valuation methodology used for assets measured at fair value. There have been no changes in valuation methodologies at December 31, 2021, compared to December 31, 2020. The Company's policy for determining the timing of significant transfers between levels is at the end of the reporting period, if applicable. There were no transfers between level 1, 2 or 3 assets or liabilities during the year ended December 31, 2021.

Mutual funds - These investments are public investment securities valued using the Net Asset Value ("NAV") provided by AXA Equitable Life Insurance Company and Nationwide Mutual Insurance Company. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, if applicable, and then divided by the number of shares outstanding. The NAV is quoted in an active market.

Funds held in insurance company general account (interest account) - These investments are valued at fair value by discounting the related cash flows provided by AXA Equitable Life Insurance Company and Nationwide Mutual Insurance Company.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 4-PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments of the mutual funds are managed by AXA Equitable Life Insurance Company and Nationwide Mutual Insurance Company. AXA Equitable Life Insurance Company and Nationwide Mutual Insurance Company are also the investment trustees, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan are incorporated in the return for the various mutual funds. The funds pay each of the Trustees a fee for their services, which includes any fee paid to the sub-advisors. There were no additional fees paid outside of the funds. Fees incurred by the Plan to the Trustees amounted to \$15,765 for the year ended December 31, 2021. These fees are recorded as administrative expenses in the accompanying Statement of Changes in Net Assets Available for Benefits.

The Company's Executive Director and Human Resources Director are currently participants in the Plan and serve as the trustees. The Board of Trustees members are not participants in the Plan but serve as trustees. The Executive Director serves as the Plan Administrator of the Plan.

Notes receivable from participants are permitted party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5-PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6-INFORMATION PREPARED AND CERTIFIED BY PLAN TRUSTEES

Certain information presented in the Statements of New Assets Available for Benefits, Changes in Net Assets Available for Benefits, and Supplemental Schedules was certified as complete and accurate, to the best of their knowledge, by AXA Equitable Life Insurance Company and Nationwide Mutual Insurance Company. The information prepared and certified is summarized as follows:

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 7-TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The IRS has determined and informed the Plan Sponsor by a letter dated May 17, 2017 that the Plan is designed in accordance with applicable sections of the Code. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

NOTE 8-RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across forty-eight participant directed fund elections for the year ended December 31, 2021. Additionally, the investments within each participant directed fund election are further diversified into varied financial instruments.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 9-COMMITMENTS AND CONTINGENCIES

Economic conditions

In December 2019, a novel strain of coronavirus ("COVID-19") surfaced. The spread of COVID-19 around the world has caused significant volatility in U.S. and international markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies, and, as such, the Company is unable to determine if it will have a material impact to its operations.
