VILLARA CORPORATION 401(k) PLAN

FINANCIAL STATEMENTS

MARCH 31, 2023 AND 2022

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Villara Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Villara Corporation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended March 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of March 31, 2023 and 2022, and for the year ended March 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of March 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and

certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VILLARA CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Villara Corporation 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan established in 1982 to provide benefits to eligible employees of Villara Corporation (the "Company"). The plan administrator believe the Plan is currently designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

Empower Trust Company, LLC and Empower Annuity Insurance Company of America ("Empower"), formerly known as Great-West Trust Company, LLC and Great-West Life & Annuity insurance Company, serve as directed trustee of the Plan. Empower Retirement, is the third-party recordkeeper of the Plan responsible for maintaining participant records.

Certain investment related expenses are charged directly by the investment funds and are thereby factored into each fund as a reduction in investment return. An asset-based fee is charged to each participant account on a quarterly basis for costs of Plan administration including record keeping, trust and investment advisory expenses. Participant loan administration and withdrawal fees are charged directly to participants. Other costs of administering the Plan are paid by the Company.

C. Eligibility

Employees covered by a collective bargaining agreement are excluded from the Plan. Substantially all other employees of the Company who have attained age 18 and who have completed a minimum of 500 hours of service within six months of commencement of employment are eligible to participate. Employees who do not complete the hours of service requirement during this time period become eligible on completion of one year of service. Employees may begin elective deferrals on the first day of the month coincident with or next following the date of meeting eligibility requirements.

D. Participant Contributions

Participants may elect to contribute their pre-tax compensation and/or elect to make Roth after-tax contributions. Participants of age 50 or older may make additional catch-up contributions not to exceed the maximum statutory amount. Pre-tax, Roth and catch-up contributions are subject to applicable Code limits. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation. The Plan permits participants to make rollover contributions of eligible amounts received from other tax-qualified retirement plans. Such contributions are subject to the approval of the plan administrator and are invested in accordance with participant directions.

VILLARA CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Participant Contributions (Continued)

Eligible participants who have attained one year of service and who have not made an affirmative election to participate in the Plan are auto-enrolled at a pre-tax deferral rate of 1% of eligible compensation, unless the participants opt out of deferral. The pre-tax deferral rate for a participant whose deferral rate is less than 6% is automatically increased by 1% annually on April 1 to a maximum deferral rate of 6% unless the participant makes an alternative election.

E. Employer Contributions

The Company may make discretionary matching contributions equal to a percentage of participant elective deferrals up to a specified percentage of participant compensation. For the year ended March 31, 2023, the Company matched 25% of the first 6% of compensation deferred by each participant.

F. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, an allocation of Company matching contributions, if any, and the participant's share of Plan earnings or losses and expenses. Participants direct the investment of their accounts among a diversified menu of investment funds provided under the Plan. The accounts of participants who decline to make an investment election are invested in the American Funds Target Retirement Fund that is appropriate for an individual's normal retirement date, as defined by the Plan document.

G. Vesting and Forfeitures

A participant is fully vested immediately as to voluntary contributions, rollover contributions and related earnings. A participant becomes vested in his or her Company matching contribution account after three years of credited service. Forfeitures of terminated participants' non-vested accounts may be used to pay Plan administrative expenses or to reduce Company contributions. For the year ended March 31, 2023, approximately \$38,000 of forfeitures were used to reduce company contributions. The balance of unapplied forfeitures was approximately \$28,000 and \$35,000 as of March 31, 2023 and 2022, respectively.

H. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's account balance, bears a fixed rate of interest established at loan inception that is commensurate with interest rates charged by persons in the business of lending money and must be repaid to the Plan within a five-year period unless the loan is used for the purchase of a principal residence in which case the repayment period may be extended. The plan administrator approves the specific terms and conditions of each loan. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at March 31, 2023 carry interest rates ranging from 5.25% to 9.75% with various maturities through October 2048.

Notes receivable are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

VILLARA CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

I. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability, attainment of age 59½ or retirement, a participant or beneficiary may maintain his or her account in the Plan or elect to receive benefits in a lump sum equal to the value of the participant's vested account balance. Hardship distributions are permitted under limited circumstances, as defined in the Plan, subject to approval of the plan administrator.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan maintains its accounting records on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Plan investments are stated at fair value except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made to the account plus earnings less withdrawals and expenses. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividends and interest. Net (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

D. Risks and Uncertainties

Investments are exposed to various investment risks such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in value of investments will occur in the near term and such changes could materially affect participant accounts and the amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Company adopted a prototype plan that has received an advisory letter from the Internal Revenue Service stating that the form of the Plan qualifies under applicable provisions of the Code. The Company believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

VILLARA CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

NOTE 3 - INCOME TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Payment of expenses relating to Plan administration and investment activity are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held at March 31, 2023 and 2022, and net (depreciation) of investments, interest and dividends for the year ended March 31, 2023 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower, the trustee.

NOTE 7 - FAIR VALUE MEASUREMENTS

ASC 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value as follows: Level 1 refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2 refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3 refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified based on the lowest level of input that is significant to the fair value measurement.

Mutual funds are valued at the daily closing price reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

The following table summarize Plan investment at March 31, 2023 and 2022 based on the inputs used to value them:

VILLARA CORPORATION 401(k) PLAN

Mutual Funds	<u>\$ 22,602,554</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 22,602,554</u>

NOTE 8 - FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

Units of investment in common/collective trusts are measured at fair value using net asset value per unit as a practical expedient. All common/collective trust investments held by the Plan are direct filing entities. The following table summarizes Plan investments in common/collective trusts at March 31:

	March 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
Common/Collective Trust:					
Empower SF Balanced Trust	\$ 1,069,875	\$ 1,401,071	None	Daily	Daily

NOTE 9 - EMPOWER INVESTMENTS FIXED ACCOUNT

Investments in the Empower Investment Fixed Account are maintained in a general account by Empower. Empower is contractually obligated to repay principal and a specified interest rate to the Plan. Because the fund is a fully benefit-responsive investment, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to this fund. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value. The crediting interest rate of the fund is based on a formula. The average yield earned by the Plan was 1.01% and 0.88% for the year ended March 31, 2023 and 2022, respectively.

Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the Fixed Account. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 22, 2023, the date on which the financial statements were available to be issued. There are no material subsequent events that require recognition or additional disclosure in these financial statements.
