INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Care-A-Lot Child Care Investment
and Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Care-A-Lot Child Care Investment and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter

The accompanying statement of net assets available for benefits as of December 31, 2021 was not audited, reviewed or compiled by us, and, accordingly, we do not express an opinion or any other form of assurance on it.

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Care-A-Lot Child Care Investment and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Care-A-Lot Child Care Investment and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Care-A-Lot Child Care Investment and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Care-A-Lot Child Care Investment and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CARE-A-LOT CHILD CARE INVESTMENT AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

Note 1: Plan Description -

The following description of the Care-A-Lot Child Care Investment and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of DMK Endeavors, Inc. (the Company), excluding non-resident aliens with no U.S. source income and residents of Puerto Rico. Employees are eligible to participate in the Plan and receive employer matching contributions after three months of service and must be 21 years of age before the entry date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Company is the Plan Administrator. Automatic Data Processing, Inc. is the record keeper and Third-Party Administrator of the Plan. Reliance Trust Company is the Custodian and Trustee of the Plan. The Plan permits the payments of administrative expenses to be made by the Plan.

Contributions

Participants may make tax deferred and ROTH contributions up to 90% of their compensation, subject to the maximum dollar amount permissible under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company makes matching contributions equal to 100% of the first 3% of participant elective deferrals and 50% of the next 2% of participant elective deferrals. The Company may also make profit sharing contributions to the Plan on a discretionary basis. Profit sharing contributions are allocated to participants based on the percentage of their respective compensation divided by total compensation of all participants eligible for the profit share. To be eligible for profit sharing contribution, participants must be employed on the last day of the Plan year and have worked a minimum of 1,000 hours in the Plan year. No profit-sharing contributions were made to the Plan during 2022.

Participant Accounts

Participants' accounts are credited with their contributions and allocations of (a) the Company's contribution and (b) the Plan's earnings. Participant accounts are also charged with an allocation of administrative expenses. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1: Plan Description (Continued) -

Vesting

Participants are immediately vested in their contributions and Company matching contributions, plus actual earnings thereon. Profit sharing contributions vest based on years of continuous service. A participant is 20% vested after two years of service, and vests 20% per year until they are 100% vested after six years of credited service or upon death, disability, or reaching the age of 65.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options as indicated by the Plan sponsor, which provide diversified investment allocations. Participants may change their investment options electronically at any time during the year.

Notes Receivable from Participants

Participants may borrow up to the lesser of 50% of their vested account balance of \$50,000, subject to a minimum loan of \$500. Loan terms range from one to five years or up to 30 years if used for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 9.00% at the time of the loan, as determined by the Plan administrator. Principal and interest are paid through payroll deductions.

Payment of Benefits

On termination of service due to health, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested balance in his or her account, or annual installments over a specified period. Vested balances that do not exceed \$5,000 may only be distributed in a single lump-sum payment. Additionally, the Plan provides for in-service withdrawals once a participant reaches age 59 ½ even if still employed.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from fully-vested accounts.

Forfeitures

Any forfeitures arising under the Plan are applied against future employer contributions to the Plan or employer administrative expenses related to the Plan. Forfeiture amounts of \$245 were used to reduce employer contributions during 2022.

Note 2: Summary of Significant Accounting Policies -

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis in conformity with accounting principles generally accepted in the United States.

Note 2: Summary of Significant Accounting Policies (Continued) -

Investment Valuation and Income Recognition

Mutual funds are stated at fair value based upon quoted market prices, as determined by the custodian of the Plan's assets. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's common collective trust funds are stated at contract value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

The change in fair value of investments and realized gains (losses) are reflected in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Benefit Payments

Benefit payments are recorded when paid.

Excess Contributions Due to Participants

The amount that highly compensated participants can contribute to the Plan is limited by the amount contributed by non-highly compensated participants. Excess contributions due to participants represent amounts contributed in excess of those limits. These amounts are required to be returned to those participants within two and one-half months of the end of the applicable plan year. Excess contributions due to participants are included in Plan liabilities on the statement of net assets available for benefits.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates within these financial statements include the fair value measurements of Plan assets.

Income Taxes

The Plan sponsor is responsible for determining whether a tax position of the Plan is more likely than not to be sustained upon examination by the applicable taxing authority, based on the technical merits of the position. As of December 31, 2022, the Plan has not recorded any provisions for accrued interest and penalties related to uncertain tax positions. Tax years from 2019 through 2022 remain open to examination by taxing jurisdictions.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 2: Summary of Significant Accounting Policies (Continued) -

Fair Value of Financial Instruments

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The Plan's mutual funds are valued utilizing Level 1 inputs.

- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The Plan does not have any investments that are valued utilizing level 2 inputs.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan does not have any investments that are valued utilizing level 3 inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Events Occurring After Reporting Date

The Plan has evaluated events and transactions that occurred between December 31, 2022 and October 13, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. See Note 10.

Note 3: Fair Value Measurements –

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Mutual Funds	<u>\$ 1,036,343</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,036,343</u>

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Mutual Funds	<u>\$ 1,225,902</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,225,902</u>

Note 4: Common Collective Trust Funds –

The Plan invests in the Invesco Stable Value Fund, a collective trust fund. The stable value collective funds are fully benefit-responsive, as such contract value is the relevant measurement attribute for the portion of the net assets available for benefit of a defined contribution plan attributable to fully benefit-responsive stable value collective funds because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Invesco Trust, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. As such, the contract is included in the financial statements at contract value. The contract value of the investment contract was \$621 at December 31, 2022.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code 66
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

Note 5: Summary of Information Certified by the Plan's Custodians -

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the statement of net assets available for benefits as of December 31, 2022.
- Notes receivable from participants, as shown in the statement of net assets available for benefits as of December 31, 2022.
- Investment activity as shown in the statement of changes in net assets available for benefits for the years ended December 31, 2022.
- The schedule of assets held for investment purposes as of December 31, 2022, as shown on Schedule I.

Note 6: Tax Status -

The IRS has determined and informed the Plan sponsor by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Note 7: Plan Termination -

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100 percent vested in their account balances.

Note 8: Party-In-Interest Transactions -

Reliance Trust Company is the custodian of the Plan and, therefore, transactions between Reliance Trust Company and the Plan qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services and other administrative services amounted to \$4,617 for the year ended December 31, 2022.

Note 9: Reconciliation of Financial Statements to Form 5500 –

The classification of change in net assets available for benefits for the years ended December 31, 2022 and 2021 differs between the financial statements and Form 5500. The total change in net assets available for benefits for the years then ended also differs between the financial statements and Form 5500.

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the change in net assets available for benefits per Form 5500 for the years ended December 31:

	<u>2022</u>
Change in net assets available for benefits per the financial statements	\$ (174,387)
Corrective distributions, prior year	<u>(7,512)</u>
Change in net assets available for benefits per Form 5500	<u>\$ (181,899)</u>

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 1,078,692	\$ 1,253,679
Corrective distributions due to participants	<u>-</u>	<u>7,512</u>
Net assets available for benefits per Form 5500	<u>\$ 1,078,692</u>	<u>\$ 1,260,591</u>

Note 10: Subsequent Event –

Subsequent to year end, the Plan was amended to reflect new plan provisions. Effective January 1, 2023, employee's eligibility age was reduced from 21 to 18. Effective February 1, 2023, the Plan adopted automatic deferral provisions whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. Additionally, automatically enrolled participants will have a 1% scheduled increase in deferrals up to 10% succeeding the employee's anniversary date.
