### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Townley Engineering and Manufacturing Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Townley Engineering and Manufacturing Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Townley Engineering and Manufacturing Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Townley Engineering and Manufacturing Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, line 4a – Schedule of Delinquent Participant Contributions and Schedule H, line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Administrative Committee of the  
Townley Engineering and Manufacturing Company, Inc. 401(k) Plan

Page 4 of 4

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **401(k) PLAN**

### **Notes to Financial Statements**

**December 31, 2022 and 2021**

#### **Note 1 - Description of Plan**

The Townley Engineering and Manufacturing Company, Inc. 401(k) Plan (the Plan) is a defined contribution plan covering all employees of Townley Engineering and Manufacturing Company, Inc. and Townley Foundry and Machine Company, Inc. (the Company) who have completed six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is administered by the trustees appointed by the Board of Directors of the Company. The Plan was established effective January 1, 1998, and was amended and restated since it was established, with the most recent restatement effective April 1, 2022. The following is provided only for general information. Participants should refer to the Plan agreement for a more detailed description of the Plan's provisions.

#### **Eligibility**

Employees are eligible to enter the Plan on the entry date coincident with or next following the completion of six months of service.

#### **Contributions**

Each year participants may contribute a percentage of their compensation, up to a maximum of \$20,500 for participants under age 50 and \$27,000 for participants age 50 and older for 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may also make contributions at its discretion. In 2022 and 2021, the Company contributed an amount equal to 25% of the employees' elective deferrals.

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings and may be charged with an allocation of administration expenses. Allocations are based on participant compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Investment Options**

The participants are able to direct the investment of their entire interest in the Plan. The Plan administrator provides the participants with information regarding the investment choices and options available to them. An investment advisor is available to assist all of the participants with their investment decisions on an individual basis, as requested by the participants. Participants may direct their contributions into various investment funds.

#### **Vesting**

Participants are immediately vested in their contributions as well as the Company's contributions plus actual earnings thereon.

#### **Forfeitures**

Since the participants are 100% vested in the Plan upon entry, there are no forfeitures. At December 31, 2022 and 2021, there were no forfeited nonvested accounts.

#### **Payment of Benefits**

On termination due to death, disability, or regular retirement, a participant is entitled to receive a lump-sum amount equal to the value of the participant's account. Upon termination for any reason other than death, disability, or retirement a participant shall receive the value of the vested interest in his or her account.

**401(k) PLAN**

**Notes to Financial Statements**

**December 31, 2022 and 2021**

**Note 1 - Description of Plan, (Continued)**

**Participant Loans**

Participant loans are not allowed under the Plan.

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value at December 31, 2022 and 2021, except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's valuation policies are determined utilizing information provided by the investment advisors, custodians, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**Plan Expenses**

Certain expenses of the administration of the Plan are paid by the Company and excluded from these financial statements. Investment related expenses are included in net investment depreciation.

**Subsequent Events**

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through the date the financial statements were available to be issued, or October 10, 2023. No subsequent events have been recognized or disclosed, except as noted below.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement Act (SECURE Act 2.0) was enacted as part of the Consolidated Appropriations Act. SECURE Act 2.0 covers numerous changes to retirement provisions designed to increase retirement savings, facilitate access to retirement savings, encourage employees to save for retirement, and lower employers' cost of offering and funding retirement savings plans. The provisions of the SECURE Act 2.0 become effective over the next several years, with the majority in 2023 and 2024.

**Note 3 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**December 31, 2022 and 2021**

**Note 4 - Information Prepared and Certified by Custodian (Unaudited)**

The following information included in the accompanying financial statements and supplementary schedule described as Schedule H, line 4i – Schedule of Assets (Held at End of Year) was obtained from data that has been prepared and certified by Minnesota Life Insurance Company (the custodian of the Plan) as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$12,087,065 and \$13,769,344 at December 31, 2022 and 2021, respectively, and related losses of \$2,340,528, which consists of depreciation in the fair value of investments for the year ending December 31, 2022.

**Note 5 - Fair Value Measurements**

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2     Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the assets or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3     Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Pooled separate accounts:* Valued at the fair market value of the units held by the plan at year end based on the fair value of underlying mutual funds and other securities, adjusted for re-invested dividends and administrative charges and sales and service fees.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 5 - Fair Value Measurements, (Continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

|                            | <u>Assets at Fair Value as of December 31, 2022</u> |                |                |               |

| Pooled separate accounts   | \$ 0                                                | \$ 12,087,065  | \$ 0           | \$ 12,087,065 |
| Total assets at fair value | \$ 0                                                | \$ 12,087,065  | \$ 0           | \$ 12,087,065 |

|                            | <u>Assets at Fair Value as of December 31, 2021</u> |                |                |               |
|----------------------------|-----------------------------------------------------|----------------|----------------|---------------|
|                            | <u>Level 1</u>                                      | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>  |
| Pooled separate accounts   | \$ 0                                                | \$ 13,769,344  | \$ 0           | \$ 13,769,344 |
| Total assets at fair value | \$ 0                                                | \$ 13,769,344  | \$ 0           | \$ 13,769,344 |

The Plan's policy is to recognize transfers into and out of levels as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2022 and 2021, there were no significant transfers into or out of levels 1, 2, or 3.

**Note 6 - Tax Status**

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan is in compliance with the applicable requirements of the Internal Revenue code. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

**Note 7 - Related Party and Parties-In-Interest Transactions**

Parties-in-interest include fiduciaries of the Plan, any person who provides services to the Plan, the employer, and certain other parties. Transactions during the year with parties-in-interest included the following:

The Company provided certain accounting, administrative, and investment management services to the Plan for which no fees are charged. The custodian held the Plan's investments and provided investment advisory and recordkeeping services to the Plan. The record-keeper and custodian charged administrative fees in the amount of \$35,093 and \$12,643 for 2022 and 2021, respectively.

**401(k) PLAN**

**Notes to Financial Statements**

**December 31, 2022 and 2021**

**Note 8 - Contingencies, Risks and Uncertainties**

The Plan invests in a variety of investment securities. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Plan sponsor failed to timely remit participant contributions as disclosed in Schedule H, line 4a – Schedule of Delinquent Participant Contributions. An estimate of the potential effects of any gain or loss contingencies to the Plan as a result of this prohibited transaction has not been included in the Plan's financial statements.

**Note 9 - COVID-19 Pandemic**

In March 2020, the World Health Organization characterized the spread of the novel coronavirus (COVID-19) as a global pandemic. Multiple jurisdictions in the U.S. have declared a state of emergency, which caused business disruptions in numerous industries. The impacts of the virus are expected to continue for some time, and its impact on the Plan and its operations are unknown.

**Note 10 - Reconciliation of Financial Statements to Federal Form 5500**
