INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Parker McCay, P.A. Savings Plan
9000 Midlantic Drive, Suite 300
P.O. Box 5054
Mount Laurel, NJ 08054

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Parker McCay, P.A. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Parker McCay, P.A. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Parker McCay, P.A. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Parker McCay, P.A. Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Parker McCay, P.A. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Parker McCay, P.A. Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PARKER McCAY, P.A. SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1: DESCRIPTION OF PLAN

The following description of the Parker McCay, P.A. ("Company") Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which was established on October 15, 1992. The Plan covers all employees who are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may elect to defer a portion of their compensation up to the maximum allowable amount. Discretionary matching contributions equal to a percentage of each participant's deferred compensation may be made by the Company. The exact percentage is determined each year by the Company. The employer match was 50% of deferred compensation for 2022 and 2021. Additional amounts may be contributed at the option of the Company. The Company's aggregate contributions for 2022 and 2021 were \$631,278 and \$541,528, respectively. Contributions are subject to certain IRS limitations. With the consent of the Administrator, participants may also contribute amounts representing distributions from other qualified plans.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct their contributions in various investment options.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall not exceed five years except for loans used to acquire a principal residence which may be repaid over a reasonable period of time. The loans are secured by the participant's account under the Plan and bear interest at prevailing rates. Interest rates range from 3.25% to 7.00%. Principal and interest is paid ratably through payroll deductions.

Note 1: DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits and Withdrawals

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or payments over a certain period in monthly, quarterly, semiannual, or annual cash installments. For termination of service due to other reasons, a participant whose vested benefit does not exceed \$5,000, will receive the benefit in a single lump-sum or a rollover to a qualified plan. If the vested benefit exceeds \$5,000, the participant may elect to receive cash installments. Hardship distributions are permitted under certain circumstances as outlined in the Plan document.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$35,073 and \$59,401, respectively. These accounts will be used to reduce future employer contributions or to pay plan expenses. In 2022 and 2021, employer contributions were reduced by \$75,000 and \$60,000, respectively, from forfeited nonvested accounts. In both 2022 and 2021 forfeitures were used to pay plan expenses of \$0.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting, except for distributions paid to participants which are presented on the cash basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the stable value fund which is valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

In accordance with the policy of stating investments at fair value, net appreciation (depreciation) as reflected in the statement of changes in net assets available for Plan benefits represents realized and unrealized gains (losses) for investments bought, sold and held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan. No allowances for credit losses have been recorded as of December 31, 2022 and 2021.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Cash

Cash consists of moneys deposited with the trustee in short term investment funds.

Expenses

Certain expenses of maintaining the Plan may be paid directly by the Company and may be excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

Subsequent Events

The plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

Note 3: INVESTMENTS, NOTES RECEIVABLE AND CERTIFICATION

The Plan's investments and notes receivable from participants are held by Newport Trust Company and are certified to as complete and accurate by the trustee. The following table presents investments.

Note 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
 - If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

PARKER McCAY, P.A. SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

Note 4: FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total Investments, excluding Stable Value Fund at Contract Value	<u>\$ 30,418,345</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,418,345</u>

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies, at Fair Value	<u>\$ 38,625,805</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 38,625,805</u>
Total Investments, excluding Stable Value Fund at Contract Value	<u>\$ 38,625,805</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 38,625,805</u>

Note 5: INVESTMENT WITH INSURANCE COMPANY

The Plan has an investment contract (Stable Value Fund) with Reliance Trust. The funds are maintained by the insurance companies in a common collective unit trust. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The stable value fund is included in the financial statements at the contract value reported by the insurance companies. The stable value fund issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan. At December 31, 2022 and 2021, the contract value was \$1,595,341 and \$1,209,227, respectively.

Because the stable value is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the stable value fund. The stable value fund is presented on the face of the Statements of Net Assets Available for Benefits at contract value in arriving at net assets available for benefits. Contract value, as reported to the plan by the insurance companies, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

PARKER McCAY, P.A. SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

Note 5: INVESTMENT WITH INSURANCE COMPANY (CONTINUED)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator does not believe that any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

Average Yields:

	<u>2022</u>	<u>2021</u>
Based on actual earnings	-13.23%	1.78%
Based on interest rate credited to participants	2.64%	2.10%

Note 6: PLAN ADMINISTRATION COSTS

In 2022 and 2021 administrative expenses incurred and paid by the plan were \$99,647 and \$115,093, respectively.

Note 7: RELATED PARTY TRANSACTIONS

Certain plan investments are shares of various financial institutions. The various financial institutions are custodians of Plan assets. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transactions rules.

Note 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all contributions will be discontinued and all Plan participants will become fully vested in their accounts.

Note 9: TAX STATUS

The Internal Revenue Service has determined and informed the prototype sponsor by a letter dated June 30, 2020, that the prototype Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

PARKER McCAY, P.A. SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

Note 9: TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and or Department of Labor. The Plan is subject to routine audits by the Internal Revenue Service and or Department of Labor, however there are currently no audits for any periods in progress.

Note 10: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balance and the amounts reported in the statement of net assets available for benefits.

Note 11: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Schedule H of Form 5500:
