INDEPENDENT AUDITOR'S REPORT

**To the Trustees of
Tegra Medical 401(k) Retirement Plan
Franklin, Massachusetts**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tegra Medical 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 14, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period January 1, 2022 through March 14, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tegra Medical 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 14, 2022 and December 31, 2021, and for the period from January 1, 2022 to March 14, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tegra Medical 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As further discussed in Note 1 of the financial statements, on March 14, 2022, all Plan assets were transferred into the SFS Group USA, Inc. 401(k) Plan.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tegra Medical 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tegra Medical 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tegra Medical 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

TEGRA MEDICAL 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 14, 2022 and the Year Ended December 31, 2021

NOTE 1 - PLAN DESCRIPTION

The following description of Tegra Medical 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Plan Merger

On February 2, 2022, an amendment was approved to merge the Plan into the SFS Group USA, Inc. 401(k) Plan. All participants in the Plan were credited for their years of service and followed vesting rules discussed in Note 1. Upon merger, all participants' account balances transferred into the SFS Group USA, Inc. 401(k) Plan. The Plan received contributions through February 2022, and an aggregate of \$34,769,374 transferred out of the Plan on March 14, 2022, which are included in the transfer to SFS Group USA, Inc. 401(k) Plan on the statement of changes in net assets available for benefits. The following provisions described in the description of the Plan were in effect prior to the Plan merger.

General

The Plan was a defined contribution plan covering all eligible employees of Tegra-CTW Medical Holdings, LLC and its subsidiaries, Tegra Medical, LLC and Tegra Medical (MS), LLC (collectively, the "Company"). The Plan was amended on January 1, 2016 to state that employees could enroll in the Plan on the first day of the month following the employee's employment date with the Company, as defined in the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees were responsible for oversight of the Plan and the appropriateness of the Plans investment offerings and monitored investment performance.

Contributions

Participants could elect to contribute a percentage of their annual pre-tax compensation, as defined by the Plan and limited by the Internal Revenue Service Code (the "Code"). Participants who had attained age 50 before the end of the plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants directed the investment of their contributions into various investment options offered by the Plan. The Plan required a matching contribution of 50% of the first 4% of compensation contributed by eligible employees as defined by the Plan. The Company made this matching contribution subsequent to the plan year directly to SFS Group USA, Inc. 401(k) Plan for those eligible participants. In addition, the Company could elect to make a profit sharing contribution. The Company did not make a profit sharing contribution for the period ended March 14, 2022. Contributions were subject to certain IRS limitations.

Participant Accounts

Each participant's account was credited with the participant's contribution plus the Company matching contribution and plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions as defined in the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

TEGRA MEDICAL 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 14, 2022 and the Year Ended December 31, 2021

NOTE 1 - PLAN DESCRIPTION - CONTINUED

Vesting

Participants were immediately vested in their voluntary salary deferral contributions and rollover contributions, plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts plus actual earnings thereon was based on years of credited service. A participant was 100% vested after four years of credited service for both the Company's matching contribution and the Company's profit sharing contribution, if any.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, a participant or beneficiary could elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allowed for distributions in certain other circumstances, as defined in the Plan.

Forfeiture

Forfeitures resulted from the non-vested employer contributions by participants who terminated their employment or who withdrew from the Plan. Forfeitures were retained by the Plan and used first to pay administrative expenses, and then reduced future Company matching contributions. At March 14, 2022 and December 31, 2021, there were \$0 and \$37,980, respectively, in forfeited, non-vested amounts available for future use. No forfeitures were used by the Plan during 2022 and 2021. Forfeitures of \$39,351 were part of the transfer to SFS Group USA, Inc. 401(k) Plan as of March 14, 2022.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America required management to make estimates and assumptions that affected the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determined the Plan's valuation policies utilizing information provided by the investment advisor. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 14, 2022 and the Year Ended December 31, 2021

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS were recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 14, 2022.

Payment of Benefits

Benefits were recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan were paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company were excluded from these financial statements. Investment related expenses were included in net depreciation of fair value of investments.

Subsequent Event

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 4, 2023, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices to active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TEGRA MEDICAL 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 14, 2022 and the Year Ended December 31, 2021

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 14, 2022 and December 31, 2021.

Money market funds: Value approximated fair value due to short-term of this investment.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish net asset value (NAV) and to transact at that price. These funds held by the Plan were deemed to be actively traded.

There were no investments held as of March 14, 2022, due to the Plan merger, as described in Note 1. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total assets in the fair value hierarchy:				
Mutual funds	\$ 40,318,129	\$ -	\$ -	\$ 40,318,129
Money market funds	<u>678,843</u>	<u>-</u>	<u>-</u>	<u>678,843</u>

TEGRA MEDICAL 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 14, 2022 and the Year Ended December 31, 2021

NOTE 4 - INVESTMENT CONCENTRATIONS

The Plan held certain investments that represented 10% or more of the Plan's total investments at December 31, 2021:

	<u>2021</u>
Mutual Funds:	
American Funds AMCAP Fund	\$ 10,146,847
American Funds EuroPacific Growth Fund	4,604,914
American Funds Fundamental Investors Fund	9,304,092
PIMCO Total Return Fund	4,527,382

There were no investments as of March 14, 2022.

NOTE 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid fees to the asset trustee, investment advisor, third party administrator, and record keeper thereby qualifying as parties-in-interest. Fees paid to these parties of the Plan were \$2,200 for the period ended March 14, 2022. Therefore, these transactions qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

The Company had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. See Note 1 for discussion of the plan merger that resulted in the transfer of all plan assets into the SFS Group USA, Inc. 401(k) Plan on March 14, 2022.

NOTE 7 - TAX STATUS

On March 31, 2014, Sungard Business Systems LLC Volume Submitter Profit Sharing Plan with CODA received a favorable determination letter in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

TEGRA MEDICAL 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

For the Period Ended March 14, 2022 and the Year Ended December 31, 2021

NOTE 7 - TAX STATUS - CONTINUED

Accounting principles generally accepted in the United States of America required management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan was subject to routine audits by taxing jurisdictions; however, there were no audits for any tax periods in progress.

NOTE 8 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements including investments held at March 14, 2022 and December 31, 2021, and net depreciation in fair value of investments, interest, and dividends for the period from January 1, 2022 to March 14, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, Inc. (an agent for Ascensus Trust Company, the trustee of the Plan).

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities were previously exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least possible that changes in the value of investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
