Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Imperial Distributors, Inc. 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended March 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2023 and 2022 and for the year ended March 31, 2023, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of March 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IMPERIAL DISTRIBUTORS, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2023 and 2022

1. Description of Plan

The following description of the Imperial Distributors, Inc. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan was originally established June 28, 1971. The Plan was restated effective April 1, 2021.

General

The Plan is a defined contribution plan covering eligible employees of Imperial Distributors, Inc. (the Plan Sponsor or Company). The Plan Administrator and the Plan's trustees are officers of the Company. Empower Retirement, LLC (Empower) provides administrative services to the Plan and the custodian of the Plan is Empower Trust Company, LLC, (ETC) formerly known as Great-West Trust Company, LLC (GWTC). The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the Code) and the *Employee Retirement Income Security Act of 1974* (ERISA).

Eligibility

An employee is eligible to participate in the Plan when the employee completes three months of service and attains the age of sixteen. Once eligible, an employee can enter the Plan on the first day of the next month.

Participant Contributions

Participants may elect to contribute, on a pre-tax basis, whole percentages or whole dollar amounts of their compensation, subject to certain limitations under the Code. Participants may change the amounts they have elected to contribute on the first day of any month. Participants who attain age 50 by calendar year-end can, subject to certain limitations of the Code, also make catch-up contributions.

Employer Contributions

The Company may make a discretionary matching contribution. For the year ended March 31, 2023, the Company approved a discretionary matching contribution of an amount equal to 30% of participant contributions up to 5% of eligible compensation, as defined. To be eligible for discretionary matching contributions in a given Plan year, a participant must complete 1,000 hours of service in the plan year and be an employee of the Company on the last day of the plan year. The Company may also make discretionary profit sharing contributions. For the year ended March 31, 2023, the Company made no discretionary profit sharing contributions.

Rollover Contributions

With the approval of the Plan Administrator, the Plan may receive any amounts received by a participant as a distribution from another qualified plan, provided that the receipt of such amounts does not adversely affect the qualified tax status of the Plan. Participants are fully vested in these amounts.

NOTES TO FINANCIAL STATEMENTS

March 31, 2023 and 2022

1. Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer's contributions and an allocation of the Plan's earnings or losses. The allocation is based on account balances and the returns on investments elected by each participant. The benefits to which a participant is entitled are those that can be provided from the vested balances in the participant's account.

Vesting

Participant contributions and any earnings thereon are 100% vested upon contribution. Vesting in any employer discretionary matching and profit sharing contributions is based upon years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0-1	0%
2	20
3	40
4	60
5	80
6	100

A year of service is defined as 1,000 hours worked in a given plan year. For any participant who terminates at or after the age of sixty or as a result of death or disability, the entire balance in the participant's account becomes 100% vested.

Forfeitures

Participants who leave the Company forfeit the nonvested portion of their account balances. These forfeited amounts are used towards funding the employer matching contributions or paying administrative expenses of the Plan. The balance of unallocated forfeitures as of March 31, 2023 and 2022 was \$13,151 and \$10,406, respectively. Subsequent to each Plan year-end, the Plan used forfeitures totaling \$13,151 and \$10,406 to reduce the employer contributions receivable at March 31, 2023 and 2022, respectively.

Investment Elections

Each participant shall direct the investment of his or her own individual account and may select from several mutual funds and a common/collective trust.

NOTES TO FINANCIAL STATEMENTS

March 31, 2023 and 2022

1. **Description of Plan (Continued)**

Notes Receivable from Participants

The Plan allows loans to eligible participants, subject to certain statutory limits. Participants may borrow up to the lesser of \$50,000 or 50% of the vested portion of their account balances, subject to certain restrictions specified in the Plan. Loans bear interest at a rate similar to those rates charged by commercial lenders, as established by the Plan Administrator at the time of each loan, and are repayable within a period of 5 years unless the loan is for the purchase of the principal residence of the borrower, in which case the term may be up to 10 years. Loans are collateralized by the respective participant's remaining account balance. The interest rate on outstanding loans at March 31, 2023 ranged from 3.25% to 7.50% with various maturities through February 2028.

Payment of Benefits

Withdrawals may be made from a participant's account upon attaining age 59 ½, death, disability or upon termination of employment. If a participant terminates service, the entire vested amount in his or her account may be distributed or rolled over as directed by the participant. Participants may also be entitled to a hardship withdrawal as determined in accordance with the Plan's provisions. The Plan was amended effective January 1, 2022 to allow for qualified birth or adoption distributions, as defined.

Administrative Expenses

Administrative expenses related to recordkeeping are paid by the Plan. Investment related expenses are included in net depreciation in fair value of investments. Remaining expenses are paid directly by the Plan Sponsor.

2. **Summary of Significant Accounting Policies**

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, as described in note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

IMPERIAL DISTRIBUTORS, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2023 and 2022

2. Summary of Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded when earned. Dividends are recorded on the ex-dividend date. In the statement of changes in net assets available for benefits, the Plan presents the net depreciation in the fair value of investments, which consists of realized gains or losses and the unrealized appreciation/depreciation on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of March 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default as defined in the plan document, a benefit payment is recorded and the participant loan is reduced.

Income Taxes

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

3. Investments

The following, included throughout the Plan's financial statements and supplemental schedule, is a summary of the Plan's asset information as of March 31, 2023 and 2022 and for the year ended March 31, 2023, that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The information as of March 31, 2023 and 2022 and for the year ended March 31, 2023 was certified by Empower Trust Company, LLC (formerly Great-West Trust Company, LLC). The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate to the best of their knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following assets:

	<u>2023</u>	<u>2022</u>
Investments, at fair value:		
Mutual funds	\$14,500,456	\$17,241,894
Common/collective trust	<u>1,245,743</u>	<u>1,147,409</u>

IMPERIAL DISTRIBUTORS, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2023 and 2022

3. **Investments (Continued)**

The custodians also certified, to the best of their knowledge, to the accuracy and completeness of \$2,005,103 of net depreciation in fair value of investments, \$747,201 of interest and dividends, and \$18,160 of interest income on notes receivable from participants related to the aforementioned assets for the year ended March 31, 2023.

4. **Fair Value Measurements**

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2023 and 2022.

Mutual funds: Mutual funds are valued at quoted market prices. These securities are categorized as Level 1 as they are actively traded and no valuation adjustments have been applied.

Common/collective trust: Investments in the Invesco Stable Value Trust (Invesco) are stated at fair value using the net asset value (NAV) per share practical expedient.

IMPERIAL DISTRIBUTORS, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2023 and 2022

4. Fair Value Measurements (Continued)

Life insurance contracts: Life insurance contracts are valued at the cash surrender value, which approximates fair value. As these inputs are significant and not observable, insurance contracts are categorized as Level 3.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The following tables present for each hierarchy level, the Plan's assets that are measured at fair value as of March 31, 2023 and 2022:

	Total Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>2023</u>				
Mutual funds	\$14,500,456	\$14,500,456	\$ —	\$ —
Common/collective trust (a)	1,245,743	—	—	—
Life insurance contracts	<u>20,103</u>	<u>—</u>	<u>—</u>	<u>20,103</u>
Total investments	<u>\$15,766,302</u>	<u>\$14,500,456</u>	<u>\$ —</u>	<u>\$20,103</u>
<u>2022</u>				
Mutual funds	\$17,241,894	\$17,241,894	\$ —	\$ —
Common/collective trust (a)	1,147,409	—	—	—
Life insurance contracts	<u>19,455</u>	<u>—</u>	<u>—</u>	<u>19,455</u>
Total investments	<u>\$18,408,758</u>	<u>\$17,241,894</u>	<u>\$ —</u>	<u>\$19,455</u>

- (a) Certain investments that are measured at fair value using the NAV per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

March 31, 2023 and 2022

4. Fair Value Measurement (Continued)

The following table presents a summary of the changes in fair value of the Plan's Level 3 assets for the year ended March 31, 2023:

	<u>Life Insurance Contracts</u>
Balance as of March 31, 2022	\$ 19,455
Increase in cash surrender value	<u>648</u>
Balance as of March 31, 2023	<u>\$ 20,103</u>

During the year ended March 31, 2023, increase in cash surrender value of \$648 on the Plan's Level 3 investments was included within net depreciation in the accompanying statement of changes in net assets available for benefits.

The following tables set forth disclosure of the Plan's investments using the NAV per share practical expedient as of March 31, 2023 and 2022:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
<u>2023</u>				
Common/collective trust:				
Invesco Stable Value Trust	\$ <u>1,245,743</u>	\$ <u>—</u>	Daily (b)	12 months (b)

<u>2022</u>				
Common/collective trust:				
Invesco Stable Value Trust	\$ <u>1,147,409</u>	\$ <u>—</u>	Daily (b)	12 months (b)

(b) In general, Invesco will permit withdrawals on a daily basis for withdrawals that satisfy benefit payments to individual participants or their beneficiaries. Withdrawals that affect the partial or complete withdrawal of the Plan from Invesco may be delayed by Invesco at its sole discretion for up to twelve months from the date written notice is received by Invesco.

5. Cash Value of Life Insurance

The trustees of the Plan previously invested in life insurance policies for those participants who were permitted to elect such policies as an investment option. Although life insurance is no longer offered as an investment option, the Plan provides for the continuation of previously purchased policies.

IMPERIAL DISTRIBUTORS, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

March 31, 2023 and 2022

6. Tax Status

The Plan, through its adoption of a non-standardized pre-approved profit sharing plan, has obtained a copy of an opinion letter issued to the Angell Pension Group Inc. from the Internal Revenue Service, dated June 30, 2020, stating that the non-standardized pre-approved profit sharing plan is qualified under Section 401(a) of the Code. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. Plan Termination

While it has not expressed any intention to do so, the Company has the right to terminate the Plan, subject to the provisions of ERISA. In the event that the Plan is terminated, the trustees of the Plan will distribute the assets of the Plan to individuals having an interest in the Plan. Upon plan termination, participants become 100% vested in all account balances. Distributions will be made to participants in proportion to the amounts credited to their respective accounts after payment of all expenses and the proportional adjustments of their accounts to reflect plan profits and losses as of the date of termination.

8. Party-in-Interest Transactions

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Plan paid administrative expenses totaling \$1,480 to Empower for the year ended March 31, 2023. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rule under ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemics or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near future and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$16,182,134	\$18,804,477
Deemed distributed loans reported on Form 5500	<u>(24,867)</u>	<u>(13,396)</u>

10. Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of the differences between the financial statements and the Form 5500 for the year ended March 31, 2023:

Net decrease in net assets available for benefits per the financial statements	\$ (2,622,343)
Change in deemed distributed loans	<u>(11,471)</u>
Net decrease in net assets available for benefits per Form 5500	\$ <u>(2,633,814)</u>

11. Subsequent Events

Events occurring after the date of the statements of net assets available for benefits are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. Management has evaluated subsequent events through October 26, 2023, which is the date the financial statements were available to be issued.

Effective September 1, 2023, the Plan changed recordkeeper and custodian to Transamerica Retirement Solutions LLC. A summary of the significant changes made to the Plan as a result of this change are as follows:

- Roth deferrals are allowed;
- Plan eligibility requirements were changed to 18 years of age and 6 months of service; and
- Auto-enrollment was implemented for new employees at a rate of 3%, unless an employee opts out.
