**Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)**

**11a** If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

**11b** Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

**11c** Enter the Receipt Confirmation Code for the 2022 Form M-1 annual report. If the plan was not required to file the 2022 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

**Part I Service Provider Information (continued)**

**3.** If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

| (a) Enter service provider name as it appears on line 2             | (b) Service Codes<br>(see instructions)                                                                                                                            | (c) Enter amount of indirect compensation |
|---------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------|
|                                                                     |                                                                                                                                                                    |                                           |
| (d) Enter name and EIN (address) of source of indirect compensation | (e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation. |                                           |
|                                                                     |                                                                                                                                                                    |                                           |
| (a) Enter service provider name as it appears on line 2             | (b) Service Codes<br>(see instructions)                                                                                                                            | (c) Enter amount of indirect compensation |

| (2) From this plan .....                                                                        | 2l(2)  |            | 0         |

**Part III Accountant's Opinion**

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: PRICEWATERHOUSECOPPERS LLP

(2) EIN: 13-4008324

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.) .....

## **Report of Independent Auditors**

To the Administrator of Herrick Technology Laboratories Retirement Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of Herrick Technology Laboratories Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedules Required by ERISA***

Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 ("supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

### December 31, 2022 and 2021

---

#### 1. Description of the Plan

The following description of the Herrick Technology Laboratories Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

##### **General**

The Plan was adopted by Herrick Tech Labs predecessor to Herrick Technology Laboratories, Inc. (the “Company” or the “Sponsor”) effective January 1, 2001, to provide tax-deferred savings to eligible employees of the Company.

The Plan is a single employer defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers substantially all full-time employees of Herrick Technology Laboratories, Inc., excluding those covered by a collective bargaining agreement, leased employees (e.g., interns), and nonresident aliens who don’t receive United States sourced income. The Plan is funded by employer contributions and participant elective contributions.

The Chairman of the Company’s Board of Directors is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Investment Committee of the Board of Directors.

##### **Eligibility**

Participants have the ability to make elective contributions on the first day of the month following employment. Participants have the ability to establish rollover accounts as soon as administratively practicable following employment.

##### **Contributions**

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan document. Such contributions are subject to an annual Internal Revenue Code (“IRC”) limitation, which was \$20,500 in 2022 and \$19,500 in 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Such catch-up contributions are subject to an annual IRC limitation, which was \$6,500 for 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts.

The Sponsor makes a safe harbor nonelective contribution of 3% of eligible compensation to accounts of all eligible participants. The Sponsor may make discretionary matching contributions in an amount not to exceed 4% of a participant’s eligible compensation. The Plan Sponsor may also make additional discretionary nonelective contributions using a social security based integrated allocation formula. For the year ended December 31, 2022, there were no discretionary matching or discretionary nonelective contributions.

##### **Participant Accounts**

Each participant’s account is credited with the participant’s contributions and the Sponsor’s safe harbor nonelective contributions and discretionary contributions, if any, and allocations of investment earnings and losses, and charged with an allocation of administrative expenses that are paid by the Plan. Participants direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. The Plan offers participants a self-directed brokerage account option and a variety of mutual funds and common collective trusts. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

# **Herrick Technology Laboratories Retirement Plan**

## **Notes to Financial Statements**

### **December 31, 2022 and 2021**

---

#### **Payment of Benefits**

Upon retirement, death, termination, or disability, a participant or his or her beneficiary is entitled to receive a payment equal to the value of the participant's vested account balance. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments.

#### **Vesting**

Participants are immediately vested in elective, rollover contributions, and the Sponsor's contributions plus actual earnings thereon within their accounts.

#### **Notes Receivable From Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of (i) 50% of the vested balance of participant's account, determined on the day of the loan minus the balance of all other loans from the Plan, and from all other qualified plans of the Company outstanding on that date, or (ii) \$50,000 minus the highest outstanding principal balance of loans from the Plan to the participant during the period of one year ending on the day preceding the origination of the loan being requested. Loan terms range up to five years or over a reasonable period of time for the purchase of a participant's primary residence, as established by the Plan Administrator at the time of the loans. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates on the date a loan is taken as determined by the Plan Administrator. As of December 31, 2022, the interest rates ranged from 3.25% to 5.50%, and the loans have various maturity dates from 2023 through 2027. Principal and interest are paid ratably through payroll deductions.

## **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### **Investment Valuation and Income Recognition**

All investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net depreciation in the fair value of its investments. Net depreciation consists of the realized gains or losses and the unrealized appreciation and/or depreciation on those investments.

# **Herrick Technology Laboratories Retirement Plan**

## **Notes to Financial Statements**

### **December 31, 2022 and 2021**

---

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan.

#### **Contributions**

Contributions from Plan participants and the Sponsor are recorded in the year in which the underlying compensation is earned. Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

#### **Risks and Uncertainties**

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market values of investments may decline for a number of reasons, including changes in prevailing market and interest rates, increases in defaults and credit rating downgrades. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

#### **Administrative Expenses**

Certain administrative expenses of the Plan are paid by the Sponsor as provided in the Plan agreement and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping and advisory fees paid by the Plan. Investment related expenses are included in net depreciation in fair value of investments.

#### **Payment of Benefits**

Benefit payments to participants are recorded when paid.

### **3. Information Certified by the Plan's Trustee**

The Plan administrator has elected the method of reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly investments, at fair value, as well as notes receivable from participants as of December 31, 2022 and 2021 and the dividends, interest and net depreciation in the fair value of the investments and the interest income on notes receivable from participants for the year ended December 31, 2022 as presented in the financial statements, notes to financial statements and supplemental schedule of assets (held at end of year), have been derived from data certified by Fidelity Management Trust Company, the trustee, as accurate and complete.

#### 4. Fair Value Measurements

The FASB established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2      Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

##### **Registered Investment Companies (Mutual Funds)**

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

##### **Self-Directed Brokerage Accounts (BrokerageLink)**

Accounts primarily consist of mutual funds and common stocks that are valued based on readily determinable market prices.

##### **Common Collective Trusts**

Valued at the NAV of units of a bank collective trust. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

December 31, 2022 and 2021

reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no outstanding commitments related to the common collective trusts at December 31, 2022 or 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| Description                      | Assets at Fair Value at December 31, 2022 |             |             |                      |
|----------------------------------|-------------------------------------------|-------------|-------------|----------------------|
|                                  | Level 1                                   | Level 2     | Level 3     | Total                |

| Registered investment companies  | \$ 21,830,890                             | \$ -        | \$ -        | \$ 21,830,890        |
| Self-directed brokerage accounts | 1,244,770                                 | -           | -           | 1,244,770            |
|                                  | 23,075,660                                | -           | -           | 23,075,660           |
| Common Collective Trust (1)      |                                           |             |             | 965,466              |
|                                  | <u>\$ 23,075,660</u>                      | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 24,041,126</u> |

- (1) In accordance with ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the year ended December 31, 2022, there were no transfers in or out of Levels 1, 2 or 3.

## Notes to Financial Statements

December 31, 2022 and 2021

### Fair Value Measurements of the Investments in Certain Entities that Calculate Net Asset Value per Share

Reporting entities are permitted, as a practical expedient, to measure the fair value of an investment on the basis of the NAV per share of the investment if the NAV is calculated in a manner consistent with measurement principles. The following table presents the fair value of investments calculated on the basis of NAV per share as of December 31, 2022 and 2021:

|                                  | 2022       | 2021       | Redemption<br>Frequency             | Trade to<br>Settlement Terms<br>(if currently eligible) |
|----------------------------------|------------|------------|-------------------------------------|---------------------------------------------------------|
| Common Collective Trusts (1 - 4) | \$ 936,199 | \$ 965,466 | Daily, pending market<br>conditions | 1 - 3 days                                              |

As of December 31, 2022, the Plan held investments in the following common collective trusts ("CCT"):

- (1) Wilmington Trust Collective Investment Trust flexPATH Single Box Mid Cap Growth Fund: This CCT invests in mid cap investments. This fund has daily liquidity and is subject to redemption restrictions when such redemptions are in excess of \$1 million or 10% of the assets invested in this CCT.
- (2) Wilmington Trust Collective Investment Trust flexPATH Single Box Large Cap Value Fund: This CCT invests in large cap investments. This fund has daily liquidity and is subject to redemption restrictions when such redemptions are in excess of \$1 million or 10% of the assets invested in this CCT.
- (3) Wilmington Trust Collective Investment Trust flexPATH Single Box Core Plus Bond Fund: This CCT invests in bonds. This fund has daily liquidity and is subject to redemption restrictions when such redemptions are in excess of \$1 million or 10% of the assets invested in this CCT.
- (4) Putnam Stable Value Fund: This CCT invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions, as well as security-backed investment contracts. Redemptions are permitted daily unless the fund does not have sufficient liquidity to meet the request, in which case the Trust may defer honoring the request until sufficient liquidity is obtained.

## 5. Federal Income Tax Status

Effective April 14, 2015, the Plan adopted a volume submitter profit sharing/401(k) plan sponsored by Fidelity Management and Research Company. The volume submitter plan has received an opinion letter dated June 30, 2020, from the IRS as to the volume submitter plan's qualified status. The opinion letter has been relied upon by this Plan. The Plan Administrator and ERISA Counsel believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions of the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

### December 31, 2022 and 2021

---

The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

#### 6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, each participant would receive 100% of their vested account balances.

#### 7. Related Party and Party-in-Interest Transactions

Fidelity Management Trust Company is the trustee of the Plan; therefore, transactions with the trustee qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity totaled \$42,320 for the year ended December 31, 2022. The Plan also paid \$10,000 to another service provider for investment advisory services for the year ended December 31, 2022. The Sponsor paid certain administrative expenses of the Plan that are not included in these financial statements.

#### 8. Nonexempt Prohibited Transactions

During 2022, the Sponsor failed to deposit participant deferrals within the required timeframe as stated by Department of Labor ("DOL") regulations. These delinquent participant deferrals, along with reimbursement for lost earnings associated with the late deposits, were made during 2022.

The Plan received an inquiry letter from the DOL dated March 27, 2023, requesting information regarding Plan operations and to investigate remittances of participant deferrals for the period 2019 to present. The Plan administrator and ERISA counsel do not believe that there will be a penalty assessed to the Plan that is material to the Plan's financial statements.

#### 9. Reconciliation of Financial Statements to Form 5500

A reconciliation of net assets available for benefits as reported in the financial statements to the Form 5500 at December 31, 2022 and 2021, are as follows:

|                                                                | December 31   |               |
|----------------------------------------------------------------|---------------|---------------|
|                                                                | 2022          | 2021          |
| Net assets available for benefits per the financial statements | \$ 22,348,374 | \$ 24,988,160 |
| Contributions receivable, current year                         | (782,429)     | (766,847)     |
| Net assets per the Form 5500                                   | \$ 21,565,945 | \$ 24,221,313 |

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

December 31, 2022 and 2021

---

The following is a reconciliation of the net decrease per the financial statements to net loss per the Form 5500 for the year ended December 31, 2022:

|                                                                                |                       |
|--------------------------------------------------------------------------------|-----------------------|
| Net decrease in net assets available for benefits per the financial statements | \$ (2,639,786)        |
| Contributions receivable, current year                                         | (782,429)             |
| Contributions receivable, prior year                                           | <u>776,847</u>        |
| Net income (loss) per the Form 5500                                            | <u>\$ (2,645,368)</u> |

### 10. Subsequent Events

For purposes of these financial statements, subsequent events were evaluated through October 23, 2023, the date of issuance of the financial statements. There were no subsequent events requiring disclosures during the period then ended.

## **Report of Independent Auditors**

To the Administrator of Herrick Technology Laboratories Retirement Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of Herrick Technology Laboratories Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedules Required by ERISA***

Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 ("supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

### December 31, 2022 and 2021

---

#### 1. Description of the Plan

The following description of the Herrick Technology Laboratories Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

##### **General**

The Plan was adopted by Herrick Tech Labs predecessor to Herrick Technology Laboratories, Inc. (the “Company” or the “Sponsor”) effective January 1, 2001, to provide tax-deferred savings to eligible employees of the Company.

The Plan is a single employer defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers substantially all full-time employees of Herrick Technology Laboratories, Inc., excluding those covered by a collective bargaining agreement, leased employees (e.g., interns), and nonresident aliens who don’t receive United States sourced income. The Plan is funded by employer contributions and participant elective contributions.

The Chairman of the Company’s Board of Directors is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Investment Committee of the Board of Directors.

##### **Eligibility**

Participants have the ability to make elective contributions on the first day of the month following employment. Participants have the ability to establish rollover accounts as soon as administratively practicable following employment.

##### **Contributions**

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan document. Such contributions are subject to an annual Internal Revenue Code (“IRC”) limitation, which was \$20,500 in 2022 and \$19,500 in 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Such catch-up contributions are subject to an annual IRC limitation, which was \$6,500 for 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts.

The Sponsor makes a safe harbor nonelective contribution of 3% of eligible compensation to accounts of all eligible participants. The Sponsor may make discretionary matching contributions in an amount not to exceed 4% of a participant’s eligible compensation. The Plan Sponsor may also make additional discretionary nonelective contributions using a social security based integrated allocation formula. For the year ended December 31, 2022, there were no discretionary matching or discretionary nonelective contributions.

##### **Participant Accounts**

Each participant’s account is credited with the participant’s contributions and the Sponsor’s safe harbor nonelective contributions and discretionary contributions, if any, and allocations of investment earnings and losses, and charged with an allocation of administrative expenses that are paid by the Plan. Participants direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. The Plan offers participants a self-directed brokerage account option and a variety of mutual funds and common collective trusts. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

# **Herrick Technology Laboratories Retirement Plan**

## **Notes to Financial Statements**

### **December 31, 2022 and 2021**

---

#### **Payment of Benefits**

Upon retirement, death, termination, or disability, a participant or his or her beneficiary is entitled to receive a payment equal to the value of the participant's vested account balance. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments.

#### **Vesting**

Participants are immediately vested in elective, rollover contributions, and the Sponsor's contributions plus actual earnings thereon within their accounts.

#### **Notes Receivable From Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of (i) 50% of the vested balance of participant's account, determined on the day of the loan minus the balance of all other loans from the Plan, and from all other qualified plans of the Company outstanding on that date, or (ii) \$50,000 minus the highest outstanding principal balance of loans from the Plan to the participant during the period of one year ending on the day preceding the origination of the loan being requested. Loan terms range up to five years or over a reasonable period of time for the purchase of a participant's primary residence, as established by the Plan Administrator at the time of the loans. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates on the date a loan is taken as determined by the Plan Administrator. As of December 31, 2022, the interest rates ranged from 3.25% to 5.50%, and the loans have various maturity dates from 2023 through 2027. Principal and interest are paid ratably through payroll deductions.

## **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### **Investment Valuation and Income Recognition**

All investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net depreciation in the fair value of its investments. Net depreciation consists of the realized gains or losses and the unrealized appreciation and/or depreciation on those investments.

# **Herrick Technology Laboratories Retirement Plan**

## **Notes to Financial Statements**

### **December 31, 2022 and 2021**

---

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan.

#### **Contributions**

Contributions from Plan participants and the Sponsor are recorded in the year in which the underlying compensation is earned. Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

#### **Risks and Uncertainties**

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market values of investments may decline for a number of reasons, including changes in prevailing market and interest rates, increases in defaults and credit rating downgrades. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

#### **Administrative Expenses**

Certain administrative expenses of the Plan are paid by the Sponsor as provided in the Plan agreement and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping and advisory fees paid by the Plan. Investment related expenses are included in net depreciation in fair value of investments.

#### **Payment of Benefits**

Benefit payments to participants are recorded when paid.

### **3. Information Certified by the Plan's Trustee**

The Plan administrator has elected the method of reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly investments, at fair value, as well as notes receivable from participants as of December 31, 2022 and 2021 and the dividends, interest and net depreciation in the fair value of the investments and the interest income on notes receivable from participants for the year ended December 31, 2022 as presented in the financial statements, notes to financial statements and supplemental schedule of assets (held at end of year), have been derived from data certified by Fidelity Management Trust Company, the trustee, as accurate and complete.

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

### December 31, 2022 and 2021

---

#### 4. Fair Value Measurements

The FASB established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2      Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

##### **Registered Investment Companies (Mutual Funds)**

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

##### **Self-Directed Brokerage Accounts (BrokerageLink)**

Accounts primarily consist of mutual funds and common stocks that are valued based on readily determinable market prices.

##### **Common Collective Trusts**

Valued at the NAV of units of a bank collective trust. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

December 31, 2022 and 2021

reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no outstanding commitments related to the common collective trusts at December 31, 2022 or 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| Description                      | Assets at Fair Value at December 31, 2022 |             |             |                      |
|----------------------------------|-------------------------------------------|-------------|-------------|----------------------|
|                                  | Level 1                                   | Level 2     | Level 3     | Total                |
| Registered investment companies  | \$ 19,422,284                             | \$ -        | \$ -        | \$ 19,422,284        |

|----------------------------------|-------------------------------------------|-------------|-------------|----------------------|
|                                  | Level 1                                   | Level 2     | Level 3     | Total                |
| Registered investment companies  | \$ 21,830,890                             | \$ -        | \$ -        | \$ 21,830,890        |
| Self-directed brokerage accounts | 1,244,770                                 | -           | -           | 1,244,770            |
|                                  | 23,075,660                                | -           | -           | 23,075,660           |
| Common Collective Trust (1)      |                                           |             |             | 965,466              |
|                                  | <u>\$ 23,075,660</u>                      | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 24,041,126</u> |

- (1) In accordance with ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the year ended December 31, 2022, there were no transfers in or out of Levels 1, 2 or 3.

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

December 31, 2022 and 2021

### Fair Value Measurements of the Investments in Certain Entities that Calculate Net Asset Value per Share

Reporting entities are permitted, as a practical expedient, to measure the fair value of an investment on the basis of the NAV per share of the investment if the NAV is calculated in a manner consistent with measurement principles. The following table presents the fair value of investments calculated on the basis of NAV per share as of December 31, 2022 and 2021:

|                                  | 2022       | 2021       | Redemption<br>Frequency             | Trade to<br>Settlement Terms<br>(if currently eligible) |
|----------------------------------|------------|------------|-------------------------------------|---------------------------------------------------------|
| Common Collective Trusts (1 - 4) | \$ 936,199 | \$ 965,466 | Daily, pending market<br>conditions | 1 - 3 days                                              |

As of December 31, 2022, the Plan held investments in the following common collective trusts ("CCT"):

- (1) Wilmington Trust Collective Investment Trust flexPATH Single Box Mid Cap Growth Fund: This CCT invests in mid cap investments. This fund has daily liquidity and is subject to redemption restrictions when such redemptions are in excess of \$1 million or 10% of the assets invested in this CCT.
- (2) Wilmington Trust Collective Investment Trust flexPATH Single Box Large Cap Value Fund: This CCT invests in large cap investments. This fund has daily liquidity and is subject to redemption restrictions when such redemptions are in excess of \$1 million or 10% of the assets invested in this CCT.
- (3) Wilmington Trust Collective Investment Trust flexPATH Single Box Core Plus Bond Fund: This CCT invests in bonds. This fund has daily liquidity and is subject to redemption restrictions when such redemptions are in excess of \$1 million or 10% of the assets invested in this CCT.
- (4) Putnam Stable Value Fund: This CCT invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions, as well as security-backed investment contracts. Redemptions are permitted daily unless the fund does not have sufficient liquidity to meet the request, in which case the Trust may defer honoring the request until sufficient liquidity is obtained.

## 5. Federal Income Tax Status

Effective April 14, 2015, the Plan adopted a volume submitter profit sharing/401(k) plan sponsored by Fidelity Management and Research Company. The volume submitter plan has received an opinion letter dated June 30, 2020, from the IRS as to the volume submitter plan's qualified status. The opinion letter has been relied upon by this Plan. The Plan Administrator and ERISA Counsel believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions of the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

### December 31, 2022 and 2021

---

The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

#### 6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, each participant would receive 100% of their vested account balances.

#### 7. Related Party and Party-in-Interest Transactions

Fidelity Management Trust Company is the trustee of the Plan; therefore, transactions with the trustee qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity totaled \$42,320 for the year ended December 31, 2022. The Plan also paid \$10,000 to another service provider for investment advisory services for the year ended December 31, 2022. The Sponsor paid certain administrative expenses of the Plan that are not included in these financial statements.

#### 8. Nonexempt Prohibited Transactions

During 2022, the Sponsor failed to deposit participant deferrals within the required timeframe as stated by Department of Labor ("DOL") regulations. These delinquent participant deferrals, along with reimbursement for lost earnings associated with the late deposits, were made during 2022.

The Plan received an inquiry letter from the DOL dated March 27, 2023, requesting information regarding Plan operations and to investigate remittances of participant deferrals for the period 2019 to present. The Plan administrator and ERISA counsel do not believe that there will be a penalty assessed to the Plan that is material to the Plan's financial statements.

#### 9. Reconciliation of Financial Statements to Form 5500

A reconciliation of net assets available for benefits as reported in the financial statements to the Form 5500 at December 31, 2022 and 2021, are as follows:

|                                                                | December 31          |                      |
|----------------------------------------------------------------|----------------------|----------------------|
|                                                                | 2022                 | 2021                 |
| Net assets available for benefits per the financial statements | \$ 22,348,374        | \$ 24,988,160        |
| Contributions receivable, current year                         | (782,429)            | (766,847)            |
| Net assets per the Form 5500                                   | <u>\$ 21,565,945</u> | <u>\$ 24,221,313</u> |

## Notes to Financial Statements

December 31, 2022 and 2021

---

The following is a reconciliation of the net decrease per the financial statements to net loss per the Form 5500 for the year ended December 31, 2022:

|                                                                                |                       |
|--------------------------------------------------------------------------------|-----------------------|
| Net decrease in net assets available for benefits per the financial statements | \$ (2,639,786)        |
| Contributions receivable, current year                                         | (782,429)             |
| Contributions receivable, prior year                                           | <u>776,847</u>        |
| Net income (loss) per the Form 5500                                            | <u>\$ (2,645,368)</u> |

### 10. Subsequent Events

For purposes of these financial statements, subsequent events were evaluated through October 23, 2023, the date of issuance of the financial statements. There were no subsequent events requiring disclosures during the period then ended.

## **Report of Independent Auditors**

To the Administrator of Herrick Technology Laboratories Retirement Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of Herrick Technology Laboratories Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedules Required by ERISA***

Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 ("supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

### December 31, 2022 and 2021

---

#### 1. Description of the Plan

The following description of the Herrick Technology Laboratories Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

##### **General**

The Plan was adopted by Herrick Tech Labs predecessor to Herrick Technology Laboratories, Inc. (the “Company” or the “Sponsor”) effective January 1, 2001, to provide tax-deferred savings to eligible employees of the Company.

The Plan is a single employer defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers substantially all full-time employees of Herrick Technology Laboratories, Inc., excluding those covered by a collective bargaining agreement, leased employees (e.g., interns), and nonresident aliens who don’t receive United States sourced income. The Plan is funded by employer contributions and participant elective contributions.

The Chairman of the Company’s Board of Directors is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Investment Committee of the Board of Directors.

##### **Eligibility**

Participants have the ability to make elective contributions on the first day of the month following employment. Participants have the ability to establish rollover accounts as soon as administratively practicable following employment.

##### **Contributions**

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan document. Such contributions are subject to an annual Internal Revenue Code (“IRC”) limitation, which was \$20,500 in 2022 and \$19,500 in 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Such catch-up contributions are subject to an annual IRC limitation, which was \$6,500 for 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts.

The Sponsor makes a safe harbor nonelective contribution of 3% of eligible compensation to accounts of all eligible participants. The Sponsor may make discretionary matching contributions in an amount not to exceed 4% of a participant’s eligible compensation. The Plan Sponsor may also make additional discretionary nonelective contributions using a social security based integrated allocation formula. For the year ended December 31, 2022, there were no discretionary matching or discretionary nonelective contributions.

##### **Participant Accounts**

Each participant’s account is credited with the participant’s contributions and the Sponsor’s safe harbor nonelective contributions and discretionary contributions, if any, and allocations of investment earnings and losses, and charged with an allocation of administrative expenses that are paid by the Plan. Participants direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. The Plan offers participants a self-directed brokerage account option and a variety of mutual funds and common collective trusts. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

# **Herrick Technology Laboratories Retirement Plan**

## **Notes to Financial Statements**

### **December 31, 2022 and 2021**

---

#### **Payment of Benefits**

Upon retirement, death, termination, or disability, a participant or his or her beneficiary is entitled to receive a payment equal to the value of the participant's vested account balance. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments.

#### **Vesting**

Participants are immediately vested in elective, rollover contributions, and the Sponsor's contributions plus actual earnings thereon within their accounts.

#### **Notes Receivable From Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of (i) 50% of the vested balance of participant's account, determined on the day of the loan minus the balance of all other loans from the Plan, and from all other qualified plans of the Company outstanding on that date, or (ii) \$50,000 minus the highest outstanding principal balance of loans from the Plan to the participant during the period of one year ending on the day preceding the origination of the loan being requested. Loan terms range up to five years or over a reasonable period of time for the purchase of a participant's primary residence, as established by the Plan Administrator at the time of the loans. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates on the date a loan is taken as determined by the Plan Administrator. As of December 31, 2022, the interest rates ranged from 3.25% to 5.50%, and the loans have various maturity dates from 2023 through 2027. Principal and interest are paid ratably through payroll deductions.

## **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### **Investment Valuation and Income Recognition**

All investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net depreciation in the fair value of its investments. Net depreciation consists of the realized gains or losses and the unrealized appreciation and/or depreciation on those investments.

# **Herrick Technology Laboratories Retirement Plan**

## **Notes to Financial Statements**

### **December 31, 2022 and 2021**

---

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan.

#### **Contributions**

Contributions from Plan participants and the Sponsor are recorded in the year in which the underlying compensation is earned. Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

#### **Risks and Uncertainties**

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market values of investments may decline for a number of reasons, including changes in prevailing market and interest rates, increases in defaults and credit rating downgrades. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

#### **Administrative Expenses**

Certain administrative expenses of the Plan are paid by the Sponsor as provided in the Plan agreement and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping and advisory fees paid by the Plan. Investment related expenses are included in net depreciation in fair value of investments.

#### **Payment of Benefits**

Benefit payments to participants are recorded when paid.

### **3. Information Certified by the Plan's Trustee**

The Plan administrator has elected the method of reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly investments, at fair value, as well as notes receivable from participants as of December 31, 2022 and 2021 and the dividends, interest and net depreciation in the fair value of the investments and the interest income on notes receivable from participants for the year ended December 31, 2022 as presented in the financial statements, notes to financial statements and supplemental schedule of assets (held at end of year), have been derived from data certified by Fidelity Management Trust Company, the trustee, as accurate and complete.

---

#### 4. Fair Value Measurements

The FASB established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2      Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

##### **Registered Investment Companies (Mutual Funds)**

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

##### **Self-Directed Brokerage Accounts (BrokerageLink)**

Accounts primarily consist of mutual funds and common stocks that are valued based on readily determinable market prices.

##### **Common Collective Trusts**

Valued at the NAV of units of a bank collective trust. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

December 31, 2022 and 2021

reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no outstanding commitments related to the common collective trusts at December 31, 2022 or 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| Description                      | Assets at Fair Value at December 31, 2022 |             |             |                      |
|----------------------------------|-------------------------------------------|-------------|-------------|----------------------|
|                                  | Level 1                                   | Level 2     | Level 3     | Total                |

| Registered investment companies  | \$ 21,830,890                             | \$ -        | \$ -        | \$ 21,830,890        |
| Self-directed brokerage accounts | 1,244,770                                 | -           | -           | 1,244,770            |
|                                  | 23,075,660                                | -           | -           | 23,075,660           |
| Common Collective Trust (1)      |                                           |             |             | 965,466              |
|                                  | <u>\$ 23,075,660</u>                      | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 24,041,126</u> |

- (1) In accordance with ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the year ended December 31, 2022, there were no transfers in or out of Levels 1, 2 or 3.

## Notes to Financial Statements

December 31, 2022 and 2021

### Fair Value Measurements of the Investments in Certain Entities that Calculate Net Asset Value per Share

Reporting entities are permitted, as a practical expedient, to measure the fair value of an investment on the basis of the NAV per share of the investment if the NAV is calculated in a manner consistent with measurement principles. The following table presents the fair value of investments calculated on the basis of NAV per share as of December 31, 2022 and 2021:

|                                  | 2022       | 2021       | Redemption<br>Frequency          | Trade to<br>Settlement Terms<br>(if currently eligible) |
|----------------------------------|------------|------------|----------------------------------|---------------------------------------------------------|
| Common Collective Trusts (1 - 4) | \$ 936,199 | \$ 965,466 | Daily, pending market conditions | 1 - 3 days                                              |

As of December 31, 2022, the Plan held investments in the following common collective trusts ("CCT"):

- (1) Wilmington Trust Collective Investment Trust flexPATH Single Box Mid Cap Growth Fund: This CCT invests in mid cap investments. This fund has daily liquidity and is subject to redemption restrictions when such redemptions are in excess of \$1 million or 10% of the assets invested in this CCT.
- (2) Wilmington Trust Collective Investment Trust flexPATH Single Box Large Cap Value Fund: This CCT invests in large cap investments. This fund has daily liquidity and is subject to redemption restrictions when such redemptions are in excess of \$1 million or 10% of the assets invested in this CCT.
- (3) Wilmington Trust Collective Investment Trust flexPATH Single Box Core Plus Bond Fund: This CCT invests in bonds. This fund has daily liquidity and is subject to redemption restrictions when such redemptions are in excess of \$1 million or 10% of the assets invested in this CCT.
- (4) Putnam Stable Value Fund: This CCT invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions, as well as security-backed investment contracts. Redemptions are permitted daily unless the fund does not have sufficient liquidity to meet the request, in which case the Trust may defer honoring the request until sufficient liquidity is obtained.

## 5. Federal Income Tax Status

Effective April 14, 2015, the Plan adopted a volume submitter profit sharing/401(k) plan sponsored by Fidelity Management and Research Company. The volume submitter plan has received an opinion letter dated June 30, 2020, from the IRS as to the volume submitter plan's qualified status. The opinion letter has been relied upon by this Plan. The Plan Administrator and ERISA Counsel believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions of the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

### December 31, 2022 and 2021

---

The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

#### 6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, each participant would receive 100% of their vested account balances.

#### 7. Related Party and Party-in-Interest Transactions

Fidelity Management Trust Company is the trustee of the Plan; therefore, transactions with the trustee qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity totaled \$42,320 for the year ended December 31, 2022. The Plan also paid \$10,000 to another service provider for investment advisory services for the year ended December 31, 2022. The Sponsor paid certain administrative expenses of the Plan that are not included in these financial statements.

#### 8. Nonexempt Prohibited Transactions

During 2022, the Sponsor failed to deposit participant deferrals within the required timeframe as stated by Department of Labor ("DOL") regulations. These delinquent participant deferrals, along with reimbursement for lost earnings associated with the late deposits, were made during 2022.

The Plan received an inquiry letter from the DOL dated March 27, 2023, requesting information regarding Plan operations and to investigate remittances of participant deferrals for the period 2019 to present. The Plan administrator and ERISA counsel do not believe that there will be a penalty assessed to the Plan that is material to the Plan's financial statements.

#### 9. Reconciliation of Financial Statements to Form 5500

A reconciliation of net assets available for benefits as reported in the financial statements to the Form 5500 at December 31, 2022 and 2021, are as follows:

|                                                                | December 31   |               |
|----------------------------------------------------------------|---------------|---------------|
|                                                                | 2022          | 2021          |
| Net assets available for benefits per the financial statements | \$ 22,348,374 | \$ 24,988,160 |
| Contributions receivable, current year                         | (782,429)     | (766,847)     |
| Net assets per the Form 5500                                   | \$ 21,565,945 | \$ 24,221,313 |

# Herrick Technology Laboratories Retirement Plan

## Notes to Financial Statements

December 31, 2022 and 2021

---

The following is a reconciliation of the net decrease per the financial statements to net loss per the Form 5500 for the year ended December 31, 2022:

|                                                                                |                       |
|--------------------------------------------------------------------------------|-----------------------|
| Net decrease in net assets available for benefits per the financial statements | \$ (2,639,786)        |
| Contributions receivable, current year                                         | (782,429)             |
| Contributions receivable, prior year                                           | <u>776,847</u>        |
| Net income (loss) per the Form 5500                                            | <u>\$ (2,645,368)</u> |

### 10. Subsequent Events

For purposes of these financial statements, subsequent events were evaluated through October 23, 2023, the date of issuance of the financial statements. There were no subsequent events requiring disclosures during the period then ended.

Plan Name: Herrick Technology Laboratories Retirement Plan

Plan Year Ending: December 31, 2022

### Form 5500, Schedule H, Item 3

#### Reasonable Cause for Failure to Attach Accountant's Opinion

For the 2022 plan year, Herrick Technology Laboratories, Inc. has not had sufficient time to complete the audit of Herrick Technology Laboratories Retirement Plan. The audit is still in process and is expected to be completed as soon as feasibly possible. Once the audit has been completed, an amended Form 5500 for the plan year ending December 31, 2022 will be filed.

Herrick Technology Laboratories, Inc. respectfully requests that any penalties that could apply to the failure to attach an audit report at this time be abated.
