## Independent Auditor's Report

To the Plan Administrator  
Claro Healthcare 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the financial statements of Claro Healthcare 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of April 12, 2023 and December 31, 2022 (in liquidation) and as of December 31, 2021 (ongoing) and the related statement of changes in net assets available for benefits in liquidation for the period from January 1, 2023 through April 12, 2023 and year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Claro Healthcare 401(k) Plan 2022 and 2023 liquidation basis financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of April 12, 2023; December 31, 2022; and December 31, 2021 and for the period ended April 12, 2023 and year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator  
Claro Healthcare 401(k) Plan

***Emphasis of Matter***

As discussed in Note 1 to the financial statements, the plan sponsor of Claro Healthcare 401(k) Plan terminated the Plan effective October 16, 2022 and determined that liquidation is imminent. As a result, the Plan changed its basis of accounting for periods subsequent to December 31, 2021 from the going concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 and 2023 financial statements. Our opinion is not modified with respect to this matter.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

***Auditor's Responsibilities for the Audits of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Supplemental Schedule Required by ERISA***

The supplemental schedule of assets held (in liquidation) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule in liquidation, other than the information in the supplemental schedule in liquidation that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule in liquidation related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

April 12, 2023 and December 31, 2022 and 2021

### Note 1 – Plan Description

The following description of Claro Healthcare LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan covering all employees of Claro Healthcare, LLC (the "Company") who are age 21 or older. A participant enters the Plan on the first day of each year and the first day of the 4th, 7th, and 10th months of each year after attaining eligibility. A participant is eligible for nonelective employer contributions on the first day of each year and the first day of the 7th month of each year after attaining one year with 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### ***Plan Termination***

The Company, the Plan sponsor, approved the termination of the Plan effective October 16, 2022. Accordingly, the descriptions below are provisions of the Plan prior to termination. The Plan did not file an application for termination with the Internal Revenue Service. Subsequent to October 16, 2022, no contributions or new loans were allowed into or out of the Plan. Participants were immediately 100% vested and the Plan began the distribution process. Participant balances were distributed to participant IRA accounts or the participant's current employer's plan. All balances were distributed by April 12, 2023. The below provisions were in effect prior to the termination.

#### ***Contributions***

The Plan provides for employee salary deferral contributions on a pretax or after-tax basis up to a maximum of 75 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan provides for discretionary employer matching contributions of up to 4 percent of compensation. During 2022 prior to the election to terminate the Plan and for the years ended December 31, 2021, the Company elected to make matching contributions of 100 percent of the participant's contribution, not to exceed 3 percent of the employee's deferred compensation.

The Company may also make discretionary safe harbor nonelective employer contributions to participants who meet the Plan's eligibility requirements and have completed one year of service, as defined by the Plan. For the year ended December 31, 2022 or period ended April 12, 2023, the Company did not elect to make discretionary nonelective safe harbor employer contributions equal to 3 percent of eligible compensation.

## Notes to Financial Statements

---

April 12, 2023 and December 31, 2022 and 2021

### Note 1 – Plan Description (Continued)

The Company may also elect to make a discretionary nonelective profit-sharing contribution to participants who meet the Plan's eligibility requirements and have completed one year of service, as defined by the Plan. For the years ended December 31, 2022 and 2021, the Company elected to make a nonelective profit-sharing contribution to the Plan of \$282,639 and \$203,568, respectively. The Company made no such contributions for the period ending April 12, 2023 due to the plan termination.

#### ***Participant Notes Receivable***

Participants may borrow from their accounts a minimum of \$1,000 up to the maximum amount, which is the lesser of one-half of participants' vested account balances or \$50,000 reduced by the highest outstanding loan balance during the prior 12-month period. Notes receivable are collateralized by the participant's account balance and bear interest at a market rate.

#### ***Participant Accounts***

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

#### ***Vesting***

Participants are immediately 100 percent vested in employee salary, rollover, and employer safe harbor nonelective contributions plus any income or loss thereon. Participants who were previously employed by The Claro Group, LLC are 100 percent vested in all contributions from The Claro Group, LLC 401(k) Profit Sharing Plan and Trust II. Upon the Company's election to terminate the plan, all participants became 100 percent vested in their account balances. Prior to this election the Company's discretionary employer matching contributions and discretionary nonelective profit sharing contributions, plus actual earnings thereon, vested according to the following schedules:

#### **Benefit Payments**

On termination of service due to death, disability, or retirement, a participant (or the participant's beneficiary in the case of death) may elect to receive either a lump-sum amount or installment payments equal to the vested balance of a participant's account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service distributions from a participant's account are available to employees, as defined by the Plan.

Participants may request that all or a portion of their deferral contribution portion of their account balances be distributed in the case of financial hardship, as defined in the plan document.

### Note 1 – Plan Description (Continued)

#### *Forfeitures*

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions or to pay administrative expenses of the Plan.

#### *Party-in-interest Transactions*

Certain plan assets are in investment funds managed by Fidelity Management Trust Company or its affiliates. Fidelity Management Trust Company is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

### Note 2 – Summary of Significant Accounting Policies

#### *Basis of Accounting*

As discussed above, the Plan Sponsor terminated the Plan effective October 16, 2022. As a result, the Plan changed its basis of accounting for the periods subsequent to December 31, 2021 from the ongoing- basis to the liquidation basis.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

#### *Investment Valuation and Income Recognition*

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

#### *Participant Notes Receivable*

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

#### *Benefit Payments*

Benefits are recorded when paid.

#### *Administrative Expenses*

Various administrative costs are paid by the Company.

April 12, 2023 and December 31, 2022 and 2021

### Note 2 – Summary of Significant Accounting Policies (Continued)

#### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

#### *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

#### *Subsequent Events*

The financial statements and related disclosures include evaluation of events up through and including October 2, 2023, which is the date the financial statements were available to be issued.

### Note 3 – Certified Information

Fidelity Management Trust Company (the "Trustee") holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at December 31, 2022 are based solely on information certified by the Trustee.

### Note 4 – Tax Status

The Plan is a nonstandardized preapproved profit-sharing plan with CODA. The nonstandardized preapproved profit-sharing plan has received a favorable opinion letter from the Internal Revenue Service (IRS) indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

April 12, 2023 and December 31, 2022 and 2021

### Note 5 – Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

#### ***Level 1***

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

#### ***Level 2***

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

#### ***Level 3***

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following valuation methodologies have been used to value the Plan's investments:

#### ***Mutual Funds***

Mutual funds are valued at quoted prices reported in active markets.

#### ***Money Market Fund***

Money market fund is valued at quoted prices reported in active markets.

#### ***Common Collective Trust Fund***

The common collective trust fund is valued at net asset value per share (NAV) or its equivalent of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on these investments.

The Plan held no assets at April 12, 2023.
