INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
403(b) Thrift Plan of Community Counseling Center of Ashtabula County

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 403(b) Thrift Plan of Community Counseling Center of Ashtabula County, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended June 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan of Community Counseling Center of Ashtabula County's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2022 and 2021 and for the year ended June 30, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan of Community Counseling Center of Ashtabula County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Community Counseling Center of Ashtabula County's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan of Community Counseling Center of Ashtabula County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Community Counseling Center of Ashtabula County's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets Held at June 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN

The following brief description of the 403(b) Thrift Plan of Community Counseling Center of Ashtabula County (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Community Counseling Center of Ashtabula County (the "Company"). The Plan was established effective July 1, 2008 as a profit sharing plan with a cash or deferred arrangement qualified under section 403(b) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participation Requirements

Employee are immediately eligible for elective deferral contributions. Employees are eligible to receive employer matching contributions upon the completion of 12 months of service (1,000 hours) and the attainment of age 21.

Contributions – Employee Salary Deferrals

The Plan allows participants to make voluntary contributions to the Plan, by entering into a salary reduction agreement with the Company for up to 100% of their pre-tax or after-tax annual compensation, as defined, subject to the maximum permitted by the Internal Revenue Service (IRS). The Plan also allows participants who have attained age 50 before the end of the plan year to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan with a default deferral rate set at 2% of eligible compensation, unless they affirmatively elect not to participate. Deferral contributions for each active participant having automatic enrollment contributions made shall be automatically increased as soon as administratively feasible on or after July 1 by 1% up to a maximum automatic deferral contribution of 7% of the participant's compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Contributions - Employer

The Organization shall match employee contributions to the Plan in an amount equal to 100% of the participants' elective deferral contributions, which are not in excess of 7% of the participants' eligible compensation. All contributions are subject to the limitations imposed under Internal Revenue Code (IRC) Section 404(a)(3)(A). Participants direct the investment of their contributions into various investment options offered by the Plan.

Funding Policy

The employer shall, within the time period and manner permitted by the Internal Revenue Code, remit to the custodian an amount equal to the sum of the elective deferral contributions and the employer contributions.

403(b) Thrift Plan of Community Counseling Center of Ashtabula County
NOTES TO FINANCIAL STATEMENTS (Continued)

A. DESCRIPTION OF PLAN (Continued)

Participants' Accounts

Each participant's account consists of the contribution made on his/her behalf by the Company, his employee elective deferral contributions, his employee rollover contributions, and his share of investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment of Contributions

Participant contributions and employer contributions are invested by the Plan's custodian as directed by each participant, in one or more of the Plan's investment options, which are stated separately in the accompanying supplemental schedule. Earnings, interest, and dividends received from investments in each fund are allocated to participants' accounts based on the participants' account balance in relation to the entire fund balance and are reinvested in the fund.

Vesting

Participants are vested immediately in their contributions and any earnings thereon. For employer matching contributions, participants are 100 percent vested after completing three years of service.

Payment of Benefits

Upon termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum distribution. If the participant's account balance is between \$1,000 and \$5,000, the plan administrator may direct the custodian to make an automatic rollover of the account balance to a qualified individual retirement account if the participant has not designated an account. If the participant's account balance is less than \$1,000, the plan administrator may direct the custodian to make a lump sum distribution. Participants terminated for reasons other than death, disability, or retirement, are entitled to receive their benefits as soon as administratively feasible. Distributions of a participant's 403(b) account balance may be authorized at any time by the plan administrator under certain hardship conditions.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures are utilized to pay administrative expenses, reduce future employer contributions, or to increase supplemental employer contributions. For the years ended June 30, 2022 and 2021, employer contributions were reduced by \$14,594 and \$7,600, respectively, from forfeited non-vested accounts.

A. DESCRIPTION OF PLAN (Continued)

Investment Elections

Each participant may direct their salary reduction contributions and Company contributions to be invested in one or more of the various investment fund options offered under the Plan. The custodian of the Plan is Mutual of America Life Insurance Company. The Plan currently offers guaranteed interest investments and mutual funds as options for participants.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant would have a non-forfeitable right to his or her total account balance as of the date of termination.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements and supplemental schedules are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments

All of the Plan's assets were held in trust by the Plan's custodian, Mutual of America Life Insurance Company. The Plan's interest in the collective trust is based on the contract value of the collective trusts' underlying investments as based on information reported by the investment advisor using the audited financial statements of the collective trust at year end. Mutual funds are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year-end. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation or depreciation in the fair market value of its investments which consists of any realized gains or losses and any unrealized appreciation or depreciation on those investments.

Administrative Expenses

Certain expenses incurred in connection with the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits.

403(b) Thrift Plan of Community Counseling Center of Ashtabula County
NOTES TO FINANCIAL STATEMENTS (Continued)

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan's investments include investments in mutual funds with varying degrees of risk, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits at the dates of the financial statements and the reported amounts of changes in net assets available for plan benefits during the reporting periods. Accordingly, actual results may differ from those estimates.

Benefit Distributions

Benefit distributions are recorded when paid to participants.

C. INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the financial statements and supplemental schedules has been certified to the Plan administrator by the Plan's custodian: statement of net assets available for benefits – investments at fair value and investments at contract value; statement of changes in net assets available for benefits – net depreciation in fair value of investments and interest and dividends; and Schedule H, Line 4i - Schedule of Assets Held at June 30, 2022 – all information. As directed by the Plan administrator, no auditing procedures have been performed on this information except to compare such information to the information included in the accompanying financial statements and the supplemental schedules.

D. INVESTMENT CONTRACT

The Plan has entered into fully benefit-responsive group annuity investment contracts with Mutual of America. Mutual of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

403(b) Thrift Plan of Community Counseling Center of Ashtabula County
NOTES TO FINANCIAL STATEMENTS (Continued)

D. INVESTMENT CONTRACT (Continued)

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. The guaranteed investment contracts are presented on the face of the statement of net assets available for benefits at contract value.

Contract value as reported to the Plan by the custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with the issuers. Such events include the following: amendments to the plan documents (including complete or partial plan termination or merger with another plan), changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, participant communication that is designed to influence participants not to invest in the Fund, plan sponsor withdrawals without the appropriate notice to the Fund and/or issuer, and failure to meet certain tax qualifications. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include; an uncured breach of the Plan's investment guidelines, a material amendment to the contract without the issuer's consent, a violation of a material obligation under the contract, or a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contracts do not permit Mutual of America to terminate the agreement prior to the scheduled maturity date.

E. FAIR VALUE MEASUREMENTS

ASC Topic 820 provides a definition of fair value which focuses on an exit price rather than an entry price, establishes a framework for measuring fair value which emphasizes that fair value is a market-based measurement, not an entity-specific measurement, and requires expanded disclosures about fair value measurements. In accordance with FASB ASC 820-10, the Plan may use valuation techniques consistent with the market, income, and cost approaches to measure fair value. As a basis for considering market participant assumptions in fair value measurements, ASC Topic 820 establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair values. The hierarchy gives the highest priority to Level I measurements and the lowest priority to Level III measurements. The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

403(b) Thrift Plan of Community Counseling Center of Ashtabula County
NOTES TO FINANCIAL STATEMENTS (Continued)

E. FAIR VALUE MEASUREMENTS (Continued)

- Level I: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level II: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- Level III: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual funds: Valued at the net asset value (NAV) of shares held by the plan at year end.

Collective trust fund: The Mutual of America Interest Accumulation Account, held in a collective trust fund, invests in conventional, synthetic and separate account guaranteed investment contracts ("GICs") issued by life insurance companies, banks and other financial institutions. The objective of the account is to provide preservation of capital and relatively stable returns regardless of the volatility of the financial markets. The investments are valued using NAV as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets owned by the fund, minus its liabilities. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are currently no redemption restrictions or unfunded commitments on these investments.

403(b) Thrift Plan of Community Counseling Center of Ashtabula County
NOTES TO FINANCIAL STATEMENTS (Continued)

E. FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022:

	Level I	Level II	Level III	Total
Mutual Funds	\$ 3,695,829	\$ -	\$ -	\$ 3,695,829
Total assets in fair value hierarchy	<u>\$ 3,695,829</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,695,829</u>
Collective Trust Fund **				<u>384,747</u>
Investments at fair value				<u>\$ 4,080,576</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2021:

	Level I	Level II	Level III	Total
Mutual Funds	\$ 4,071,293	\$ -	\$ -	\$ 4,071,293
Total assets in fair value hierarchy	<u>\$ 4,071,293</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,071,293</u>
Collective Trust Fund **				<u>366,739</u>
Investments at fair value				<u>\$ 4,438,032</u>

**The collective investment trust fund is measured using NAV as a practical expedient and is not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statement of net assets available for benefits.

F. FAIR VALUE OF FINANCIAL INSTRUMENTS

Financial instruments are defined as cash, evidence of ownership interest in an entity, or a contract which creates an obligation or right to receive or deliver cash or another financial instrument from/to a second entity on potentially favorable or unfavorable terms. Fair value is defined as the amount at which a financial instrument could be exchanged in a current transaction between willing parties other than in a forced liquidation or sale. If a quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price per trading unit of the instrument.

403(b) Thrift Plan of Community Counseling Center of Ashtabula County
NOTES TO FINANCIAL STATEMENTS (Continued)

F. FAIR VALUE OF FINANCIAL INSTRUMENTS (Continued)

Investments in guaranteed investment contracts and mutual funds would be considered financial instruments. At June 30, 2022 and 2021, the carrying amounts of these financial instruments approximate fair value.

G. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are mutual funds in which Mutual of America Life Insurance Company is the advisor of the funds and custodian to the Plan. Transactions in these investments are allowable party-in-interest transactions under Section 408 of ERISA.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts in the statements of net assets available for benefits.

I. TAX STATUS

Effective July 1, 2020, the Plan is based on a prototype document provided by Mutual of America Life Insurance Company. The Internal Revenue Service ("IRS") ruled on March 31, 2017 that the prototype document is in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and custodian believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS (Continued)

J. SUBSEQUENT EVENTS

The continued spread of the COVID-19 (coronavirus) pandemic is affecting the United States and global economies, has contributed to significant declines and volatility in financial markets, and may affect the Plan's investments. The ultimate impact of the COVID-19 pandemic is highly uncertain and subject to change. The Company does not yet know the full extent of the impact on the Plan; however, these effects could have a material impact on the Plan's financial performance.

Management has evaluated subsequent events through November 1, 2023, the date on which the financial statements were available to be issued.
