INDEPENDENT AUDITORS' REPORT

To The Trustees
Metal Trades, Inc.
401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Metal Trades, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes at end of year and schedule of delinquent participant contributions as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Updated Opinion on the 2021 Financial Statements

In our report dated September 14, 2022 we indicated that we performed an ERISA Section 103(a)(3)(C) audit and disclaimed an opinion on the 2021 financial statements because the Plan lacked sufficient accounting records and supporting documents relating to certain participant account balances that merged into the Plan, and accordingly we were unable to apply auditing procedures sufficient to determine the extent to which the 2021 financial statements may have been affected by those conditions. This condition no longer exists, and accordingly our present opinion on the 2021 financial statements, as presented herein, is different from that expressed in our previous report.

A. Description of Plan

The following description of the Metal Trades, Inc. 401(k) Profit Sharing Plan and Trust ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General. The Plan is a defined contribution and 401(k) plan covering all full-time employees of the Plan Sponsor. Employees become a participant of the Plan upon attaining age twenty-one and completing thirty (30) days of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Contributions. Each year, participants may contribute an individually determined amount of pretax annual compensation up to the maximum amount permitted in the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan has a safe harbor provision (3% of compensation for eligible employees), and a matching provision (100% of an eligible employee's annual deferrals up to 3% of eligible compensation and 50% of annual deferrals on the next 2% of eligible compensation). Additional amounts may be contributed at the option of the Plan Sponsor's Board of Directors. Contributions are subject to certain limitations.
3. Participant Accounts. Each participant's account is credited with the participant's contributions and an allocation of (1) the Plan Sponsor's profit sharing contribution, (2) Plan earnings, (3) the employer's matching of the salary deferral, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Investment Options. Upon enrollment into the Plan, a participant may direct employee and employer contributions in any of sixteen (16) investment options.

See independent auditors' report.

5. Payment of Benefits. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the amount of his or her vested account or annual installments.
6. Vesting. Participants are immediately vested in their contributions and safe harbor contributions plus actual earnings thereon. The previous employer matching and all discretionary contribution portions of their accounts plus actual earnings thereon are vested based on years of continuous service. A participant is one hundred percent (100%) vested upon completion of six (6) years of service. Entitlement to full vesting is also earned upon retirement at age sixty-five (65) or later, termination due to permanent disability, or death.
7. Forfeitures. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$ 0 and \$ 0, respectively. These accounts will be used to reduce administrative expenses and then future employer contributions.

B. Summary of Significant Accounting Policies

1. Date of Management's Review. Subsequent events were evaluated through September 19, 2023, which is the date the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.
2. Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
3. Basis of Accounting. The financial statements of the Plan are prepared under the accrual method of accounting.
4. Operating Expenses. All expenses of maintaining the Plan are paid by the Plan.
5. Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
6. Payment of Benefits. Benefits are recorded when paid.

C. Certified Investments

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting the Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the

See independent auditors' report.

following information certified by the custodians, except for comparing such information certified by the custodians to information included in the Plan's financial statements and supplemental schedule. The custodians for the plan was Matrix Trust Company for 2022 and 2021. Accordingly, the custodians have certified to the completeness and accuracy of the common collective trust, mutual funds, and money market funds, including investments as reflected in the statement of net assets available for benefits, the statement of changes in net assets available for benefits, and the supplemental schedule of assets held for investment purposes at end of year as of December 31, 2022 and 2021. The following is a summary of the investments from participants certified by the custodians as of December 31, 2022 and 2021.

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ 2,960,151.59	\$ 3,549,899.47
Common Collective Trust	\$ 2,328,491.32	\$ 2,163,206.97
Money Market Funds	\$ 0.04	\$ 17.68
Cash and Cash Equivalents	\$ 8,611.52	\$ 352.44

Matrix Trust Company certified to the completeness and accuracy of the interest and dividend income of \$ 85,282.75 and the net depreciation of \$ 673,745.07 for the year ended December 31, 2022.

D. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent (100%) vested in their account balances.

A partial termination occurs if twenty percent (20%) or more of the Plan participants are terminated because of an action taken by the Plan Sponsor. In the event of a partial termination, full vesting is required for the part of the Plan that has been terminated but not for the entire Plan. Therefore, the terminated participants are to be considered fully vested, but the remaining participants' vesting status should continue to be determined according to the Plan provisions.

E. Income Taxes

The Plan utilizes a volume submitter plan document which obtained an Advisory Opinion Letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Form 5500 for the Plan remains open for audit for the 2020, 2021, and 2022 year ends. The company expenses any applicable penalties and interest as paid.

See independent auditors' report.

F. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by the observable market data by correlation or other means;
 - If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Money market funds: Valued at the reported amount on deposit held by the Plan at year end.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. Mutual funds are required to publish their daily NAV and transact at that price. The mutual funds held by the plan are deemed to be actively traded.

Common collective trust: Net asset value (NAV) is used as a practical expedient to estimate fair value. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount differing from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a common trust fund, the investment adviser reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

See independent auditors' report.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
<u>December 31, 2022</u>				
Money Market Funds	\$ 0.04	\$ -	\$ -	\$ 0.04
Mutual Funds	2,960,151.59	-	-	2,960,151.59
Total	<u>\$ 2,960,151.63</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,960,151.63</u>
Common Collective Trust, at net asset value as a practical expedient (a)				<u>2,328,491.32</u>
Total Investments				<u>\$ 5,288,642.95</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
<u>December 31, 2021</u>				
Money Market Funds	\$ 17.68	\$ -	\$ -	\$ 17.68
Mutual Funds	3,549,899.47	-	-	3,549,899.47
Total	<u>\$ 3,549,917.15</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,549,917.15</u>
Common Collective Trust, at net asset value as a practical expedient (a)				<u>2,163,206.97</u>
Total Investments				<u>\$ 5,713,124.12</u>

(a) Certain investments that were measured at net asset value per share or its equivalent have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

Transfers in and out of Level 3 are considered to occur at the beginning of the period. There were no level 3 transfers for the fiscal years ended 2022 and 2021.

G. Fair Value of Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)

The following table sets forth additional disclosures of the Plan for December 31, 2022 and 2021:

See independent auditors' report.

<u>Investment</u>	<u>Fair Value at December 31, 2022</u>	<u>Fair Value at December 31, 2021</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Galliard Stable Return Fund C	\$ 2,328,491.32	\$ 2,163,206.97	-	Daily	(b)

(b) Withdrawals initiated by Plan participants are honored at any time without penalty. If the Plan sponsor were to initiate the withdrawal from the fund, a 12 month written notice of intent to withdraw assets from the fund would be required.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially effect participants' account balances and the amounts reported in the statement of net assets available for benefits.

I. Related-Party Transactions

The Plan Sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. The Plan Sponsor incurs some expenses on behalf of the Plan, which are both individually and collectively immaterial in amount.

South State Advisory, LLC dba South State Retirement Plan Services (SSRPS) serves as the third-party administrator ("TPA") and manages the day-to-day operations for the Plan as well as serving as the Investment Advisor providing fiduciary support to the Plan Sponsor. SSRPS contracts Matrix Trust Company to act as the custodian for the Plan. In addition, SSRPS also provides certain administrative services to the Plan pursuant to a recordkeeping service agreement, and therefore these transactions qualify as exempt party-in-interest transactions. SSRPS may receive revenue from mutual funds service providers for services they provide to the funds. This revenue is credited back directly to the participant accounts to offset any fees charged to the Plan. The Plan paid \$ 34,382.75 and \$ 31,489.56 to SSRPS in 2022 and 2021, respectively.

J. Nonexempt Transactions

During 2022 and 2021, the Plan Sponsor inadvertently failed to deposit \$ 157,609.13 and \$ 77,468.48, respectively, of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL) regulations. The Plan Sponsor reimbursed the Plan for 2022 and 2021 lost interest in the amount of \$ 111.08 and \$ 35.07, respectively. The Plan Sponsor filed Form 5330 and paid the applicable excise tax in 2023 and 2022. The excise tax payments were made from the Plan Sponsor's assets and not from assets of the Plan.

See independent auditors' report.
