INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Mechanix Wear, LLC 401k Retirement Plan
Valencia, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mechanix Wear, LLC 401k Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Mechanix Wear, LLC 401k Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note J to the financial statements, is complete and accurate.

Qualified Opinion

We have audited the accompanying financial statements of Mechanix Wear, LLC 401k Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion section of our report, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of Mechanix Wear, LLC 401k Retirement Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Qualified Opinion

Because of the inadequacy of accounting records for the prior years, we were unable to perform sufficient auditing procedures with respect to the participants' individual account balances accumulated from inception of the plan and therefore are unable to form an opinion regarding the balances at December 31, 2020, or the propriety of the distributions to terminated participants during the year then ended.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mechanix Wear, LLC 401k Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) qualified audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mechanix Wear, LLC 401k Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibility for the Audit of the Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mechanix Wear, LLC 401k Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mechanix Wear, LLC 401k Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Mechanix Wear, LLC 401(k) Retirement Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan established effective January 1, 1998. The Plan covers all eligible employees of Mechanix Wear, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Each year participants may contribute up to the maximum percentage allowable of pretax annual compensation, as defined in the Plan, not to exceed the limits of IRS Code Section 401(k). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers), but no other voluntary contributions are allowed. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds as investment options for participants.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, and allocations of (a) the employer's contributions and (b) Plan earnings. Earnings are allocated by fund based on the ratio of a participant's investment in a particular fund to all participants' investments in that fund. Allocations of Plan earnings are based on participants' account balances. Participants are entitled to the vested portion of their accounts.

HARDSHIP WITHDRAWALS

The Plan does not permit hardship distributions while the participant is employed by the Company.

PARTICIPANT LOANS

Participants may borrow up to 50% of their vested balance with a minimum loan amount of \$1,000, maximum loan amount of \$50,000 and maximum of one loan at a time. The interest rate will be 2% above the prime lending rate at the time of the loan.

INVESTMENT OPTIONS

The Plan invests its assets into participant-directed accounts of John Hancock Financial Company, the Plan trustees, and various other registered investment companies. Participants may direct their elective deferrals to various investment funds. Participants may direct their investments to any of the funds in any increments they choose and may change their investments daily.

MECHANIX WEAR, LLC 401K RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022

NOTE A - DESCRIPTION OF PLAN (continued)

VESTING

Participants are immediately vested in their contributions to the Plan plus actual earnings.

Vesting in the Company's profit sharing contributions is based on an employee's number of years of continuous service. A year of service is defined as at least 1,000 hours of service during a Plan year. A participant vests with each continuous year of service based on the schedule below:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum payment equal to the value of the vested interest in his or her account, annuity payments, or annual installments over a 10 year period. If termination occurs due to other reasons, a participant may receive the value of his or her vested interest as a lump-sum distribution. Distributions are subject to provisions of the Plan agreement. Benefit claims are recorded as expenses when they have been approved for payment and paid by the Plan.

FORFEITURES

Forfeitures of contributions other than matching contributions are first used to pay administrative expenses, then allocated to all participants eligible to share in the allocations in the same proportion that each participant's compensation for the year bears to the compensation of all participants for such year. Forfeitures of matching contributions shall be used to reduce the Company's matching contributions. As of December 31, 2022, forfeitures or earnings used to reduce Company's discretionary contributions totaled \$683, which are included in contributions.

ADMINISTRATIVE EXPENSES

The Plan is responsible for payment of trustee expenses and fees; however, the Company may pay the Plan expenses directly or they can be paid indirectly through Plan investments. For the year ended December 31, 2022, administrative expenses totaled \$18,336, which are included in other expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements have been prepared on the accrual basis of accounting.

MECHANIX WEAR, LLC 401K RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, the changes in net assets available for benefits during the reporting period and, when applicable, disclosure of contingent assets and liabilities as of the date of the financial statements. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION

The Plan's investments are stated at fair value. The fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation/depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold during the year as well as held during the year.

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in various investment securities. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with these investments and the uncertainty related to the changes in their value, it is at least reasonably possible that changes in values in the near term could materially affect participants' account balances and the amounts reported in the accompanying statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE C - CERTIFIED FINANCIAL INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022, and net depreciation in fair value of investments for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock Financial Company.

INVESTMENT PERFORMANCE

During the year ended December 31, 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) decreased by \$1,139,412.

NOTE E - FAIR VALUE MEASUREMENTS

Generally accepted accounting principles require that items recorded at fair market value be valued as level one, two or three based on the various inputs and methodologies used to value the holdings as summarized below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Shares of registered investment companies held by the Plan at year end are valued at quoted market prices in an exchange and active market.

MECHANIX WEAR, LLC 401K RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022

NOTE E - FAIR VALUE MEASUREMENTS (continued)

The methods described above may result in a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>5,297,264</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>5,297,264</u>

The following table sets forth, by level within the fair value hierarchy, the Plan's assets as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>7,377,619</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>7,377,619</u>

NOTE F - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by John Hancock Financial Company. John Hancock Financial Company is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party-in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than by direct payment. The Plan did not make direct payments to John Hancock Financial Company for the year ended December 31, 2022 . The Plan Sponsor pays directly any other fees related to the Plan's operations.

Administrative fees and commissions incurred by the Plan and paid to the custodians for the year ended December 31, 2022 amounted to \$34,679 and are considered as party-in-interest transactions.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan provisions to discontinue its contributions at any time and, to terminate the Plan subject to the provisions of ERISA.

NOTE H - TAX STATUS

The Plan has not applied for or received a determination letter from the Internal Revenue Service. However, the underlying prototype Plan document is intended to meet the requirements of being exempt from federal income taxes. The Plan is required to operate in conformity with the Internal Revenue Code to maintain the tax-exempt status for the Plan participants under Section 401(k). The Company believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

MECHANIX WEAR, LLC 401K RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022

NOTE H - TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by a plan and recognize a tax liability if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.
