Independent Auditor's Report

To the Plan Administrator
Catapult Sports, LLC 401(k) Plan
Wilmington, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Catapult Sports, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, and Form 5500 - Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Catapult Sports, LLC 401(k) Plan

Notes to Financial Statements

1. Plan Description

The following description of the Catapult Sports, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Catapults Sports, Inc. (formerly XOS Technologies, Inc.) (the “Company” or “Employer”), as defined. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective November 15, 2021, the plan sponsor was change from XOS Technologies, Inc. to Catapults Sports, Inc.

Eligibility

Non-leased employees are eligible to participate for purposes of elective deferrals following the date they have attained age 21 and have three months of service. Effective September 28, 2020, the Plan was amended to remove the three month service requirement for participant contributions. Participants are eligible to participate for purposes of employer matching contributions the first day of the quarter following completion of three months of continuous service and attainment of age 21.

Contributions

Employees participating in the Plan may elect to defer up to 90% of pretax annual compensation, as defined in the Plan, up to a certain statutory maximum allowed under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified retirement plans or individual retirement accounts.

The Plan provides for the Employer to make discretionary matching contributions equal to a percentage, as determined annually by the Employer, of the participants’ elective deferrals. For the 2022 and 2021 plan years, the Employer elected to provide a matching contribution of 100% of the participant’s elective deferral up to 2% of compensation, and then 50% from 2% to 6% of compensation. Employer contributions for the years ended December 31, 2022 and 2021 were not received by the Plan before the end of the related plan year, therefore, these contributions are included in employer contributions receivable on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of the participant’s vested account balance. Participants may have a maximum of one loan outstanding at any given time. Interest is charged at a rate of 1.0% plus the prime lending rate. Loans have a maximum term of five years unless the loans were used to purchase a primary residence, in which case the loan term is determined by the plan administrator. The loans

Catapult Sports, LLC 401(k) Plan

Notes to Financial Statements

are collateralized by a security interest in the participant's vested account balance and are repayable via payroll deductions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Plan's earnings and employer contributions, and charged with benefits payments and an allocation of expenses and losses with respect to the investments of the participant's account. Allocations are based on account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically as permitted by the plan sponsor.

Vesting

Participants are immediately vested in elective contributions and earnings thereon. Vested rights to employer matching contributions accrue at a rate of 25% for each of the first two years and become fully vested after the third year. Participants must work a minimum of 1,000 hours during each plan year to earn a year of vesting service. Upon plan termination, participant death or disability, or participant reaching normal retirement age, as defined, employer contributions vest immediately.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the amount of a participant's vested account is less than or equal to \$1,000, and the participant does not direct the Plan to distribute the account, the Plan administrator will pay the distribution as a direct rollover to an individual retirement account designated by the plan administrator. Hardship withdrawals may be requested on pre-tax elective deferrals and vested employer contributions and are paid out in one lump-sum. In-service distributions may be made to participants who have attained age 59½.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Employer, as provided by the plan document. Certain transaction fees for loan issuances and distributions are charged directly to the accounts of the participants who incur those fees. Expenses paid by the Employer are not included in these financial statements.

Forfeitures

Any non-vested amounts remaining after the distribution of a terminated participant's account balance are forfeited. Forfeitures can be used to pay plan administrative expenses and reduce employer contributions. In 2022, the Company used \$19,044 of forfeiture balance to reduce the 2021 employer contributions. In 2021, the Company used \$93,220 of forfeiture balance to reduce

the 2020 employer contributions. Unallocated forfeitures accounts at December 31, 2022 and 2021, were \$3,040 and \$8,392, respectively.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The investments of the Plan are reported at fair value. The fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Shares held in mutual funds traded on national securities exchanges are valued at the net asset value as of December 31, 2022.

The Plan has an investment in a collective trust, specifically the MetLife Stable Value Fund. The MetLife Stable Value Fund invests in investment contracts issued by insurance companies and other financial institutions, fixed income securities, money market funds, and may include derivative instruments such as futures contracts and swap agreements to provide daily liquidity. The MetLife Stable Value Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no unfunded commitments or redemption period and the redemption frequency is daily. The units are measured using the net asset value ("NAV") per share (or its equivalent) as a practical expedient for fair value.

Purchases and sales of the investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expense when they are incurred. Delinquent notes receivable from participants are recorded as distributions based on terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated events and transactions through October 16, 2023, the date the financial statements were available to be issued.

Effective January 2, 2023, the Plan was amended to provide for a 100 % match of eligible contributions up to 4.5% of eligible compensation. Matching employer contributions eligibility service requirement continues to be 3 months.

3. Certified Investments

The plan administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan and qualified institution, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the statements of net assets available for benefits as of December 31, 2022 and 2021, the supplemental schedule, Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity and interest income on notes receivable from participants reflected on the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021. The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

The Plan follows the guidance of Accounting Standards Codification ("ASC") Topic 820, "Fair Value Measurement," which defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability; and |

Catapult Sports, LLC 401(k) Plan

Notes to Financial Statements

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The methods described in Note 2 may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's investment assets at fair value, as of December 31:

<i>December 31, 2022</i>	Level 1		Total
Mutual funds at fair value	\$	12,120,065	\$ 12,120,065
Common collective trust at NAV*			30,383

Total Investments	\$	12,120,065	\$ 12,150,448
--------------------------	-----------	-------------------	----------------------

<i>December 31, 2021</i>	Level 1		Total
Mutual funds at fair value	\$	13,117,335	\$ 13,117,335
Common collective trust at NAV*			8,748

Total Investments	\$	13,117,335	\$ 13,126,083
--------------------------	-----------	-------------------	----------------------

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Catapult Sports, LLC 401(k) Plan

Notes to Financial Statements

ERISA section 412 and related regulations (29 C.F.R. sections 2550.412-1 and 29 C.F.R. Part 2580) require that every fiduciary of an employee benefit plan and every person who handles funds or other property of such a plan shall be bonded. As of December 31, 2021, the Plan's fidelity bond coverage was expired. The plan sponsor obtained a fidelity bond for \$1,200,000 on September 20, 2022.

6. Tax Status

The plan sponsor has obtained an opinion letter dated July 29, 2020, in which the Internal Revenue Service ("IRS") stated that prototype pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since the date of the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Party-in-Interest Transactions

Certain plan investments are funds managed by affiliates of Fidelity Management Trust Company, the Plan's trustee, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

9. Delinquent Participant Contributions

The Company failed to remit certain employee deferrals and loan repayment of \$616, \$70,410, and \$128,917 in 2022, 2021, and 2020, respectively, in a timely manner according to Department of Labor regulations. As a result, these late payments are deemed loans from the Plan to the Company from the date at which the contributions should have been remitted to the date they are actually remitted. All late remittances were subsequently transferred to the Plan. Lost earnings to fully correct the delinquent contributions are expected to be remitted in 2023.
