Choice Home Care 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Choice Home Care 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from Qualified Institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Choice Home Care 401(k) Profit Sharing Plan (the “Plan”) provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally established by Choice Homecare, Inc. (the “Company”) on January 1, 2013 under the provisions of section 401(a) of the Internal Revenue Code (“IRC”), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of the Company’s employees, the employees of Choice Home Healthcare Services, Inc. (“CHHS”), an affiliate. The Plan covers all permanent, part-time and full-time employees of the Company and CHHS. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective January 1, 2021, the Plan was amended and restated to conform the Plan with requirements of the IRC, the American Taxpayer Relief Act of 2012, the Tax Cuts and Jobs Act of 2017 and other applicable guidance.

Plan Administration

The Plan is sponsored by the Company. The trustees, who are officers of the Company, and the Plan’s administrator are responsible for monitoring investments and maintaining the individual participant account balances. Effective April 23, 2022, Empower Retirement, LLC (“Empower”) is the Plan’s custodian. Prior to April 23, 2022, the custodian was Massachusetts Mutual Life Insurance Company (“MassMutual”). Empower and MassMutual are herein referred to as the “Custodians.”

Eligibility

Company and CHHS employees are eligible to participate in the Plan upon attaining the age of 21 and after the completion of at least 1,000 hours of service. Entry dates are the earlier of January 1 or July 1, coinciding with or immediately following the satisfaction of the eligibility requirements.

Contributions

Each participant may elect to contribute a prescribed percentage of his or her compensation to the Plan. For employees who elect to participate, such deferrals shall not exceed the maximum allowed under IRC limitations, up to a maximum amount of \$20,500 for the 2022 Plan year. Participants that are 50 years of age or older who have met the annual IRC deferral limit or the specified Plan limits for deferral may contribute a catch-up deferral of up to \$6,500 for the 2022 Plan year. Participants may also rollover amounts representing distributions from other qualified plans.

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN, continued

All contributions to each participant's account are self-directed by the participant into one or more of the investments offered under the Plan.

Employer Contributions

The Plan requires the Company to make Safe Harbor matching contributions to participants' accounts, as defined by the Plan. The Safe Harbor matching contribution is equal to 100% of the participants' deferral contributions up to 3% of the participants' compensation, plus 50% of up to the next 2% of the participants' compensation. For the year ended December 31, 2022, the Company recorded Safe Harbor matching contributions of \$27,650.

The Plan provides for discretionary profit-sharing contributions in an amount determined annually by the Company's Board of Directors. For the 2022 Plan year, the Company's Board of Directors elected to not make a profit-sharing contribution to the Plan.

The Plan also provides for discretionary qualified non-elective contributions ("QNEC") to non-highly compensated employees equal to the percentage of the participant's compensation to the total compensation of all eligible participants in a given plan year. The Company did not make any qualified non-elective contributions for the 2022 plan year.

The Plan also permits the Company to make discretionary matching contributions to participants' accounts, as defined by the Plan. For the year ended December 31, 2022, the Company did not make any discretionary matching contributions to the Plan.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect each participant's contributions and related employer contributions, as well as each participant's share of the Plan's income and any related administrative expenses. Allocations of the Plan income and expenses are based on the proportion that each participant's account balance has to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Contributions made on behalf of the participants are invested in various investment options according to participant elections. Participants may direct the investment contribution into the various options offered by the Plan. Participants may change investment elections at any time via telephone or via Internet access with the Custodian.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN, continued

Vesting

Participants are fully vested in their contributions, Safe Harbor matching contributions, QNEC contributions, and the earnings thereon. Vesting in the discretionary profit-sharing contributions and discretionary matching contributions is based on years of continuous service. Participants vest in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 3	0%
3 or more	100%

Forfeited Accounts

Forfeitures of discretionary profit-sharing contributions and matching contributions can occur if a participant terminates employment before becoming fully vested in such contributions, or to the extent that matching contributions relate to excess 401(k) elective deferrals; such contributions shall be subject to forfeiture even if they are otherwise vested. Forfeited balances of terminated participants' non-vested accounts are used, at the discretion of the Company, to reduce future Company contributions or pay expenses of the Plan. There were \$21,156 of forfeited non-vested amounts used during the year ended December 31, 2022 to offset Company Safe Harbor matching contributions. At December 31, 2022 and 2021, there were \$11,246 and \$24,616, respectively, of forfeited amounts available to offset future Company contributions or pay Plan expenses.

Hardship Withdrawals

A withdrawal from a participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan document. During the year ended December 31, 2022, there were no hardship withdrawals.

Payment of Benefits

Upon termination of service including death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. These payments may be paid in a lump sum payment or paid in installments over time.

At December 31, 2022, there were no amounts allocated to participants who elected to withdraw from the Plan that had not yet been paid.

Participant Loans

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates. Loans must be repaid within five years, unless the loan was for the purchase of a principal residence; in this case, the repayment period may be extended.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could materially differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value, except for the fully benefit-responsive guaranteed investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. See Notes 3 and 4 for discussion of fair value and contract value measurements.

The Plan presents the net appreciation or depreciation in the fair value of its investments in the statement of changes in net assets, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Promissory Notes from Participants

Promissory notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is treated as a deemed distribution to the participant on the date of default; however, the participant loan balance continues to be included in promissory notes from participants until the account balances of the defaulted borrower are distributed from the Plan. No allowance for credit losses has been recorded as of December 31, 2022.

Payment of Benefits

Benefits are recorded when paid to the participant. Participants terminating employment are entitled to a distribution of their vested portion of accrued benefits.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company; no such officer or employee receives compensation from the Plan for these services. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of promissory notes from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan measures fair value of its investments in accordance with the Accounting Standards Codification ("ASC") 820 ("ASC 820"). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs in priority that may be used to measure fair value:

Level 1—Quoted prices in active markets for identical assets or liabilities;

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 3 – FAIR VALUE MEASUREMENTS, continued

Level 2—Observable inputs other than quoted prices included within Level 1, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, credit risks, and default rates) or other inputs that are principally derived from or corroborated by observable market data by correlation or by other means; and

Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such investments pursuant to the valuation hierarchy.

Pooled Separate Accounts

The Plan's pooled separate accounts invest primarily in mutual funds, and the fair value of each pooled separate account is based upon the fair value of the underlying mutual fund, which is determined based upon its net asset value ("NAV") and which also represents its closing market price. The value of the Plan's investments in pooled separate accounts represent the value of the Plan's interest in the overall value of the pooled separate accounts. While the underlying asset values are based on quoted prices, the NAV of the separate accounts are not publicly quoted.

The Plan's investments in pooled separate accounts have no unfunded commitments. Participant transactions (purchases and sales) may occur daily, and there are no redemption restrictions.

As of December 31, 2022, the Plan's investments measured at fair value on a recurring basis are as follows:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Assets:				
Pooled separate accounts	\$ _____ -	\$ <u>2,518,764</u>	\$ _____ -	\$ <u>2,518,764</u>

NOTE 3 – FAIR VALUE MEASUREMENTS, continued

As of December 31, 2021, the Plan's investments measured at fair value on a recurring basis were as follows:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Assets:				
Pooled separate accounts	\$ _____ -	\$ <u>2,953,181</u>	\$ _____ -	\$ <u>2,953,181</u>
	\$ _____ -	\$ <u>2,953,181</u>	\$ _____ -	\$ <u>2,953,181</u>

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Fixed Account is a stable value investment contract with a guaranteed rate of return and a guarantee of principal that is backed by the Custodian general investment account. The Fixed Account is provided through a group annuity contract issued by the Custodian to the Plan. Contributions to the Custodian under this contract are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The methodology for calculating the interest crediting rate is defined in the contract. Under the terms of the contract, the composite crediting rate is currently reset on a quarterly basis and will never be less than the guaranteed minimum interest rate, as defined in the contract. The crediting interest rate at December 31, 2022 and 2021 was 1.75% and 1.50%, respectively.

The contract is included in the accompanying financial statements at contract value as reported to the Plan by the Custodian. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the Fixed Account was \$13,346 and \$24,616 at December 31, 2022 and 2021, respectively.

Under the terms of the contract, the Plan sponsor must provide a minimum of 90 days' notice to the Custodian prior to redemption of the contract. There are no unfunded commitments.

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT, continued

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) failure of the Plan to maintain its special tax qualified or exempt status under Section 401(a) of the IRC, (2) premature termination of the contract, or (3) bankruptcy of the Plan sponsor or other Plan sponsor events that significantly affect the Plan's normal operations. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the participants.

NOTE 5 – TAX STATUS

The Internal Revenue Service ("IRS") issued an opinion letter dated June 30, 2020 stating that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA, which the Company adopted effective January 1, 2021, was designed in accordance with the applicable IRC requirements as of that date. The Plan has been amended since receiving the determination letter. The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Continued qualification is dependent on the Plan's future operations.

In accordance with U.S. GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the IRS. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The plan administrator does not foresee material changes to the gross uncertain income tax position liability (or asset) of the Plan within the next twelve months.

The Plan is subject to routine audits by the IRS, however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE 6 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIANS

The plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified that the following data in the accompanying financial statements and supplemental schedule is complete and accurate:

- Total investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021;
- Investment loss, net, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022;
- The fair value of the Plan’s investments in pooled separate accounts as of December 31, 2022 and 2021, as disclosed in Note 3;
- The contract value of the Plan’s investment in the Fixed Account as of December 31, 2022 and 2021, as disclosed in Note 4; and
- Schedule I: Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, except promissory notes from participants of \$46,903.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 8 – RELATED PARTY TRANSACTIONS

The Plan’s investments are managed by MassMutual. On December 31, 2020, Empower Retirement acquired the retirement business of MassMutual. Empower Annuity Insurance Company (formerly Great-West Life & Annuity Insurance Company), an affiliate of Empower Retirement, served as the Plan’s administrator during the year ended December 31, 2022. Fees paid to Empower Annuity Insurance Company during the year ended December 31, 2022, amounted to \$770. In addition, the Plan has promissory notes from its participants. These transactions are considered to be exempt party-in-interest transactions under the DOL’s rules and regulations.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan provides for investments in any combination of investments with different investment strategies. These investment funds are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 to Form 5500:

	December 31, 2022
Net assets available for benefits per financial statements	\$ 2,579,013
Less: deemed distributed loan	<u>(11,492)</u>
Net assets available for benefits per Form 5500	<u>\$ 2,567,521</u>

The following is a reconciliation of the net decrease in net assets available for benefits as presented in the statement of changes in net assets available for benefits to Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per the financial statements	\$ (439,520)
Less: deemed distributed loan	<u>(11,492)</u>
Net decrease in net assets available for benefits per Form 5500	<u>\$ (451,012)</u>

NOTE 11 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events after the statement of net assets available for benefits date of December 31, 2022 and through November 7, 2023, the date the financial statements were issued. Based upon its evaluation, Plan management has determined that no subsequent events have occurred that would require recognition in the accompanying financial statements or disclosure in the notes hereto other than as disclosed in the accompanying notes.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Choice Home Care 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Choice Home Care 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from Qualified Institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Commented [KM1]: This should all be on one line: "Other Matter - Supplemental Schedule Required by ERISA"

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Choice Home Care 401(k) Profit Sharing Plan (the “Plan”) provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally established by Choice Homecare, Inc. (the “Company”) on January 1, 2013 under the provisions of section 401(a) of the Internal Revenue Code (“IRC”), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of the Company’s employees, the employees of Choice Home Healthcare Services, Inc. (“CHHS”), an affiliate. The Plan covers all permanent, part-time and full-time employees of the Company and CHHS. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective January 1, 2021, the Plan was amended and restated to conform the Plan with requirements of the IRC, the American Taxpayer Relief Act of 2012, the Tax Cuts and Jobs Act of 2017 and other applicable guidance.

Commented [MF4]: Any current year amendments or restatements? We could ask Dan and Alison.

Plan Administration

The Plan is sponsored by the Company. The trustees, who are officers of the Company, and the Plan’s administrator are responsible for monitoring investments and maintaining the individual participant account balances. Effective April 23, 2022, Empower Retirement, LLC (“Empower”) is the Plan’s custodian. Prior to April 23, 2022, the custodian was Massachusetts Mutual Life Insurance Company (“MassMutual”). Empower and MassMutual are herein referred to as the “Custodians.”

Eligibility

Company and CHHS employees are eligible to participate in the Plan upon attaining the age of 21 and after the completion of at least 1,000 hours of service. Entry dates are the earlier of January 1 or July 1, coinciding with or immediately following the satisfaction of the eligibility requirements.

Contributions

Each participant may elect to contribute a prescribed percentage of his or her compensation to the Plan. For employees who elect to participate, such deferrals shall not exceed the maximum allowed under IRC limitations, up to a maximum amount of \$20,500 for the 2022 Plan year. Participants that are 50 years of age or older who have met the annual IRC deferral limit or the specified Plan limits for deferral may contribute a catch-up deferral of up to \$6,500 for the 2022 Plan year. Participants may also rollover amounts representing distributions from other qualified plans.

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN, continued

All contributions to each participant's account are self-directed by the participant into one or more of the investments offered under the Plan.

Employer Contributions

The Plan requires the Company to make Safe Harbor matching contributions to participants' accounts, as defined by the Plan. The Safe Harbor matching contribution is equal to 100% of the participants' deferral contributions up to 3% of the participants' compensation, plus 50% of up to the next 2% of the participants' compensation. For the year ended December 31, 2022, the Company recorded Safe Harbor matching contributions of \$27,650.

The Plan provides for discretionary profit-sharing contributions in an amount determined annually by the Company's Board of Directors. For the 2022 Plan year, the Company's Board of Directors elected to not make a profit-sharing contribution to the Plan.

The Plan also provides for discretionary qualified non-elective contributions ("QNEC") to non-highly compensated employees equal to the percentage of the participant's compensation to the total compensation of all eligible participants in a given plan year. The Company did not make any qualified non-elective contributions for the 2022 plan year.

The Plan also permits the Company to make discretionary matching contributions to participants' accounts, as defined by the Plan. For the year ended December 31, 2022, the Company did not make any discretionary matching contributions to the Plan.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect each participant's contributions and related employer contributions, as well as each participant's share of the Plan's income and any related administrative expenses. Allocations of the Plan income and expenses are based on the proportion that each participant's account balance has to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Contributions made on behalf of the participants are invested in various investment options according to participant elections. Participants may direct the investment contribution into the various options offered by the Plan. Participants may change investment elections at any time via telephone or via Internet access with the Custodian.

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN, continued

Vesting

Participants are fully vested in their contributions, Safe Harbor matching contributions, QNEC contributions, and the earnings thereon. Vesting in the discretionary profit-sharing contributions and discretionary matching contributions is based on years of continuous service. Participants vest in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 3	0%
3 or more	100%

Forfeited Accounts

Forfeitures of discretionary profit-sharing contributions and matching contributions can occur if a participant terminates employment before becoming fully vested in such contributions, or to the extent that matching contributions relate to excess 401(k) elective deferrals; such contributions shall be subject to forfeiture even if they are otherwise vested. Forfeited balances of terminated participants' non-vested accounts are used, at the discretion of the Company, to reduce future Company contributions or pay expenses of the Plan. There were \$21,156 of forfeited non-vested amounts used during the year ended December 31, 2022 to offset Company Safe Harbor matching contributions. At December 31, 2022 and 2021, there were \$11,246 and \$24,616, respectively, of forfeited amounts available to offset future Company contributions or pay Plan expenses.

Hardship Withdrawals

A withdrawal from a participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan document. During the year ended December 31, 2022, there were no hardship withdrawals.

Payment of Benefits

Upon termination of service including death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. These payments may be paid in a lump sum payment or paid in installments over time.

At December 31, 2022, there were no amounts allocated to participants who elected to withdraw from the Plan that had not yet been paid.

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN, continued

Participant Loans

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates. Loans must be repaid within five years, unless the loan was for the purchase of a principal residence; in this case, the repayment period may be extended.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could materially differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value, except for the fully benefit-responsive guaranteed investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. See Notes 3 and 4 for discussion of fair value and contract value measurements.

The Plan presents the net appreciation or depreciation in the fair value of its investments in the statement of changes in net assets, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Promissory Notes from Participants

Promissory notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is treated as a deemed distribution to the participant on the date of default; however, the participant loan balance continues to be included in promissory notes from participants until the account balances of the defaulted borrower are distributed from the Plan. No allowance for credit losses has been recorded as of December 31, 2022.

Payment of Benefits

Benefits are recorded when paid to the participant. Participants terminating employment are entitled to a distribution of their vested portion of accrued benefits.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company; no such officer or employee receives compensation from the Plan for these services. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of promissory notes from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan measures fair value of its investments in accordance with the Accounting Standards Codification ("ASC") 820 ("ASC 820"). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs in priority that may be used to measure fair value:

Level 1—Quoted prices in active markets for identical assets or liabilities;

CHOICE HOME CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 3 – FAIR VALUE MEASUREMENTS, continued

Level 2—Observable inputs other than quoted prices included within Level 1, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, credit risks, and default rates) or other inputs that are principally derived from or corroborated by observable market data by correlation or by other means; and

Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such investments pursuant to the valuation hierarchy.

Pooled Separate Accounts

The Plan's pooled separate accounts invest primarily in mutual funds, and the fair value of each pooled separate account is based upon the fair value of the underlying mutual fund, which is determined based upon its net asset value ("NAV") and which also represents its closing market price. The value of the Plan's investments in pooled separate accounts represent the value of the Plan's interest in the overall value of the pooled separate accounts. While the underlying asset values are based on quoted prices, the NAV of the separate accounts are not publicly quoted.

The Plan's investments in pooled separate accounts have no unfunded commitments. Participant transactions (purchases and sales) may occur daily, and there are no redemption restrictions.

As of December 31, 2022, the Plan's investments measured at fair value on a recurring basis are as follows:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Assets:				
Pooled separate accounts	\$ -	\$ 2,518,764	\$ -	\$ 2,518,764

NOTE 3 – FAIR VALUE MEASUREMENTS, continued

As of December 31, 2021, the Plan's investments measured at fair value on a recurring basis were as follows:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Assets:				
Pooled separate accounts	\$ -	\$ 2,953,181	\$ -	\$ 2,953,181
	\$ -	\$ 2,953,181	\$ -	\$ 2,953,181

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Fixed Account is a stable value investment contract with a guaranteed rate of return and a guarantee of principal that is backed by the Custodian general investment account. The Fixed Account is provided through a group annuity contract issued by the Custodian to the Plan. Contributions to the Custodian under this contract are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The methodology for calculating the interest crediting rate is defined in the contract. Under the terms of the contract, the composite crediting rate is currently reset on a quarterly basis and will never be less than the guaranteed minimum interest rate, as defined in the contract. The crediting interest rate at December 31, 2022 and 2021 was % and 1.50%, respectively.

The contract is included in the accompanying financial statements at contract value as reported to the Plan by the Custodian. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the Fixed Account was \$13,346 and \$24,616 at December 31, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT, continued

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) failure of the Plan to maintain its special tax qualified or exempt status under Section 401(a) of the IRC, (2) premature termination of the contract, or (3) bankruptcy of the Plan sponsor or other Plan sponsor events that significantly affect the Plan's normal operations. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the participants.

NOTE 5 – TAX STATUS

The Internal Revenue Service ("IRS") issued an opinion letter dated June 30, 2020 stating that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA, which the Company adopted effective January 1, 2021, was designed in accordance with the applicable IRC requirements as of that date. The Plan has been amended since receiving the determination letter. The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Continued qualification is dependent on the Plan's future operations.

In accordance with U.S. GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the IRS. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The plan administrator does not foresee material changes to the gross uncertain income tax position liability (or asset) of the Plan within the next twelve months.

The Plan is subject to routine audits by the IRS, however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 8 – RELATED PARTY TRANSACTIONS

The Plan’s investments are managed by MassMutual. On December 31, 2020, Empower Retirement acquired the retirement business of MassMutual. The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 to Form 5500:

Net decrease in net assets available for benefits per the financial statements	\$ (439,520)
Less: deemed distributed loan	<u>(11,492)</u>
Net decrease in net assets available for benefits per Form 5500	\$ <u>(451,012)</u>

Based upon its evaluation, Plan management has determined that no subsequent events have occurred that would require recognition in the accompanying financial statements or disclosure in the notes hereto other than as disclosed in the accompanying notes.
