INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Rise, Inc. 403(b) Employee Retirement Plan
Phoenix, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Rise, Inc. 403(b) Employee Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion for the 2022 Financial Statements

We do not express an opinion on the financial statements of Rise, Inc. 403(b) Employee Retirement Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Disclaimer of Opinion for the 2022 Financial Statements

As more fully described in Note 1, the Plan Administrator has excluded from investments in the statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009 ("Excluded Contracts"), as permitted by Department of Labor Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such contracts and accounts have also been excluded from the statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United State of America require that these accounts and the related income and distributions be included in the financial statement.

Rise, Inc. 403(b) Employee Retirement Plan does not have sufficient accounting records and supporting documents relating to these annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements may have been affected by these conditions.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rise, Inc. 403(b) Employee Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of Rise, Inc. 403(b) Employee Retirement Plan's 2022 financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

We are required to be independent of Rise, Inc. 403(b) Employee Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of Rise, Inc. 403(b) Employee Retirement Plan were audited by predecessor auditors. Their report dated October 14, 2022, indicated that they did not express an opinion on the financial statements of Rise, Inc. 403(b) Employee Retirement plan as they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion regarding excluded investments in the 2021 statement of net assets available for benefits for certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009 ("Excluded Contracts"), as permitted by Department of Labor Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such contracts and accounts have also been excluded from the statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions were non determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the financial statements.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021 and For the Year Ended December 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Rise, Inc. 403(b) Employee Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established for participation on July 1, 1995 and restated December 1, 2022. It is a defined contribution plan covering all eligible employees of Rise, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Departure from Accounting Principles Generally Accepted in the United States of America

The Plan's financial statements do not present information regarding certain investments in annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. The Plan administrator has excluded those contracts and accounts and the related activity from the Plan's financial statements for the purposes of the annual reporting requirements of ERISA in accordance with the transition relief provided by Department of Labor Field Assistance Bulletin 2009-02, Annual Reporting Requirements for 403(b) Plans. Presentation of this information is required by accounting principles generally accepted in the United States of America. The effects of this departure from generally accepted accounting principles on these financial statements are not reasonably determinable.

Eligibility

Under the provisions of the Plan, each employee shall be eligible to participate in the Plan as soon as administratively feasible on or after the employee's first day of employment.

Contributions

Each year, participants may elect to contribute to the Plan through tax-deferred and Roth salary deferrals as defined by the Plan, not to exceed a statutory maximum determined by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollovers"). Participants direct the investments of all contributions into various investment options offered by the Plan.

As described above, certain investments in annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, are excluded from the Plan's financial statements. If transferred into the Plan, these amounts are included as rollover contributions in the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2022 and 2021 and For the Year Ended December 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN - Continued

Company Matching Contributions

The Plan allows for employer discretionary matching contributions equal to a uniform percentage of each participant's elective deferrals, as determined each year, if any. Participants are eligible to receive employer discretionary matching contributions once they have attained 21 years of age. In order to receive employer discretionary matching contributions each year, if any, a participant must be credited with at least 1,000 hours of service during the plan year and must be employed by the Employer on the last day of the plan year. During the year ended December 31, 2022, there were \$46,720 of employer discretionary matching contributions.

Vesting

Participants are immediately vested in their contributions and the Company's matching contributions plus actual earnings thereon.

Hardship Withdrawal

In certain situations, as defined in the Plan agreement and with approval of the Plan Administrator, participants may make hardship withdrawals.

Participant Accounts

All investment options are participant directed. Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and reduced for any Plan losses and administrative expenses. The benefit to which a participant is entitled is the benefit from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms can be no longer than five years. However, for the purchase of a primary residence loans may be repaid for up to 10 years. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates in accordance with the Plan's provisions. Principal and interest are paid ratably through payroll deductions. Interest rates for notes receivable from participants outstanding at December 31, 2022 range from 4.25% to 8.00%.

Payment of Benefits

On termination of service, as defined, or upon attaining age 59 ½ while still employed (in-service), a participant may elect to distribute an amount equal to the value of the participant's vested interest in their account as a lump-sum payment or rollover payment into another qualified plan or account. A participant with an account balance less than \$1,000 must take a lump-sum payment as soon as practicable following termination. A participant with an account balance less than \$5,000 but greater than or equal to \$1,000 will receive a rollover payment into an

individual retirement account unless the participant otherwise instructs the third-party administrator and receives a lump-sum payment as soon as practicable following termination.

Forfeitures

Forfeitures of Company contributions may be used to reduce Company contributions or reduce administrative expenses. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$668 and \$0, respectively. For the year ended December 31, 2022, no forfeitures were used to reduce employer contributions or administrative expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Notes receivable from participants are secured by the participant's account, therefore no allowance for credit losses has been recorded as of December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2022 and 2021 and For the Year Ended December 31, 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Fees related to the administration of participants' activities are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in the net depreciation of fair value of investments.

Concentration of Credit Risk and Financial Instruments

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of cash and securities held by a broker.

Subsequent Events

Subsequent events have been evaluated through November 3, 2023, which is the date the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset values of the shares as reported by the funds. The registered investment companies held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The registered investment companies held by the Plan are considered to be actively traded.

NOTE 3. FAIR VALUE MEASUREMENTS - Continued

Level 2 Fair Value Measurements

Money market funds are valued at amortized cost, which approximates fair value. The amortized cost of the instrument is determined by valuing it at its original cost and thereafter amortizing any discount or premium from its face value at a constant rate until maturity. Securities held by the money market funds are generally high quality and liquid; however, they are reflected as Level 2 because the inputs used to determine fair value are not quoted prices in an active market.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Assets at Fair Value as of December 31, 2022		
	Level 1	Level 2	Total
Registered investment companies	\$29,787	\$ -	\$29,787
Money market funds	-	174	174
Investments at Fair Value	<u>\$29,787</u>	<u>\$174</u>	<u>\$29,961</u>

	Assets at Fair Value as of December 31, 2021		
	Level 1	Level 2	Total
Registered investment companies	\$2,615,089	\$ -	\$2,615,089
Money market funds	-	49,218	49,218
Investments at Fair Value	<u>\$2,615,089</u>	<u>\$49,218</u>	<u>\$2,664,307</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net depreciation in fair value of investments.

NOTE 4. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Noninterest-bearing cash
- Investments, at fair value

See Independent Auditors' Report.

NOTE 4. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN - Continued

- Interest and dividend income
- Net earnings and depreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5. TAX STATUS OF THE PLAN

The IRS has determined and informed the Company in a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Sponsor's management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe the Plan is qualified and is tax-exempt.

The Plan follows the provisions of ASC 740, *Income Taxes* of the FASB Accounting Standards Codification. The Plan believes it has no uncertain tax positions that qualify for either recognition or disclosure. As of December 31, 2022, due to statutes of limitations, the Plan is no longer subject to examination of its 5500 by the IRS for years prior to 2019.

NOTE 6. TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, including interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan recordkeeping functions were performed by ABG Rocky Mountain, the former recordkeeper and The Standard the current recordkeeper of the Plan. EP Wealth Management provides investment advisory services to the Plan. Charles Schwab Trust Bank, the custodian, provides trading, contribution and disbursement processing services and sponsors a money market fund in which the Plan invests, as defined by the Plan and, therefore these transactions qualify as party-in-interest. Fees paid by the Plan to ABG Rocky Mountain and EP Wealth Management during the year ended December 31, 2022 totaled \$5,270 and \$13,652, respectively, for a total of \$18,922. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

During December 2022, the Plan's recordkeeping functions were moved from ABG Rocky Mountain to The Standard. During transition, the Plan's investment assets were converted to noninterest-bearing cash until new participant accounts could be established. At December 31, 2022, noninterest-bearing cash totaled \$2,925,152. The remaining participant accounts were established in January 2023 and the noninterest-bearing cash was released to the appropriate participant accounts.

NOTE 9. SEPARATED PARTICIPANTS

At December 31, 2022, there were no amounts allocated to accounts of persons who had elected to withdraw from the Plan but have not yet been paid.
