INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
403(b) Thrift Plan for Penn-Mar Organization, Inc.
Freeland, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan for Penn-Mar Organization, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and June 30, 2022, and the related statement of changes in net assets available for benefits for the period July 1, 2022 through December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan for Penn-Mar Organization, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and June 30, 2022 and for the period July 1, 2022 through December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Penn-Mar Organization, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Penn-Mar Organization, Inc.'s ability to continue as a going concern for one (1) year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

403(b) Thrift Plan for Penn-Mar Organization, Inc.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan for Penn-Mar Organization, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Penn-Mar Organization, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control - related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes at end of period December 31, 2022 and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

403(b) Thrift Plan for Penn-Mar Organization, Inc.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC. NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and June 30, 2022

Note 1: Description of Plan

The following description of 403(b) Thrift Plan for Penn-Mar Organization, Inc. (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, a 403(b) Thrift Plan sponsored by Penn-Mar Organization, Inc. (the Organization), covers all eligible employees under the Plan's provisions. Employees other than student employees or non-resident aliens without US income are eligible to contribute to the Plan upon hire. Employees who have completed one thousand (1,000) hours of service within one (1) year following their hire date, and have attained the minimum age of eighteen (18) are eligible for discretionary matching contributions. The Administrative Committee and Plan management are responsible for the oversight of the Plan and they determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions

Individual accounts are maintained for each plan participant. Each year, the participants may contribute annual compensation of up to the maximum allowable by the Internal Revenue Code (IRC). Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Organization provides for discretionary matching contributions on elective deferrals, for eligible participants, of two hundred fifty percent (250%) of the participant's elective contributions, with a maximum up to five percent (5%) of compensation. For the period July 1, 2022 through December 31, 2022 the Organization made matching contributions of \$323,425.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Organization's matching contribution and allocations of Plan earnings (losses), and any administrative expenses paid by the Plan. Allocations are based on participants' earnings or account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Effective July 1, 2020, the Plan was amended to implement a safe harbor employer match. Participants are immediately vested in these contributions. Discretionary employer matching contributions are subject to vesting at a rate of twenty-five percent (25%) for each year of service beginning with year two (2). A participant would be one hundred percent (100%) vested after five (5) years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or fifty percent (50%) of their vested account balance. Loan terms range up to five (5) years unless the proceeds are used for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at rates ranging from five and one-quarter percent (5.25%) to nine percent (9.0%), which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and June 30, 2022

Note 1: Description of Plan (Continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments not to be made over any period that exceeds the life expectancy of the participant and the participant's beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service distributions may be made to a participant who has attained the age of fifty-nine and one-half (59 ½), not to exceed the vested amount in the distributing account nor permitted from Roth deferrals. Upon the occurrence of specific events, the entire vested account balance is to be distributed to the participant if their vested account balance is less than \$5,000.

Forfeitures

Periodically, the Plan will have forfeited non-vested funds by terminated employees. Monies from forfeitures are used to pay administrative expenses or reduce the Organization's contributions. At December 31, 2022 and June 30, 2022, forfeited nonvested accounts totaled \$1,339 and \$6,109, respectively. For the period ended December 31, 2022, the Organization's contributions and administrative expenses were reduced by \$6,194 from forfeited nonvested accounts.

Hardship Withdrawals

Hardship withdrawals are permitted in accordance with the Plan Agreement.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for direct investments in fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and the insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC.
NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and June 30, 2022

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are recorded as administrative expenses when incurred. As of December 31, 2022 and June 30, 2022, no allowances for credit losses have been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and a benefit payment is recorded based on the terms of the Plan Agreement.

Contributions Receivable

Contributions from the employer and participants of the Plan are accrued in the period in which they become obligations under provisions of the Plan Agreement. The contributions not received by the Plan as of December 31, 2022 and June 30, 2022 amounted to \$40,369 and \$29,159, respectively, and are reported as receivable on the statements of net assets available for benefits. The balances as of December 31, 2022 and June 30, 2022 are a result of several corrective contributions that were owed to the Plan to correct for missed employer contributions. In the Plan's opinion, the balance of contributions receivable at December 31, 2022 is fully collectible.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable and payments of benefits from participants are charged directly to the participant's account and are included in administrative expenses.

Date of Management's Review

The Plan has evaluated events and transactions that occurred during the period from the date of the financial statements through October 6, 2023, the date the Plan's financial statements were available to be issued. There were no events or transactions that occurred during the period that materially impacted the amounts or disclosures in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and June 30, 2022

Note 3: Information Prepared and Certified by the Plan's Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Delaware Charter Guarantee and Trust Company (d/b/a Principal Trust Company), the custodian of the Plan, except for comparing such information certified by the custodian to information included in the Plan's financial statements, as of December 31, 2022 and June 30, 2022, and supplemental schedule of assets held for investment purposes at end of period December 31, 2022.

 NOTES RECEIVABLE FROM PARTICIPANTS	 <u>\$ 312,629</u>	 <u>\$ 267,932</u>

The custodian also certified to the completeness and accuracy of \$(129,267) of net appreciation (depreciation) in fair value of investments, \$224,133 of interest and dividend income related to the aforementioned investments and \$7,907 of interest income on notes receivable from participants for the period ended December 31, 2022.

Note 4: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three (3) levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC.
NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and June 30, 2022

Note 4: Fair Value Measurements (Continued)

Level 2 inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and June 30, 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2022.

	<u>Fair Value</u>	<u>(Level 1)</u>
DECEMBER 31, 2022		
Mutual Funds	\$ 11,072,358	\$ 11,072,358
INVESTMENTS, AT FAIR VALUE	<u>\$ 11,072,358</u>	<u>\$ 11,072,358</u>
JUNE 30, 2022		
Mutual Funds	\$ 10,089,868	\$ 10,089,868
INVESTMENTS, AT FAIR VALUE	<u>\$ 10,089,868</u>	<u>\$ 10,089,868</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the period July 1, 2022 through December 31, 2022, is reported in net appreciation (depreciation) in fair value of investments.

Note 5: Guaranteed Investment Contracts with Insurance Companies

The Plan entered into fully benefit-responsive guaranteed investment contracts with Principal Trust Company and Mutual of America. Principal Trust Company and Mutual of America maintain the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than one percent (1%). The crediting rate is reviewed on a quarterly basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Trust Company and Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Note 6: Tax Status

The Plan is a qualified volume submitter plan under the Internal Revenue Code (IRC) as per opinion letter dated March 31, 2017. The Plan has since been amended; however, the Plan Administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and is tax exempt.

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC.
NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and June 30, 2022

Note 6: Tax Status (Continued)

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The previous three (3) tax years remain subject to examination by the IRS.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent (100%) vested in their Organization contributions.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are interests in mutual funds and guaranteed investment contracts managed by Principal Trust Company and Mutual of America. Principal Trust Company and Mutual of America are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in the net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payment of certain administrative expenses in the amount of \$41,668 for the period ended December 31, 2022. The Plan sponsor pays directly certain fees related to the Plan's operations.

Some trustees of the Plan are also participants in the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 10: Rollover Contributions

In accordance with the Plan Agreement, qualified direct rollovers are permitted by the Plan. An aggregate of \$933,077 was rolled into the Plan during the period July 1, 2022 through December 31, 2022 and is included in rollovers on the statement of changes in net assets available for benefits.
