Bancroft & Sons Transportation, LLC 401(k) Plan & Trust  
3390 High Prairie Road  
Grand Prairie, TX 75050

In planning and performing our audit of the financial statements of Bancroft & Sons Transportation, LLC 401(k) Plan & Trust as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered Bancroft & Sons Transportation, LLC 401(k) Plan & Trust's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the plan's internal control. Accordingly, we do not express an opinion on the effectiveness of Bancroft & Sons Transportation, LLC 401(k) Plan & Trust's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses. However, as discussed below, we identified certain matters involving the internal control and other operational matters that are presented for your consideration. This letter does not affect our report dated October 17, 2022 on the financial statements of Bancroft & Sons Transportation, LLC 401(k) Plan & Trust. We will review the status of these comments during our next audit engagement. Our comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. Our comments are summarized as follows:

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the plan's financial statements will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible.* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable.* The future event or events are likely to occur.

We consider the following deficiencies to be material weaknesses:

Late Contribution Remittances

We noted instances of employee contributions not remitted timely to the plan. This is considered a prohibited transaction that requires correction in the voluntary fiduciary correction program. We noted that these instances have been corrected as of the date of this letter. We recommend correcting these transactions through the voluntary fiduciary correction program as soon as possible and also regularly reconciling contribution amounts per the payroll journal to that received by Fidelity to ensure none are missed.

Incorrect Wages Reported on Census

We noted instances of wages reported on the census varying with amounts employees were actually paid. The majority of the variances were related to non-taxable fringe amounts which did not result in a resubmission of census data for testing. We recommend making these corrections and also reconciling wages reported on the census to the W3 before submitting the census for testing.

We believe that the implementation of these recommendations will provide Bancroft & Sons Transportation, LLC 401(k) Plan & Trust with a stronger system of internal control while also making its operations more efficient. We will be happy to discuss the details of these recommendations with you at your convenience.

This communication is intended solely for the information and use of Kim Bancroft and manager of Bancroft & Sons Transportation, LLC 401(k) Plan & Trust, and is not intended to be, and should not be, used by anyone other than these specified parties.

Respectfully,

*Bell & Company, P.A.*

## Overview and Instructions to Complete the Form 5500 Schedule C

R-01

Note/ Wkp is being used to include the in Form 5500. See page 4.

### General Information:

The Form 5500 Schedule C Report (the "Report") is designed to assist administrative professionals in preparing the Schedule C of the Form 5500. A Schedule C is required to report certain direct and indirect service provider compensation. This document represents a good faith effort to classify services and fees using Schedule C instructions and relevant Department of Labor ("DOL") guidance available as of the date the Report was generated.

For a plan which requires a Form 5500 to be filed, a Schedule C must be filed with this form to report both direct and/or indirect plan service provider compensation in excess of \$5,000. For plans which require a Form 5500-SF, filers must report the administrative costs as a line item.

For the purposes of the Report, the term "Nationwide" refers to Nationwide and its affiliated companies. Payments may be made to one or more affiliates, which may include, but are not limited to: Nationwide Trust Company, FSB a division of Nationwide Bank; Nationwide Life Insurance Company; Nationwide Life Insurance Company of America; Nationwide Investment Services Corporation; RIA Services, Inc; Nationwide Investment Advisors, LLC; Nationwide Retirement Solutions, Inc.; or Nationwide Securities, LLC.

Nationwide has also included with this report items that may not need to be reported on Schedule C of the Form 5500 but are provided to give a broader picture of the compensation paid by the Plan. This Report will only include payments that are either paid to Nationwide or taken on behalf of other service providers by Nationwide from assets held in Nationwide's products or programs. Please remember that total compensation must be excess of \$5,000 to be reportable for purposes of the Schedule C of the Form 5500.

Nationwide has provided all available Schedule C reporting information based on our recordkeeping and information systems. It is important to note that there may be other fees, expenses, and compensation applicable to the Plan that are outside of the items for which Nationwide has responsibility.

For additional information regarding the completion of the Schedule C, please visit the Department of Labor's (DOL) website for the Schedule C instructions located at: [www.dol.gov/ebsa/5500main.html](http://www.dol.gov/ebsa/5500main.html)

### Explanation of Report Columns:

- \* Payor Name: the entity or individual making the payment.
- \* Payee Name: the entity or individual receiving the payment.
- \* Address of Payee: Nationwide has provided the addresses for Payees for which it has received such information. If the address column is blank, Nationwide does not have such information.
- \* EIN of Payee: Nationwide has provided the EIN for Payees for which it has received such information.
- \* Amount of Payment: the amount in U.S. dollars that was received by Payee reflected in Nationwide's records.
- \* Description: the information utilized by Nationwide in describing the nature of the payment.
- \* Method of Payment (MP): this column indicates whether a Payment was deducted (D) directly from Plan assets or billed (B) to either the Plan Sponsor or a third party. See the Payor column to determine to whom any billed items were billed. The 'N' in this column indicates payments that are neither deducted from the Plan assets nor billed to the Plan Sponsor or third party. Rather, these payments represent indirect payments made to or received by other sources.
- \* Direct/Indirect/Not Reportable under the Type of Compensation (TC): this column is intended to provide Nationwide's good faith understanding of the classification of the various payments. It is ultimately the responsibility of the Plan Administrator to determine the appropriate category for each payment. In addition, Nationwide has included

## Overview and Instructions to Complete the Form 5500 Schedule C

items noted as "Not Reportable". Some of these items may have been billed to the Plan Sponsor. If such items were subsequently reimbursed from plan assets, these items would then be considered direct payments. If additional guidance is provided by the DOL, these classifications may change. Additionally, Nationwide has not classified any items as Eligible Indirect Compensation on the Report. Since this is an alternative reporting method and Nationwide may be asked to provide actual amounts for anyone who elects not to use the alternative reporting method, we have made a good faith effort to determine what items may be classified as Eligible Indirect Compensation on the Report.

### **The following is an explanation of Eligible Indirect Compensation:**

The DOL has provided an "alternative reporting option" for service providers that receive Eligible Indirect Compensation (EIC). In order to classify compensation as EIC, the compensation must be paid by someone other than the plan or employer, and the EIC is defined as fees or expense reimbursement payments charged to an investment fund and reflected in the fund's value or return on investment of the participating plan or its participants. This includes finder's fees, "soft dollar" revenue, brokerage commissions, and other transaction based fees for transactions or services involving the plan that are not paid directly by the plan or plan sponsor.

In addition, the plan administrator must receive written disclosures which describe:

- 1) The existence of the Indirect Compensation.
- 2) The services provided for or purpose for payment of the Indirect Compensation.
- 3) The amount of the Indirect Compensation, an estimate of the amount, or the formula used to compute the amount.
- 4) The identity of who paid and received the compensation.

Your existing 408(b)(2) disclosures will often meet these requirements for alternate disclosure to the Plan Administrator.

The following are the types of indirect compensation Nationwide may receive:

\* **Mutual Fund Payments:** Nationwide offers a variety of investment options through its products and programs, for which the funds underlying the investment options or their affiliates may make payments to Nationwide. The estimated amount of these payments on a fund house-by-fund house basis is included in the Report and a description of the purpose for which Nationwide is receiving these payments is located at: <http://www.nationwide.com/fund-payments-to-nationwide.jsp>

\* **Collective Investment Fund Service Fees:** Nationwide may offer Collective Investment Funds (CIFs) through its products and programs. Nationwide may receive service fees from the CIF provider. The estimated amount of these payments on a CIF provider by CIF provider basis is included on the Report. Nationwide will serve as agent to accept orders for purchase, exchange and redemption of units of CIFs, make the CIFs available to certain plans, respond to service inquiries, and perform certain administrative and recordkeeping services with respect to the Plan's investments in units of the CIF.

\* **Compensation paid by Nationwide to Investment Professional:** Nationwide makes payments to the Plan's investment professional or applicable broker/dealer firm for various functions related to offering the products and programs and providing ongoing services to the Plan. These services may include: maintaining client relationships, interacting with third party administrators, providing participant education, conducting enrollment meetings and annual plan reviews. This payment may be paid from the Nationwide AMC/Asset Fee. The amount of this compensation is included in the Report as a direct payment to Nationwide and as an indirect payment to your investment professional.

The Plan Administrator may choose to utilize the alternative reporting option and classify these types of compensation as EIC or may elect to not use the alternative reporting option by including the amounts provided in the Report on Schedule C. If the alternative reporting option is utilized and the items discussed above are classified as EIC, appropriate adjustments to the amount of Indirect Compensation shown on the Report should be made and reported appropriately on Schedule C.

### **Explanation of Specific Payments**

\* **Advisory/Service Provider Fee:** If the Plan has selected Managed Account Services, there will be a payment with the description Advisory/Service Provider Fee. Such payment to

## Overview and Instructions to Complete the Form 5500 Schedule C

the RIA Management Firm may also include payment to a Solicitor Representative. The RIA Management Firm is responsible for this payment to Solicitor Representative and responsible for reporting. As Nationwide is not privy to amounts paid, you must contact the RIA Management Firm for appropriate allocation of payments to Solicitor Representative.

\* **Employee Advice Solution Fee:** If the Employee Advice Solution is selected by the Plan, there will be a payment with the description Employee Advice Solution Fee. Such payment to LPL Financial may also include payment to an investment manager. LPL Financial is responsible for any payment to and reporting related to payments to an investment manager. As Nationwide is not privy to amounts paid, you must contact LPL Financial for appropriate allocation of payments to an investment manager.

\* **AMC/Asset Fee:** A Nationwide charge taken daily or monthly as a percentage of Plan assets invested in variable Funding Vehicles. The purpose of this charge is to recover Nationwide's expenses/costs of doing business, which includes amounts Nationwide pays as compensation to investment professionals or broker/dealer firms, an administrative service fee or override paid to third party administrators and any expense credits issued to the Plan. Accordingly, amounts identified as Compensation and Administrative Services Fee/Override are components of the AMC/Asset Fee and therefore may appear to be duplicative. In addition, amounts identified as a Marketing Allowance may also be a component of the AMC/Asset Fee and therefore appear to be duplicative.

\* **Ameritrade Compensation to Provider (Nationwide):** If the Plan has selected the Self-Directed Brokerage option, a payment to Nationwide from Ameritrade will show on the Report. This payment is in consideration for services performed by Nationwide and will be considered Indirect (Eligible?) compensation for reporting purposes.

\* **Cash Processing Fee:** Amounts received by Nationwide for processing Uninvested Cash as described in the applicable Program Agreement for Trust Programs only.

\* **CDSC/Termination Fee:** Contingent deferred sales charge or termination charge that may apply to transfers and certain withdrawals.

\* **Fund Payments:** Nationwide may receive mutual fund 12b-1 fees, sub-transfer agent fees or fees pursuant to administrative service plans, or payments by a mutual fund's adviser or sub adviser (or its affiliates). Nationwide may also receive Collective Investment Fund services fees (CIF Services Fees). The amount of payment received is allocated to each plan by using the balance in the fund on the day the payment is received.

\* **Incentive Payments or Marketing Allowances:** Nationwide has arrangements with various distributors and other entities ("Other Providers") in connection with the marketing and sale of the Funding Vehicle(s). Nationwide may pay these Other Providers a separate Marketing Allowance or Incentive Payment. In addition to the compensation described above, Nationwide may pay additional compensation based on various agreed-upon goals based on production, assets and/or persistency payments to Other Providers. If a Marketing Allowance or Incentive Payment is made and is included on your Report, it is considered indirect compensation for reporting purposes. If these payments are made and a portion allocated to your Plan, the allocation is determined by dividing the total payment made to a specific service provider divided by the number of plans or assets, etc. which determine the payment. If one of these payments applies to your Plan, please contact Nationwide for a more specific explanation of the calculation.

\* **Annuity Rate Adjustment:** For group fixed annuity contracts, Nationwide's costs and expenses (such as plan service charges, compensation paid to investment professionals or broker/dealer firms, administrative service fee or override payments to third party administrators, and any expense credits issued to the Plan) are reflected in the crediting rate. This represents the difference between what Nationwide Life Insurance Company (NLIC) earns on investments and what NLIC credits plan participants as interest.

\* **FDIC Insured Account Interest Rate Adjustment:** For the FDIC Insured Account, Nationwide's costs and expenses (such as plan service charges, compensation paid to investment professionals, administrative service fee or override payments to third party administrators, and any expense credits issued to the Plan) are reflected in the crediting rate. This represents the difference between what Nationwide Trust Company, FSB, a division of Nationwide Bank (NTC) earns on investments and what NTC credits plan participants as interest.

The Nationwide Group Retirement Series includes unregistered group fixed and variable annuities and trust programs. The unregistered group fixed and variable annuities are issued by Nationwide Life Insurance Company. Trust programs and trust services are offered by Nationwide Trust Company, FSB a division of Nationwide Bank. Nationwide Investment Services Corporation, member FINRA. Nationwide Mutual Insurance Company and Affiliated Companies, Home Office: Columbus, OH 43215-2220.
