The Retirement Plan Committee
Duly Health and Care 401(k) Plan (formerly DuPage
Medical Group, Ltd. Profit Sharing/401(k) Plan)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Duly Health and Care 401(k) Plan (formerly DuPage Medical Group, Ltd. Profit Sharing/401(k) Plan) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a

material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Duly Health and Care 401(k) Plan
(formerly DuPage Medical Group, Ltd. Profit Sharing/401(k) Plan)

Notes to Financial Statements

December 31, 2022

1. Description of the Plan

The following description of the Duly Health and Care 401(k) Plan (the Plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions. Effective August 15, 2022, the Plan was amended to change the name of the Plan from DuPage Medical Group, Ltd. Profit Sharing/401(k) Plan to Duly Health and Care 401(k) Plan. Additionally, the Plan sponsor was changed from DuPage Medical Group, Ltd. To Midwest Physician Administrative Services, LLC (the Plan Sponsor).

General

The Plan is a defined contribution plan covering all employees of Midwest Physician Administrative Services, LLC and participating related employers (collectively, the Company) who are age 21 or older and are not covered by a collective-bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to 60% of pretax annual compensation, as defined in the Plan documents. The Plan also has a Roth feature whereby participants may elect to make after-tax contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. The Plan has an automatic enrollment feature so that any new employee is deemed to have elected to contribute 6% of compensation. This deemed election will remain in effect until such time as the participant elects to change the percentage of compensation deferred to the Plan. If a participant is automatically enrolled or affirmatively elects to defer a portion of eligible earnings less than 15%, the participant's deferral percentage will automatically be increased by 1% each year, unless the participant opts out of such increases or the participant's deferral percentage has been increased to 15% of their compensation.

Duly Health and Care 401(k) Plan
(formerly DuPage Medical Group, Ltd. Profit Sharing/401(k) Plan)

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

The Company makes matching contributions at its discretion. In 2022 and 2021, the matching contribution was 50% of the first 6% of participant contributions. The Company may also make an additional profit-sharing contribution at its discretion to eligible participants, as defined in the Plan documents. There were no profit-sharing contributions made for the 2022 or 2021 Plan year.

Participants with one year of service and who are active on the last day of the year are eligible for the Company's matching contributions. In order to receive the Company's profit-sharing contribution, participants must have worked 1,000 hours in the current year, in addition to one year of service and being active on the last day of the year.

Both participant and Company contributions are subject to the limitations of the Internal Revenue Code (the Code).

Upon enrollment, participants may direct their own contributions and the Company's contributions to any of the Plan's fund options.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions and allocations of the Plan's earnings (losses). Allocations of earnings are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

The Plan has a self-directed brokerage account investment option whereby an individual account can be selected by a participant that allows the participant to choose to invest a portion of their accounts in investments outside the Plan's fund lineup. Participants may still participate in the Plan's core lineup of funds.

Hardship withdrawals are only allowed from the employee deferral subaccount.

Duly Health and Care 401(k) Plan
(formerly DuPage Medical Group, Ltd. Profit Sharing/401(k) Plan)

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service, with 20% vested each year for the first five years.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions or to pay the Plan's expenses. The unallocated forfeitures balance as of December 31, 2022 and 2021, was approximately \$221,000 and \$339,000, respectively, and forfeitures used to reduce Company contributions for 2022 and 2021 were \$553,532 and \$480,719, respectively.

Participant Loans

The Plan allows certain participants to rollover their existing loan balance from other qualified plans. The pre-existing loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the date of issuance as determined by the Plan administrator. Principal and interest are paid ratably by the participants through electronic payments. If participants terminate employment with the Company, they may continue to make loan payments through a pre-authorized check agreement. If the loan is not repaid, it will be treated as a distribution to the participant. Participants are not allowed to borrow from their accounts.

Payment of Benefits

On termination of service, retirement, or death, participants (or their beneficiaries) may receive a lump-sum amount equal to the vested value of their account or elect to receive annual installments over a fixed, reasonable period of time. Lump-sum payments greater than \$1,000 and less than or equal to \$5,000 are automatically rolled into an individual retirement account if the participant does not make distribution elections. Participant account balances greater than \$5,000 may remain in the Plan. Lump-sum payments less than \$1,000 will be sent by check to the participant.

Duly Health and Care 401(k) Plan
(formerly DuPage Medical Group, Ltd. Profit Sharing/401(k) Plan)

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include record-keeping and trustee fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Company.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

(formerly DuPage Medical Group, Ltd. Profit Sharing/401(k) Plan)

Notes to Financial Statements (continued)

2. Summary of Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements, accompanying notes and supplemental schedule. Actual results could differ from those estimates.

3. Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, and the net (depreciation) appreciation in the fair value of investments, interest and dividends, interest income on notes receivable from participants, and other income for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

Notes to Financial Statements (continued)

4. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable, either directly or indirectly, for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

4. Fair Value Measurements (continued)

The following tables set forth by fair value hierarchy level the Plan's assets carried at fair value:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 497,912,040	\$ —	\$ —	\$ 497,912,040
Self-directed brokerage accounts	52,938,471	—	—	52,938,471

	<u>\$ 616,217,539</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 616,217,539</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 639,722,251	\$ —	\$ —	\$ 639,722,251
Self-directed brokerage accounts	64,742,673	—	—	64,742,673

	<u>\$ 734,687,234</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 734,687,234</u>

Following is a description of the valuation techniques and inputs used for each general type of investment measured at fair value by the Plan.

Mutual funds: Shares of mutual funds are valued based on quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, common stock, government bonds and exchange-traded funds. Mutual funds are valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end. Common stock, government bonds and exchange-traded funds are valued at the closing price reported in the active market in which the individual securities are traded.

Common/collective trust funds: Valued using the NAV provided by the administrator of the fund.

Duly Health and Care 401(k) Plan
(formerly DuPage Medical Group, Ltd. Profit Sharing/401(k) Plan)

Notes to Financial Statements (continued)

5. Related-Party and Party-in-Interest Transactions

The Plan invests in various mutual funds that are professionally managed by the trustee of the Plan and the holder of the Plan's assets, as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

The Company provides certain other administrative services at no cost to the Plan.

6. Tax Status

The underlying pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the written form of the underlying pre-approved document is qualified under Section 401 of the Code. Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401 of the Code, and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
