INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and management of
Complete Mobile Dentistry 401(k) Plan
Windsor, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Complete Mobile Dentistry 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Complete Mobile Dentistry 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Complete Mobile Dentistry 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Complete Mobile Dentistry 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Complete Mobile Dentistry 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Complete Mobile Dentistry 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMPLETE MOBILE DENTISTRY 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Complete Mobile Dentistry 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Complete Mobile Dentistry, Inc (the Company or employer) excluding union employees, leased employees and all field staff. There is no minimum age or service requirement for participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company will make a Safe Harbor Matching Contribution for employees who satisfy the eligibility requirements. The Safe Harbor Matching Contribution will equal 100% of the employee contributions for each Plan Year quarter up to 4% of Plan Compensation.

The Company may make a discretionary matching contribution based on employee contributions that do not exceed 6% of Plan Compensation. The total discretionary matching contribution will not exceed 4% of Plan Compensation, regardless of the amount the employee contributes to the Plan. The Company may also make a discretionary employer contribution for participants who are employed on the last day of the Plan year and have worked 1,000 hours during the Plan year.

The Company will make a contribution to the Plan for eligible participants based on their classification as a Prevailing Wage employee. The Company contributes an amount based on hourly fringe rates set by the Department of Labor (“DOL”), multiplied by hours worked by participants. The rate was \$4.23 - \$4.41 per hour for the year ended December 31, 2022. Cumulative fringe contributions in excess of individual insurance premium benefits are contributed to the Plan. Any contributions received under the Prevailing Wage will replace any of the following contributions you would receive under employer discretionary or safe harbor contributions.

Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) employers discretionary, safe harbor and prevailing wage contributions and, (b) plan earnings (losses) and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

COMPLETE MOBILE DENTISTRY 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (continued)

Vesting

Participants are vested immediately in their contributions, Company safe harbor matching contributions and in the Company's prevailing wage contributions, plus actual earnings thereon. Vesting in the Company's discretionary match and discretionary employer contributions portion of their accounts plus actual earnings thereon is based on years of credited service. A participant vests 100% after 2 years of service. Participants will be credited with a year of service for each year they work at least 1,000 hours. Participants who are at the normal retirement age or leave the Plan due to death or disability, are considered 100% vested in all amounts allocated to their account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at Prime plus 1%. Principal and interest is paid ratably through semimonthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant will receive the entire vested amount allocated to them. Benefit distributions are payable in either a lump sum or as a rollover to another qualified plan. Accounts less than an amount as defined by the Plan automatically will be distributed in a lump sum. Participants also have the ability to receive hardship distributions in certain situations, as defined by the Plan Document.

Forfeited Accounts

At December 31, 2022, forfeited non-vested accounts totaled \$4,207. These accounts will be used to pay Plan expenses or reduce future employer contributions.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Investments in an insurance company general account are reported at contract value, based on information reported by the contract-holder if the assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

COMPLETE MOBILE DENTISTRY 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. Defaulted loans, if any, are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account.

Subsequent Events

Management has evaluated subsequent events through the date which the financial statements were available to be issued. No events have occurred that would influence the reader's opinion or require recognition in the financial statements for the year ended December 31, 2022.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

COMPLETE MOBILE DENTISTRY 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Money market fund: Valued at fair value as reported to the Plan by Voya, based on quoted market prices of the underlying mutual funds.

Pooled separate accounts (PSAs): Valued based on the underlying investments (i.e., common stock, mutual funds, short-term securities). While the majority of the underlying assets values are based on quoted prices, the net asset values (NAV) of the PSAs is not publicly traded. The NAV is reported by Voya as of the financial statement date based on recent transaction prices. The PSAs held by the Plan provide for daily redemptions at NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There are no unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 3,672	\$ -	\$ -	\$ 3,672
Total investments at NAV*	-	-	-	2,629,591
Investments at fair value	<u>\$ 3,672</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,633,263</u>

* The investments in PSAs are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

COMPLETE MOBILE DENTISTRY 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – GUARANTEED INTEREST ACCOUNT

The Plan offers a fully benefit-responsive guaranteed interest account (“GIA”) with Voya Retirement Insurance and Annuity Company (“VRIAC”). VRIAC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIA issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed interest contract issuer is contractually obligated to repay the principal and a minimum rate of interest. There are no reserves against contract value for credit risk of the contract issuer or otherwise. VRIAC may credit interest at a current rate that may be higher than the guaranteed minimum interest rate “(GMIR)”, and the current rate may be changed at any time, except that VRIAC will not apply a decrease to the current rate following a rate change initiated solely by Voya prior to the last day of the 3 month period measured from the first day of the month in which such change was effective. The current rate for a plan’s initial investment in the GIA may be in effect for less than a full 3 month period. The GMIR and the current rate are expressed as annual effective yields. The crediting rate was 1% for the year ended December 31, 2022.

The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by VRIAC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Company or other Company events that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan’s ability to transact at contract value with participants are probable of occurring.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTION

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Voya Institutional Trust Company (Voya).

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule H, line 4i – schedule of assets held as of December 31, 2022.

COMPLETE MOBILE DENTISTRY 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTION (continued)

The Plan's independent accountants did not perform any generally accepted auditing procedures with respect to the above information, except for comparing such information as certified by the qualified institution to the related amounts included in the accompanying financial statements and supplemental schedule.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are a money market fund, guaranteed interest account and pooled separate accounts managed by Voya Institutional Trust Company; therefore, these transactions qualify as party-in-interest transactions.

The Plan is administered by the Company. Certain administrative functions are performed by officers and employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 – TAX STATUS

The IRS has provided an opinion letter that the Pension Consultants Co Inc Volume Submitter Profit Sharing Plan with CODA is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan, as amended, is currently designed and being operated in compliance with the same sections of the IRC and is, therefore, exempt from tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken uncertain positions that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company failed to remit certain contributions to the Plan in a timely manner, according to Department of Labor (DOL) regulations, in the amount of \$8,106 in 2022. The Company calculated and remitted lost earnings to the Plan in November 2023.
