INDEPENDENT AUDITOR'S REPORT

The Trustees of
The Edward Thomas Hospitality Corporation's
Employee Health and Welfare Benefit Plan

Opinion

We have audited the accompanying financial statements of the Employee Health and Welfare Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Employee Health and Welfare Benefit Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Employee Health and Welfare Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Health and Welfare Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employee Health and Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Health and Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Delinquent Participant Contributions is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The

information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEE HEALTH AND WELFARE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022, AND 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Employee Health and Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the plan provisions.

General: The Plan provides health benefits covering eligible employees of The Edward Thomas Hospitality Corporation (the Sponsor) and its affiliates, as defined by the Plan, and their designated dependents. The Plan and related trust were established on September 1, 2010 and began operations on December 1, 2010. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is a self-funded group health plan but, it carries an excess risk policy.

Benefits: The Plan provides health benefits (medical and prescription) to eligible employees of the Sponsor who work a minimum of 30 hours per week and complete a 90-day employment waiting period. A family member of an employee, as defined by the Plan, becomes eligible for dependent coverage on the first day that the employee is eligible for coverage and the family member satisfies the requirement for dependent coverage.

The Plan also provides medical and prescription benefits to participants during periods of unemployment, pursuant to COBRA, if so elected by the participant.

Participant claims are processed by a third-party administrator. However, the responsibility for payments to participants and providers is retained by the Plan.

Contributions: Funding for benefits is derived from the Sponsor and from contributions made by the covered employees. The Plan offers four benefit options with varying levels of co-payments, covered charges, and employee contributions. Employee contributions to the Plan are based on the benefit option selected and the number of covered dependents.

Receivable from Plan Participants: The receivable from plan participants consists of amounts withheld from participants but not yet remitted to the Plan.

Administrative Expenses: The sponsor absorbs significant costs of plan adminstration.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Fair Value: The Plan has adopted FASB ASC 820-10, Fair Value Measurements. ASC 820-10 introduces a framework for measuring fair value and expands required disclosure about fair value measurements of certain assets and liabilities. ASC 820-10 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820-10 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value, whereby level 1 uses quoted prices and active markets for identical assets or liabilities when determining fair market value; level 2 uses non active quoted prices for similar assets and liabilities that can be corroborated with market data; and level 3 uses unobservable information with little or no market data. The carrying values of the Plan's assets and liabilities approximate fair value.

Use of estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan trustees to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, incurred-but-not-reported claims, and claims payable. Actual results could differ from those estimates.

NOTE C - FUNDING AND OPERATION OF THE PLAN

Funding of the Plan: Sponsor contributions to the Plan and employee payroll deductions are held in a non-interest bearing bank account.

Administration: The Plan has contracted with a third-party administrator to provide claims administration, network rental, and utilization review.

The Plan has obtained an excess risk insurance policy for the plan. The insurance reimburses the plan for medical and prescription drug benefits that exceed $225,000 and $200,000 per covered person during the policy period for the plan years ended December 31, 2022 and 2021, respectively. Reimbursements under the policy totaled $104,083 and $87,005 for the plan years ended December 31, 2022 and 2021, respectively.

NOTE D –BENEFIT OBLIGATIONS

Benefit obligations consist of the Plan's liability for claims incurred as of December 31, 2022 and 2021 but not yet reported and the Plan's liability for claims reported of December 31, 2022 and 2021 but not yet processed. The Plan's liability for claims incurred but not reported is estimated by the third-party

NOTE D –BENEFIT OBLIGATIONS - Continued

administrator based on prior claims experience and the average time period from the date such claims are incurred to the date that the related claims are submitted and paid.

The following tables present the components of the Plan's benefit obligations and the related changes in the Plan's benefit obligations.

Benefit Obligations on December 31

	2022	2021
Claims reported but not processed	$ 129,033	$ 275,809
Claims incurred but not reported	393,353	711,466
Total benefit obligations	$ 522,386	$ 987,275

Changes in Benefit Obligations on December 31

	2022	2021
Benefit obligations, beginning of year	$ 987,275	$ 400,000
Benefit earned	5,701,107	5,367,584
Claims paid	(6,165,996)	(4,780,309)
Benefit obligations, end of year	$ 522,386	$ 987,275

NOTE E – CONCENTRATION OF RISK

The Plan manages the deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by the plan to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the Plan has not experienced losses in any of these accounts. Credit risk associated with accounts receivable and promises to give are considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from members, governmental agencies, and foundations supportive of the Plan's mission. Investments are made by diversified investment managers whose performance is monitored by the Plan. Although the fair values of investments are subject to fluctuation on a year-to-year basis, the Plan believes that the investment policies and guidelines are prudent for the long-term welfare of the organizations.

NOTE F – INCOME TAXES

Accounting principles generally accepted in the United States of America require the Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisidictions; however, there are currently no audits in progress for any tax periods. No interest or penalties from federal or state tax authorities were recorded in the accompanying financial statements.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the Plan assets would revert to the Plan Sponsor.

NOTE H – RELATED PARTY

Certain administrative functions of the Plan are performed by officers or employees of the Company. These officers or employees do not receive any compensation from the Plan.

NOTE I – SUBSEQUENT EVENTS

In preparing the financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 8, 2023, the date that the financial statements were available to be issued.
