INDEPENDENT AUDITOR'S REPORT

401(k) Investment Committee
J.S. West Milling Company Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of J.S. West Milling Company Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of January 31, 2023 and 2022, the related statements of changes in net assets available for plan benefits for the year ended January 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 31, 2023 and 2022, and for the year ended January 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

401(k) Investment Committee
J.S. West Milling Company Profit Sharing Plan
Independent Auditor's Report

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of January 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

401(k) Investment Committee
J.S. West Milling Company Profit Sharing Plan
Independent Auditor's Report

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

J.S. WEST MILLING COMPANY PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the J.S. West Milling Company Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan that was established in 1978 by J.S. West & Company, Inc. Effective February 1, 2010, J.S. West Milling Company, Inc. (the “Company” or “Employer”) adopted the Plan as a successor sponsor to provide benefits to eligible employees, as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (“IRC”) and the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

The Plan was restated effective February 1, 2022 to be in compliance with laws and regulations.

Administration

The Company has appointed a Plan Administrator to manage the operation and administration of the Plan. The Company has contracted with American United Life Insurance Company to act as the custodian and trustee and CBIZ as a third-party administrator to process and maintain the records of participants data. Substantially all expenses incurred for administering the Plan are paid by the Company. The Company has established a 401(k) Investment Committee to provide fiduciary oversight to the Plan.

Eligibility

All eligible employees of the Company are eligible to participate in the Plan after completion of three months of continuous service. Entry into the Plan is the first day of the month after eligibility requirements have been satisfied.

Participant Contributions

Participants may elect to have the Company contribute their eligible pre-tax compensation to the Plan up to the amount allowable under the Plan document and current income tax regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants who have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Contributions withheld are invested in accordance with the participant’s direction. The Plan has an automatic enrollment provision, whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation up to an amount allowable under the Plan document and current income tax regulations. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant’s direction and the Plan’s provisions.

The Company amended the adoption agreement to allow Roth contributions, Roth rollovers and an In-Plan Roth conversion feature, effective February 1, 2022.

J.S. WEST MILLING COMPANY PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

The Company may make profit sharing contributions and a discretionary employer matching contribution. There were no profit sharing or discretionary employer matching contributions made for the year ended January 31, 2023.

Vesting

Participants are immediately vested in their contributions and employer matching contributions, including actual earnings thereon. Participants vest in employer profit sharing contributions based on their years of service over a 6-year vesting period as follows:

<u>Completed Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 but less than 3 years	20%
3 but less than 4 years	40%
4 but less than 5 years	60%
5 but less than 6 years	80%
6 or more years	100%

Forfeited Accounts

Forfeitures are used to reduce Employer contributions and pay Plan expenses. As of January 31, 2023 and 2022, there were \$198 and \$5 of forfeitures, respectively, related to non-vested accounts. For the year ended January 31, 2023, no forfeitures were utilized to fund Employer contributions or pay Plan expenses.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, rollovers from qualified plans of the participant's previous employers, and allocations of the Plan's earnings and administrative expenses. Each participant's account is credited with the participant's contribution and the employer's contribution, if any. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit which can be provided by the participants vested account.

Investment Options

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Investment Committee. Participants may change their investment options any time throughout the year through the HR department of the Company or directly through their OneAmerica account.

Payment of Benefits

Upon termination, death, disability, early retirement (59 ½) or normal retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

J.S. WEST MILLING COMPANY PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits (Continued)

For termination of service due to other reasons, a participant whose account balance is less than \$5,000 will receive the value of the vested interest in his or her account as a lump-sum distribution. Participants with account balances of \$5,000 or more must elect to receive the vested interest in his or her account.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with Internal Revenue Service (“IRS”) regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes. Effective January 1, 2020, the plan amended the hardship distribution policy which eliminated both the six month suspension period on elective deferrals following a hardship distribution and the rule requiring participants to take all available nontaxable loans before applying for a hardship distribution.

Plan Expenses

The Company currently pays for most of the Plan’s expenses. Expenses that are paid by the Company are excluded from these financial statements. Plan expenses not paid by the Company, will be charged on a pro-rata basis to the value of the participants account balances.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value, except for the investments in the insurance company general account, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of the investments in the insurance company general account. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan’s gains and losses on investments bought or sold as well as held during the year. Management fees charged to the Plan for investments in registered investment companies are based on assets invested and are deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

J.S. WEST MILLING COMPANY PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefits Payments

Benefit payments are recorded when paid.

Income Taxes

The Plan adopted a standardized form of a volume submitter plan sponsored by CBIZ. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been recorded in the Plan's financial statements.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

NOTE 3 – FAIR VALUE MEASUREMENT

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

J.S. WEST MILLING COMPANY PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENT (Continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 31, 2023 and 2022.

Registered Investment companies (mutual funds)

Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

J.S. WEST MILLING COMPANY PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – INSURANCE COMPANY GENERAL ACCOUNTS

On December 1, 2020, the plan entered into a group annuity contract with American United Life Insurance Company (AUL stable value fund) that is fully benefit responsive. Under the group annuity insurance contract that supports this product, participants can transfer money into and out of the account without any restrictions. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The best estimate of fair value for the account is contract value, as participants may withdraw assets at contract value without restriction, and assets are marked-to-market on a daily basis. There are not any events that allow the issuer to terminate the contract, and which require the plan sponsor to settle at an amount different than contract value paid either within 90 days or over time. The Crediting interest rate for the AUL Stable Value fund was 1.02% and 1% for the years ended January 31, 2023 and 2022, respectively. With the AUL Stable Value fund, participants may transfer up to 100% of the AUL Stable Value fund at any time; however, that amount may not be transferred to a competing investment. After a transfer from the AUL Stable Value fund to a non-competing investment, participants must wait 90 days before they may transfer any money to the AUL Stable Value fund or a competing investment.

NOTE 5 – RELATED PARTY TRANSACTIONS

For the Plan year ended January 31, 2023, certain Plan investments were managed and held by OneAmerica, custodian of the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 – CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, OneAmerica, the custodian of the Plan, has certified the completeness and accuracy of:

- Investments reflected in the accompanying statements of net assets available for plan benefits as January 31, 2023 and January 31, 2022;
- Net appreciation in fair value of investments and dividend and interest income reflected in the accompanying statement of changes in net assets available for plan benefits for the year ended January 31, 2023;
- Investments reflected in the supplemental Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of January 31, 2023.

J.S. WEST MILLING COMPANY PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7 – PLAN TERMINATION OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and is subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 8 – UNCERTAIN TAX PROVISIONS

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS or the DOL. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of January 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – NON-EXEMPT TRANSACTIONS

During the plan year ended January 31, 2021, the Plan sponsor failed to deposit \$250 of participants' contributions within the required timeframe as defined by the United States Department of Labor's regulations. The delay in remitting the contribution to the custodian was due to an administrative error. The Company has deposited the contributions with the custodian in 2021. The Company has deposited the lost earnings into the affected participant's account in 2022 to correct the error.

NOTE 10 – SUBSEQUENT EVENTS

The Company amended the adoption agreement to begin making discretionary matching employer contributions to each eligible participant equal to 100% of the first 3% of participant contributions and then 50% of the next 2% of participant contributions up to 4% of participant contributions, effective February 1, 2023.

The Plan has evaluated subsequent events through November 9, 2023, which is the date the financial statements were available to be issued.
