Apotheco, LLC 401k Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Apotheco, LLC 401k Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Apotheco, LLC 401k Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The original effective date of the Plan is January 1, 2019 and restated on May 1, 2022. The Plan is a defined contribution plan covering substantially all employees of Apotheco, LLC. (the "Company" or the "Employer") that have completed two months of service and attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Each year, participants may contribute up to 90% of eligible compensation, as defined in the Plan, subject to the maximum limitation imposed by the Internal Revenue Service. The Internal Revenue Service's limit on elective deferrals is $20,500 for 2022 and $19,500 for 2021. Employees are not automatically enrolled upon becoming eligible to participate in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. For 2022 and 2021, the limit on catch-up contributions is $6,500. Participants may also contribute amounts representing distributions from other qualified plans.

The Company is required to contribute and allocate to each eligible participant's account, each participant's elective deferral. The Company may also, in its sole discretion, contribute and allocate to each eligible participant's account, a nonelective employer profit sharing contribution based on eligible earnings. Matching contributions and profit sharing contributions, if any, shall be determined as of the end of the Plan year. Employer contributions are allocated to eligible participants who are employed by the Company on the last day of the Plan year. No matching contributions or employer profit sharing contributions were made for the years ended December 31, 2022 and 2021. Excess contributions payable relates to corrective refunds in the amount of $192,479 distributed by the Plan Sponsor for excess employee contributions per the 2022 actual deferral percentage (ADP) test.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's discretionary matching and profit sharing contributions, (b) Plan earnings, and (c) forfeitures of employer matching and profit sharing contributions, and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting: Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Vesting in the remainder of their accounts, plus earnings thereon, is based on years of continuous service. A participant is 20% vested after two years, increasing 20% annually to be 100% vested after six years of credited service.

Payment of Benefits: Upon termination of service, a participant is eligible to receive an amount equal to the value of the participant's vested interest in his or her account. Participants (or their beneficiaries upon the death of the participant) may elect to receive their vested account balance as a single lump sum or in installment payments over a 10-year period. In certain circumstances, participants may take "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59½.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of $500 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with market rates for similar loans. All loans are covered by demand notes and are repayable through payroll deductions.

Forfeitures: Participant forfeitures of employer matching and profit sharing contributions are reallocated to the remaining participants, based upon their relative account balances. Forfeitures of employer matching and profit sharing contributions are used to offset future employer matching and profit sharing contributions or administrative expenses of the Plan.

Administrative and Investment Management Expenses: Expenses of maintaining the Plan including recordkeeping and trustee fees are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability, with a corresponding reduction to contributions. There were $192,479 and $149,897 of excess contributions payable for the years ending December 31, 2022 and 2021, respectively.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. There are no outstanding notes receivable at December 31, 2021.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

Payment of Benefits: Benefits are recorded when paid.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2: Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs derived principally from or corroborated by observable market data by correlation or other means

Level 3: Unobservable inputs for the asset or liability (i.e., supported by little or no market activity), including management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is based on the lowest level of input that is significant to the fair value measure in its entirety.

A description of the valuation methodologies used for each major class of assets measured at fair value is as follows:

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective trusts: The fair values of participation units held in collective trusts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. Each collective trust provides for daily redemptions by the Plan at reported net asset values per share with no advance notice requirements.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following table set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value:

		Fair Value Measurements at December 31, 2021, Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Identical Assets (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 1,963,639	$ 1,963,639	$ -	$ -
Collective trust*	4,077	-	-	-
Total	$ 1,967,716	$ 1,963,639	$ -	$ -

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

NOTE 4 - CERTIFIED INVESTMENTS

Certain information related to cash in transit, investments, and notes receivable from participants disclosed in the accompanying financial statements, including cash in transit at December 31, 2022, investments held at December 31, 2021, and net depreciation in fair value of investments and interest and dividends for the year ended December 31, 2022, was obtained by the plan administrator and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Reliance Trust Company is the trustee, and ADP is the recordkeeper of the Plan.

NOTE 6 - PLAN TERMINATION

Although they have not expressed any such intent, the Employer has the right under the Plan to discontinue their contributions at any time or to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination, each affected participant's account shall be fully vested and distributed to the participant.

NOTE 7 - TAX STATUS

The Internal Revenue Service issued an opinion letter dated October 6, 2020, indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions. Currently, there are no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term. Such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – TRANSFER OF ASSETS

Effective December 30, 2022, the Plan initiated a transfer of investments and plan recordkeeping from ADP Retirement Services to Voya Financial. Investments were liquidated to cash prior to December 31, 2022, and were considered cash in transit as of December 31, 2022. The total cash balance of $2,230,854 was deposited at Voya Financial on January 3, 2023. The transfer process was completed on January 20, 2023.

NOTE 10 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 25, 2023, the date the financial statements were available for issuance.
