INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
The Phoenix House Foundation, Inc. Tax Deferred Annuity Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of The Phoenix House Foundation, Inc. Tax Deferred Annuity Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

THE PHOENIX HOUSE FOUNDATION, INC. TAX DEFERRED ANNUITY RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of The Phoenix House Foundation, Inc. (the "Foundation") Tax Deferred Annuity Retirement Plan (the "Plan") only provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan document is the governing document with respect to the operation of the Plan.

- A. **General** -- The Plan is a qualified 403(b) plan covering all eligible employees of the Foundation and was established on March 1, 1973. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective March 31, 2019, the Adoption Agreement of the Plan has been amended to change the Plan to be a Multiple Employer Plan and to recognize prior service from Phoenix Houses of New York, Inc., Phoenix Houses of Long Island, Inc., Phoenix Houses of Texas, Inc., Phoenix Houses of Florida, Inc., Phoenix Houses of New England, Inc., Phoenix Houses of California, Inc., Phoenix Houses of Los Angeles, Inc., and Phoenix Houses of Orange County, Inc. ("Participating Employers").

Effective November 2019, Phoenix Houses of the Mid-Atlantic region left the Plan. The employees of the Mid-Atlantic region and their related investment balances were transferred to a new retirement plan in December 2019.

Effective February 2020, Phoenix Houses of the Florida region left the Plan. The employees of the Florida region and their related investment balances were transferred to a new retirement plan in March 2020.

Effective April 2020, Phoenix Houses of California, Los Angeles, Orange County and Texas regions left the Plan. The employees of these regions and their related investment balances were transferred to a new retirement Plan in June 2020.

Effective October 2020, Phoenix Houses of New England left the Plan. The employees of the New England region and their related investment balances were transferred to a new retirement plan in October 2020.

Transamerica Retirement Services ("Transamerica") provides recordkeeping and other administrative services for the Plan. State Street Bank and Trust Company ("State Street") is the custodian of certain Plan assets and Transamerica Financial Life Insurance Company ("TFLIC") is the custodian of certain other Plan assets. The Plan administrator is responsible to oversee and ensure compliance with the Plan document.

- B. **Eligibility** – Full time and eligible part-time employees (defined as employees who work more than 20 hours per week) excluding employees eligible to participate in another 403(b) or 401(k) Plans of the employer, nonresident aliens and students are eligible to participate in the Plan as of the first date of service at the Foundation or the Participating Employers. To be eligible for the employer non-elective contribution and employer matching contributions, a participant must complete one year of service and continue to work more than 20 hours per week.
- C. **Contributions** – Upon hire, participants may make pretax contributions to the Plan subject to certain Internal Revenue Service ("IRS") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Eligible participants also receive non-elective employer contributions equal to 3.5% of eligible compensation, as defined in the Plan document, and employer matching contributions, which are calculated at a rate of 50% of the first 5% of the participant's eligible compensation that is contributed by the participant to the Plan.

The Foundation funds employer contributions subsequent to the Plan year end. The Participating Employers that left the Plan during 2020, remitted their employer contributions for the year ended December 31, 2020, to the new plan.

NOTE 1—DESCRIPTION OF PLAN (Continued)

D. **Participant Accounts and Participating Employers** – Each participant's account is credited with the participant's contribution and the Foundation and Participating Employers' matching contributions and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct contributions in any investment options offered by the Plan and may change their investment options at any time, subject to the terms of the funding vehicle. Plan earnings are credited to a participant's account according to the type of funding vehicle in which balances are invested.

E. **Vesting and Forfeitures** – Participants vest immediately in their contributions, rollovers, and related earnings thereon. Effective January 1, 2016, employer contributions made after January 1, 2016, vest after three or more years of vesting service under a three-year cliff vesting provision. Prior to the amendment, for employees hired from January 1, 2006, through December 31, 2015, employer contributions and earnings thereupon vest at the rate of 20% per year, such that employees are 100% vested in employer contributions made prior to December 31, 2015, after five years. Employees hired before January 1, 2006, were always 100% vested with regard to employer contributions.

The Plan will make involuntary cash outs of account balances of Terminated vested participants of \$1,000 or less. Distribution of account balances greater than \$1,000, but not greater than \$5,000 will be subject to automatic rollover requirements.

Forfeited non-vested employer contributions are used to reduce employer contributions in future periods. Effective March 1, 2021, the Plan was amended and accordingly, forfeitures can be used reduce Plan expenses. During 2022 and 2021, \$139,879 and \$0 were used to reduce employer contributions and there was a balance of \$100,837 and \$230,088 of unused forfeitures as of December 31, 2022 and 2021, respectively, that may be used to reduce future employer contributions.

F. **Notes Receivable from Participants** – For financial hardship reasons only, a participant may borrow up to 50% of his/her vested account balance, subject to a minimum of \$1,000 and a maximum of \$50,000. A "hardship loan" is made in instances of "immediate and heavy financial need", as defined by the Plan document. A participant may take out a hardship loan once in any consecutive 12-month period and may have no more than five loans outstanding at any given time. Loan repayments are made over a period of not more than five years, except for a loan on a personal residence. The loans are secured by the balances of the participant accounts and bear interest at a rate determined based on the Prime Rate plus 1% at the time the loan is entered into. The loans are repaid quarterly by the employee directly to the Custodians. At December 31, 2022 and 2021, participants had outstanding loan balances of \$37,991 and \$8,849, respectively. Loans outstanding at December 31, 2022 and 2021, had interest rates ranging from 4.25% to 7.25%.

A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant. For the years ended December 31, 2022 and 2021, there were \$4,002 and \$0 of deemed distributions of participant loans, respectively.

G. **Payment of Benefits** – On termination of service due to death, disability or retirement, a participant (or their beneficiary in the case of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or an annuity in annual installments over a period of time. The Plan provides for mandatory distributions of a participant's vested account balance following severance from employment when a participant's vested account balance is less than or equal to \$5,000. The Plan permits participants whose employment has been terminated to remain in the Plan. Accordingly, such individuals do not continue to receive contributions from the Foundation and Participating Employers after termination.

A participant is eligible to receive a distribution on his/her vested account balance under any of the following circumstances: (a) retirement; (b) termination of employment; (c) death; and (d) disability. Lump-sum, annuity, or fixed-period payouts are available on retirement or termination of service as permitted in the Plan document.

FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 1—DESCRIPTION OF PLAN (Continued)

- H. **Administrative Expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Foundation. Expenses paid by the Foundation are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** - The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- B. **Use of Estimates** - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. **Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies utilizing information provided by the investment advisers, Custodians, and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- D. **Notes Receivable from Participants** - Notes receivable from participants is measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.
- E. **Payment of Benefits** - Benefit payments to participants and beneficiaries are recorded when paid.

NOTE 3—INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's "(DOL)" *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information, and the information contained in the supplemental schedule of assets (held at end of year), was certified as complete and accurate as of and for the years ended December 31, 2022 and 2021 by State Street and TFLIC, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the financial statements or the supplemental schedule.

Investments for the Plan are subject to market volatility conditions that could substantially change their carrying values in the near term.

NOTE 4—FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board - Accounting Standards Codification 820 ("FASB ASC 820") are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4—FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodology used at December 31, 2022 and 2021.

General Accounts - This is the suspense account for the TFLIC insurance company. The fair value of the units owned by the Plan in the TFLIC general accounts is based on fair value of the underlying investments as determined by the fund sponsor. The TFLIC general account fair value represents contributions made to the fund plus accrued interest at the fund rate, less funds used to purchase annuities or pay benefits to participants. These investments are valued using observable inputs (Level 2).

Mutual Funds - Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts - The self-directed brokerage account includes mutual funds and money market funds which are valued based on using quoted market prices through domestic and international exchanges (Level 1). The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual Funds	\$ 14,205,397	\$ -	\$ 14,205,397
General Account	-	100,836	100,836
Self-Directed Brokerage Accounts	<u>347,700</u>	<u>-</u>	<u>347,700</u>
Total investments, at fair value	<u>\$ 14,553,097</u>	<u>\$ 100,836</u>	<u>\$ 14,653,933</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual Funds	\$ 19,022,572	\$ -	\$ 19,022,572

NOTE 5 — FULLY BENEFIT- RESPONSIVE INVESTMENT CONTRACTS

TFLIC Guaranteed Investment Option ("TGN") is a fully benefit-responsive contract that guarantees principal and accumulated interest. Contract value is the beginning balance plus any deposit and credited interest, less any withdrawals, charges, or expenses. The Contract Balance is payable from the general assets of TFLIC. The investment contract is included in the financial statements at contract value. Participants may deposit and withdraw on a daily basis at contract value. Participants may also transfer to other investment options in the Plan. This fund is part of the general assets of TFLIC.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 5 — FULLY BENEFIT- RESPONSIVE INVESTMENT CONTRACTS (Continued)

TFLIC established an initial declared rate effective as of the contract date. The date upon which any declared rate shall become effective is referred to as a "reset date". The declared rate shall not be reduced for a period of at least 12 months or 6 months, following the most recent reset date, but the declared rate may be increased at any time. In no event may the declared rate be less than the minimum guaranteed interest rate. Interest based on the declared rate will accrue to the contract balance on a daily basis. The minimum guaranteed interest rate is 1.00% per annum. The annualized gross credit rate under the group annuity contract was 1.80% as of December 31, 2022.

The investment contract does not have any restrictions that impact the ability of the Plan to collect the full contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. TFLIC may not terminate the contract at any amount less than the contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

NOTE 6 — ACCOUNTING AND PAYROLL RECORDS

In November 2007, the ("DOL") issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting and disclosure requirements under Part 1 of Subtitle B of Title I of the ERISA, as amended. Prior to the amended regulations, the Plan (established in 1973) was not viewed as a separate reporting entity. Historically, the Plan was viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan sponsor. Accordingly, various accounting records related to the Plan's 403(b) annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009 were not sufficiently maintained by the Plan and therefore could not be reconciled to information held by the Plan sponsor. Consequently, the financial statements have been prepared based on available records analyzed by Plan management and do not include any adjustments related to these uncertainties. As certain records were not available from the inception of the Plan, there can be no assurance as to the completeness or accuracy of the Plan's reported financial information.

NOTE 7—RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Transamerica Retirement Services is the recordkeeper of the Plan. Certain Plan investments are issued and/or managed by entities affiliated with Transamerica Retirement Solutions LLC. The Plan also pays investment advisory fees to CapFinancial Partners. Therefore, transactions with the recordkeeper and with the affiliated entities and CapFinancial Partners qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$102,325 and \$198,543 for the years ended December 31, 2022 and 2021, respectively.

NOTE 8—PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 9—TAX STATUS

On March 31, 2017, the IRS stated that the volume submitter plan adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401 (a). The Plan has not received a determination letter specified to the Plan itself; however, the Plan administrator (and the Plan's tax counsel) believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. There has been significant volatility in the market in 2022 which has negatively impacted fair values. Management is unable to determine the impact on the Plan as of the date of this report.

NOTE 11—SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the statement of net assets available for benefits date through November 9, 2023, the date the financial statements were available to be issued.
