INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Tri Tool Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tri Tool Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included

in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRI TOOL INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Tri Tool Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement and its amendments for a more complete description of the Plan’s provisions.

GENERAL

The Plan, a tax-exempt trust, was established for the benefit of the employees of Tri Tool Inc. and its wholly-owned subsidiary, Tri Tool Power Services Inc. (collectively, the “Companies”), who are not covered under collective bargaining agreements.

The Plan is designed to provide participants with the means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments.

ELIGIBILITY

All employees, with a few exceptions as explained in the plan agreement, who are at least 18 years of age are eligible to participate in the Plan on their first day of employment.

CONTRIBUTIONS

Participant contributions are made on a voluntary basis and are made through payroll withholdings. The Companies are required to match employee contributions at a rate of 20% of the employee’s deferral up to a maximum of \$4,000 annually. The employee’s deferrals are limited to the lesser of (a) 75% of the employee’s compensation or (b) the Internal Revenue Code (“IRC”) limit of \$20,500. Participants who are at least 50 years of age by the end of the year may make an additional catch-up contribution of \$6,500. The participant’s additional catch-up contributions are included in determining the Companies’ matching contributions. The Plan also allows participants to make post-tax Roth contributions subject to the same limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

ROLLOVERS

Rollovers can be made directly from another qualified plan, or if not a direct rollover, it must be received by Fidelity Management Trust Company ("Fidelity"), the trustee, within 60 days of the participant's receipt of the distribution.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their voluntary contributions, rollover contributions, and in the employer matching contributions plus actual earnings thereon.

INVESTMENT OPTIONS

Participants allocate their contributions among various self-directed investment options.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 or (b) 50% of their vested account balance reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period. These loans are secured by the participant's account balance. Generally, the term of the loan may not exceed five years. However, if the loan is for the purchase of a principal residence, the plan administrator may permit a longer repayment term up to 30 years. The interest rate charged is determined by the plan administrator and is based on interest rates charged on similar types of loans by other lenders. Interest is 100% credited to the participant's account. The maximum number of loans a participant may have outstanding at any one time is two. Principal and interest are paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS

Distributions and withdrawals are payable upon attaining age 60 or year of retirement, termination of employment, or in the event of death or disability.

Benefits amounting to \$5,000 or less may be paid in a lump sum distribution, as soon as practical, following the participant's retirement, disability, termination or death. If the value of the benefit exceeds \$5,000, the participant may elect to defer payment. However, benefit payments must begin before April 1 of the subsequent year in which the participant attains age 70½.

HARDSHIP DISTRIBUTIONS

The Plan allows for hardship distributions subject to IRC regulations. Participants may withdraw, in a lump sum distribution, any part of their elective deferral account balance in the event of undue financial hardship.

CORONAVIRUS AID, RELIEF AND ECONOMIC SECURITY ACT

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") was passed by Congress, which included provisions relating to retirement plans. The Plan adopted certain temporary relief provisions for qualified individuals (as defined under the CARES Act), including early withdrawal, penalty-free coronavirus-related distributions up to \$100,000 per individual, increasing the maximum participant loan limit to the lesser of \$100,000 or 100% of the participant's vested account balance, allowing the suspension of loan payments on outstanding loans for one year, as well as the waiver of 2020 required minimum distributions. The provision also reduces or eliminates the tax paid by participants for early withdrawal and allows participants to pay back withdrawn amounts within three years. The CARES Act allowed the Plan to adopt the provisions immediately as long as a formal amendment to the Plan is made on or before the last day of the 2025 plan year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

TRI TOOL INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold and those held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Management believes that all notes are fully collectible; and therefore, no allowance for credit losses has been recorded as of December 31, 2022 and 2021.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are not included in these financial statements. Investment expenses incurred by the manager of the funds and directly related administrative expenses are deducted from earnings. Loan processing fees are paid by the participants through reduction in their investment balances.

TRI TOOL INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 3 - INFORMATION PROVIDED AND CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's financial assets and liabilities that are carried at fair value are classified for disclosure purposes based on a hierarchy that gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). An asset's or a liability's classification is based on the lowest level input that is significant to its measurement.

Level 1

Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2

Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities from those willing to trade in markets that are not active, inputs other than quoted market prices that are observable (either directly or indirectly) for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means for the term of the instrument. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs that are unobservable and significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021, and for the year ended December 31, 2022.

Mutual Funds

Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund

These investments are valued at the closing quoted market price on which the public investment securities are traded.

Stable Value Fund

Valued at NAV as provided by the trustee, which is used as a practical expedient to estimate fair value. The practical expedient would not be used if it were determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The stable value fund invests primarily in guaranteed and security-backed investment contracts with life insurance companies, banks, and other financial institutions.

Common Stock

Valued at quoted market prices.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity or one of its affiliates. Fidelity is the trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Participants' loan activities also qualify as party-in-interest transactions. These transactions are covered by an exemption from the "prohibited transactions" provisions of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the plan agreement to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all accounts will be available for distribution at the same time and in the same manner as would have been permissible had the Plan not been terminated. As indicated in Note 1, participants are immediately vested in all contributions plus actual earnings thereon.

NOTE 7 - TAX STATUS

The Internal Revenue Service ("IRS") issued an opinion letter dated June 30, 2020, indicating that the non-standardized pre-approved agreement, as then designed, was in compliance with applicable requirements of the IRC. The plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and tax-exempt as of the date of the financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 - ADMINISTRATION

The Plan is administered by an Administrative Committee established by the Companies. Fidelity also serves as an administrative agent to manage the day-to-day activities of the Plan.

NOTES TO FINANCIAL STATEMENTS

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 12, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

In August 2023, the Plan transferred all assets to Principal Financial Group.

To Whom It May Concern:

I am writing to explain the delay in filing our 5500 return. I understand the importance of adhering to deadlines and want to express our sincere apologies.

The primary factor contributing to the delay was the recent turnover on our executive team, particularly in the Chief Financial Officer (CFO) position. The change in leadership led to transitional challenges as responsibilities were reassigned.

The transition process resulted in temporary disruptions, and identifying the individuals responsible for specific tasks became challenging. Unfortunately, this confusion extended to the submission of statements to Fidelity required for the timely filing of our return. However, our independent audit, conducted by Marcum, LLP, was completed on time on October 12, 2023.

We have clarified responsibilities within our finance department. We understand the importance of complying with regulatory requirements, and steps have been taken to prevent such delays in the future.

If you require any additional information, please do not hesitate to contact me directly at (916) 290-4059

Sincerely,
