INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
ForUs 401(k) – Lever, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ForUs 401(k) – Lever, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of January 25, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period from January 1, 2023 through January 25, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ForUs 401(k) – Lever, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 25, 2023 and December 31, 2022, and for the period from January 1, 2023 through January 25, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ForUs 401(k) – Lever, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As further discussed in Note 7 to the financial statements, the Plan sponsor approved of a plan merger effective January 25, 2023 due to an acquisition of the Plan sponsor. All plan assets and participant balances were transferred from the Plan to the acquirer's 401(k) Plan on that date.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ForUs 401(k) – Lever, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ForUs 401(k) – Lever, Inc.’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ForUs 401(k) – Lever, Inc.’s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the period from January 1, 2023 to January 25, 2023 is additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of ForUs 401(k) – Lever, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General –

ForUs 401(k) is a defined contribution, multiple employer plan, originally effective November 1, 2014, and restated January 1, 2022 to comply with the legislative and regulatory changes set forth in Internal Revenue Service (IRS) Notice 2017-37.

Effective August 15, 2018, Lever, Inc. (the Company) entered into a joinder agreement with ForUs Inc. (the Sponsoring Employer) and became an adopting sponsor of the plan. References to “the Plan” herein pertain to the portion of the ForUs 401(k) that exists for the benefit of the Company’s employees. The Plan covers substantially all employees of the Company who have completed 3 months of service and who are at least age 18. Union employees, leased employees and non-resident aliens are excluded from participating in the Plan. The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the Code) and the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 25, 2023, the Plan merged with and into the Employ, Inc. 401(k) Plan. All employees and existing participant account balances were transferred to the Employ, Inc. 401(k) Plan on that date. As a result, \$9,991,936 in plan assets were transferred out of the Plan during the period from January 1, 2023 to January 25, 2023, which is noted as a transfer out of Plan on the accompanying Statement of Changes in Net Assets Available for Benefits.

Contributions –

Each year, participants may contribute between 1% and 92% of eligible compensation, as defined in the Plan, subject to the maximum amount allowed by the Code. Both pre-tax and Roth contributions are permitted under the Plan. Upon becoming eligible for the Plan, participants have a 30-day period to make their elections under the Plan or decline participation. After the 3-month period, participants will automatically be enrolled at 6% of eligible compensation with their pre-tax deferrals directed to a default investment fund selected by the Company. Deferral rates for participants who are automatically enrolled in the Plan will have their deferral rate increased by 1% annually up to a maximum of 15%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. With the approval of the plan administrator, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

Each year, the Company may make matching contributions on a discretionary basis. To be eligible for a matching contribution, participants must complete 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. During the period from January 1, 2023 to January 25, 2023, the Company did not make a discretionary matching contribution.

In addition to matching contributions, the Company may make non-elective contributions. To be eligible for a non-elective contribution, participants must complete 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. During the period from January 1, 2023 to January 25, 2023, there were no non-elective contributions made to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

FORUS 401(k) – LEVER, INC.
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts –

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution, an allocation of the Company's discretionary non-elective contribution and actual earnings thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting –

Participants are immediately vested in their contributions and rollovers, plus actual earnings thereon. Vesting in the Company's discretionary matching and non-elective contributions is based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes Receivable from Participants –

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are required to be repaid within 5 years. Participants may have up to 2 loans outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits –

Upon termination of service, retirement, disability or death, a participant may receive a lump sum payment in an amount equal to the value of the participant's vested interest in their account either in a distribution or a rollover. Partial payments and installment payments are permitted to satisfy the required minimum distribution rules. A participant may withdraw from their rollover account at any time. A participant may also request an in-service withdrawal upon attainment of age 59 ½. If a participant's account balance is greater than \$1,000 but equal to or less than \$5,000, the plan administrator can automatically rollover their entire vested account balance into a traditional individual retirement account (IRA). If a participant's account balance is \$1,000 or less, the plan administrator can distribute the entire balance in a lump sum amount.

Hardship withdrawals are available from the participant's accounts, in order to meet a participant's immediate and heavy financial need, as defined in the Plan document.

FORUS 401(k) – LEVER, INC.
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Forfeitures –

At January 25, 2023 and December 31, 2022, the Plan had no forfeited nonvested accounts. These accounts are used to reduce future Company contributions or pay Plan expenses. During the period from January 1, 2023 to January 25, 2023, there were no forfeitures used to reduce Company contributions or pay Plan expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting –

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates –

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition –

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants –

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of January 25, 2023 and December 31, 2022. Delinquent notes receivable from participants, if applicable, are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits –

Benefits are recorded when paid.

FORUS 401(k) – LEVER, INC.
NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses –

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Date of Management's Review –

The Plan has evaluated subsequent events through November 8, 2023, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 25, 2023 and December 31, 2022.

Mutual funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

FORUS 401(k) – LEVER, INC.
NOTES TO FINANCIAL STATEMENTS

3. FAIR VALUE MEASUREMENTS (Continued)

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value.

Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,334,185	\$ -	\$ -	\$ 9,334,185
Investments, at fair value	\$ 9,334,185	\$ -	\$ -	\$ 9,334,185

There were no transfers to or from Levels 1, 2, and 3 for the period from January 1, 2023 to January 25, 2023.

4. INFORMATION PREPARED AND CERTIFIED BY PLAN'S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at January 25, 2023 and December 31, 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period from January 1, 2023 to January 25, 2023 was obtained by management and agreed to or derived from information certified as complete and accurate by American Trust Company, the trustee of the Plan.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

FORUS 401(k) – LEVER, INC.
NOTES TO FINANCIAL STATEMENTS

6. TAX STATUS

The Plan has adopted a volume submitter profit sharing plan and relies on the volume submitter plan sponsor's favorable opinion letter from the IRS dated June 30, 2020, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since the date of the opinion letter. However, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained up on examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN MERGER

Effective January 25, 2023, the Plan merged with and into the Employ, Inc. 401(k) Plan. All employees and existing participant account balances were transferred to the Employ, Inc. 401(k) Plan on that date.

8. PROHIBITED TRANSACTIONS

Under U.S. Department of Labor Regulation Section 2510.3-102, Plan related salary deferrals and loan repayments withheld from employees' paychecks must be deposited into the Plan as soon as reasonably possible, but in no event later than the fifteenth business day of the month following the Company's withholding. When this regulation is not satisfied, the Company has engaged in a prohibited transaction.

During the Plan year ended December 31, 2021, the Company engaged in prohibited transactions by remitting \$167,798 in deposits to the Plan after the required reporting period, respectively. The Company is in the process of completing all required corrections related to the prohibited transactions.

9. PARTY-IN-INTEREST TRANSACTIONS

Notes receivable from participants qualify as party-in-interest transactions.
