As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

We do not express an opinion on the financial statements of 403(b) Thrift Plan of Southwestern Community Services referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Southwestern Community Services's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

We are required to be independent of 403(b) Thrift Plan of Southwestern Community Services and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. 403(b) THRIFT PLAN OF SOUTHWESTERN COMMUNITY SERVICES

NOTES TO FINANCIAL STATEMENTS **FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 1. DESCRIPTION OF PLAN

The following description of 403(b) Thrift Plan of Southwestern Community Services ("the Plan") provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective January 1, 1989, is a defined contribution plan covering all eligible employees of Southwestern Community Services ("the Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee oversees the governance of the Plan, the appropriateness of the Plan's investment offerings and monitors the Plan's investment performance.

Contributions

Each year, eligible participants, as defined in the Plan, may contribute 100% of pretax or after-tax annual compensation up to the maximum annual limit provided by the Internal Revenue Service, as defined in the Plan. The Plan features an auto enrollment program equivalent to 1% of compensation, as defined by the Plan; however, employees reserve the right to decline the auto enrollment. After completing the initial year in the plan, the employees' deferral will automatically increase by 1% annually up to a max of 5%. Participants still have the ability to opt out of any and all auto enrollment features. During 2021, pursuant to a plan amendment, those employees hired after December 1, 2021 are enrolled at 2%, unless electing otherwise. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan also provides a matching contribution equal to 200% of the first 5% of a participant's contribution. Contributions are subject to certain additional limitations. For 2022 and 2021, the Company made matching contributions of \$321,377 and \$303,193, respectively to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses) and is charged with an allocation of administrative expenses, depending on the participant's choice of investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

403(b) THRIFT PLAN OF SOUTHWESTERN COMMUNITY SERVICES

NOTES TO FINANCIAL STATEMENTS **FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching contribution plus actual earnings thereon is based on years of continuous service as defined by the Plan. A participant vests 33% per year, which after three years of credited service, or upon death, or disability a participant is 100% vested.

Forfeited Accounts

At December 31, 2022 and 2021, there were no forfeited non-vested accounts. These accounts may be used to reduce future employer contributions or Plan expenses. For the years ended December 31, 2022 and 2021, \$3,057 and \$3,146, respectively, were used to reduce employer matching contributions.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in whole unit increments in a variety of mutual funds and an interest-bearing account. Participants may change their investment options and make transfers between investments at any time via an automated request to Mutual of America Life Insurance Company. All investments of the Plan are self-directed.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount, a direct transfer to another qualified retirement account, or a combination of the two, equal to the participant's vested interest in his or her account; or periodic installments over a designated period. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution. Benefit payments are recorded when paid.

Employees with a balance of \$5,000 or greater have the right to keep their retirement account in the Plan or elect to have the benefits paid in a lump sum, through installment payments or by purchase of an annuity. Participants with a balance of less than \$5,000 but greater than \$1,000 have the option to transfer their funds to an IRA without penalty or receive a lump sum payment. All others with a balance of less than \$1,000 receive a lump sum payment.

In-Service Withdrawal

An employee is permitted to take a distribution while being an active participant in the Plan at the age of 59 ½. Such a distribution will not be subject to a 10% excise tax but may be subject to income taxes.

403(b) THRIFT PLAN OF SOUTHWESTERN COMMUNITY SERVICES

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Hardship Withdrawal

An employee may take a distribution from the Plan if a heavy financial burden can be demonstrated to the Plan Trustee. The Trustee shall grant a hardship withdrawal only if it is determined the withdrawal is necessary to meet an immediate and heavy financial need of the participant, as defined by the Plan. Hardship withdrawals may only be taken from fully vested pre-tax accounts and may be subject to income tax and a 10% excise tax.

Plan Loans

The Plan allows for plan loans based on a participant's vested account balance. These loans are issued and held directly by Mutual of America Life Insurance Company (Mutual) and are collateralized by the Participant's account balance in the Plan. Generally, a participant's outstanding loans may not exceed 50% of a participant's account balance or \$50,000 and are secured by the remaining balance in the participant's account.

Under the Plan agreement the loan requests processed by Mutual are directly paid to the participant, and the participant's funds equal to the amount of the loan are transferred into the accumulated interest account as security. Participant's pay interest at a rate of 4.60% and 4% for the years ended December 31, 2022 and 2021, respectively, on all outstanding loan balances to Mutual and earn the then prevailing rate on the Interest accumulated account, approximately 1%. For the year ended December 31, 2022 and 2021 the Plan loans totaled \$133,283 and \$110,731 respectively, with maturity dates ranging from May 2023 through August 2031. Participant's may only have two outstanding loans at any given time.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting. In accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value.

403(b) THRIFT PLAN OF SOUTHWESTERN COMMUNITY SERVICES

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Plan Records

The Plan may have excluded from the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to former and current employees prior to 2009. As permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements 403(b) Plans, the investment income, and distributions related to such accounts may also be excluded from the accompanying statements of changes in net assets available for benefits.

Under accounting principles generally accepted in the United States of America, these accounts and related income and distributions should be included in the accompanying financial statements. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan Trustee to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of increases and deductions to net assets during the reporting period. Actual results could differ from those estimates. See **Note 3** for discussion of fair value measurements.

Cash and Cash Equivalents

Cash and cash equivalents are comprised entirely of Mutual of America's Interest Accumulated Account. This investment does not carry front end or back-end charges, nor is the interest dependent on a certain holding period. Withdrawals may be made at any time by the participants.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See **Note 3** for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

403(b) THRIFT PLAN OF SOUTHWESTERN COMMUNITY SERVICES

NOTES TO FINANCIAL STATEMENTS **FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

Risks and Uncertainties

The Plan invests in a variety of investment securities. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements), and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and,
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

403(b) THRIFT PLAN OF SOUTHWESTERN COMMUNITY SERVICES

NOTES TO FINANCIAL STATEMENTS **FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no material change in the methodology used at December 31, 2022 and 2021.

Mutual Funds (Level 1): Valued at the daily closing price as reported by the fund. The level 1 mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Mutual Funds (Level 2): Valued at the closing price as reported by the fund. The level 2 mutual funds are internally managed by the asset custodian Mutual of America Life Insurance Company and are valued based on the NAV of the underlying assets, which are generally traded in active markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 4. INFORMATION CERTIFIED BY THE PLAN'S ASSET CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the asset custodian, Mutual of America Life Insurance Company, has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment activity, as included in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- The schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

NOTE 5. ADMINISTRATIVE EXPENSES

The Company provides certain administrative and accounting services to the Plan at no cost. Certain administrative expenses paid directly by the Plan sponsor include audit and consulting fees. For the years ended December 31, 2022 and 2021 administrative expenses in the statements of changes in net assets available for benefits consist of loan and withdrawal fees and other investment expenses charged by the asset custodian. All other investment fees are included in the net appreciation in fair value of investments.

403(b) THRIFT PLAN OF SOUTHWESTERN COMMUNITY SERVICES

NOTES TO FINANCIAL STATEMENTS **FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 6. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is also the third-party administrator and asset custodian, as defined by the Plan and; therefore, these transactions qualify as party in interest transactions in accordance with Section 3(14) of ERISA.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7. TAX STATUS

403(b) plans currently are not required to submit plan documents to the Internal Revenue Service for determination. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a significant uncertain position that more likely than not would not be sustained on examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, and the Internal Revenue Code governing termination of employee benefit plans and with a 60-day written notification to the Plan Trustee. In the event of a plan termination, participants will become 100% vested in their accounts.
