INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Danaher Corporation & Subsidiaries Puerto Rico Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Danaher Corporation & Subsidiaries Puerto Rico Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DANAHER CORPORATION & SUBSIDIARIES PUERTO RICO SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2021 AND 2021
AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN

General

The Danaher Corporation & Subsidiaries Puerto Rico Savings Plan (the "Plan") is a defined contribution plan established for eligible full-time and part-time union employees of Danaher Corporation and its subsidiaries (the "Company") residing in Puerto Rico, effective December 24, 2010. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Danaher Corporation is the plan sponsor (the "Plan Sponsor"). Plan participants should refer to the formal legal documents of the Plan and the Summary Plan Description for a more complete description of the Plan's provisions and a full explanation of all limitations, adjustments and special cases in the Plan. Significant provisions related to contributions, benefit payments, and investments are provided below.

The Plan is administered by the Danaher Benefits Committee (the "Plan Administrator"). The Plan has designated Benefit Plans Administrative Services, Inc. ("BPAS") as trustee and recordkeeper. The BPAS Master Prototype Defined Contribution Cash or Deferred Arrangement Profit Sharing Plan ("Master Trust") establishes a single trust to hold and invest assets of the Plan and other eligible tax-qualified defined contribution plans maintained by the Plan Sponsor. As of December 31, 2022 and 2021, the Plan's interest in the net assets of the Master Trust was 100%, and thus the Master Trust disclosures are omitted from the Plan's reporting.

Effective January 1, 2015, the Plan was amended to include automatic enrollment of new hires, rehires and those otherwise newly eligible (e.g. through acquisitions), automatic annual re-enrollment and annual auto-increase of deferral rates. Employees who do not make a deferral election will be automatically enrolled at a deferral amount of 5% of compensation to be withheld from each paycheck commencing after 60 days of employment. Participants can change the automatic deferral amount by making a deferral election. On April 1st of each year, any participant who is subject to the automatic enrollment but is deferring less than 5% will be automatically re-enrolled at 5%. The first annual cycle of automatic re-enrollment and auto-increase occurred in 2016.

Contributions

Eligible participants may contribute up to 75% of their compensation (subject to annual maximums). Employee contributions and the earnings or losses thereon are fully vested at all times. Participants are eligible for company matching contributions at the time the participant starts deferring into the plan. Participants are immediately and fully vested in the value of the matching contributions. For more details on specific union groups, refer to the formal legal documents of the Plan.

The Company's unilateral and matching contributions are determined at the discretion of the Plan Sponsor unless otherwise required by the terms of the collective bargaining agreement applicable to each participant. The Company makes employer matching contributions equal to 100% of the first 3% of a participant's contributions for the year, plus 50% of the next 2% deferred. Effective January 1, 2022, the employer will make a required match true-up after year end. Participants are eligible for profit sharing employer contributions upon completion of one year of service. Profit sharing employer contributions include a unilateral employer contribution calculated at 2% of eligible compensation, and an additional discretionary contribution calculated on 2% of a participant's eligible compensation above the social security taxable wage base. With respect to all profit sharing contributions, participants generally become fully vested on the earlier of the date of completion of three years of service or retirement at or after age 65.

Benefit Payments

Participants who attain normal retirement age shall be entitled to payment of the balance in their account. Participants who remain employed after attainment of normal retirement age shall continue to participate under the same terms and conditions as applied prior to reaching normal retirement age.

The beneficiary or beneficiaries of deceased participants shall be entitled to payment of the participants' account balance within a reasonable period of time after the participants' death.

Upon participants' termination of employment for reasons other than as specified above, participants are entitled to payment of their vested account balance. The Plan, as instructed by the Plan Sponsor, may request to have involuntary lump sum distributions paid to terminated participants with a balance less than \$5,000. Barring any instruction from the Plan Sponsor, all terminated participants must voluntarily request a distribution of their account, regardless of account balance.

Eligible participants may request a withdrawal of all or a portion of their vested account while still working for the Company in accordance with procedures established by the Plan Administrator, subject to certain limitations and tax penalties. Different withdrawal rules apply to different Plan accounts.

Notes Receivable from Participants

Eligible participants may receive a loan from the Plan in accordance with the policy established by the Plan Sponsor. Any such loan or loans shall not exceed the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the participant's highest outstanding loan balance from the Plan during the one-year period ending on the day before the loan is made. The Plan Administrator shall establish the maximum maturity period that will be permitted to prevent the loan from being treated as a distribution. Plan provisions require that all loans must be paid back within 60 months. The Plan Administrator may require loan payments to be made through payroll deductions.

Participant Accounts

Each participant account is credited with the participant's contributions, any employer matching and unilateral contributions, and an allocation of Plan earnings or losses, and is charged quarterly with administrative expense and recordkeeping fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Plan Sponsor.

Unallocated Accounts

The Plan had \$10,068 of unallocated non-vested accounts, including forfeited amounts, as of December 31, 2022. As of December 31, 2021, unallocated non-vested accounts, including forfeited amounts, totaled \$3. These amounts will be used to reduce future employer contributions and to pay administrative expenses.

Termination of the Plan

Although the Company, as the Plan Sponsor, has not expressed an intention to do so, the Plan may be terminated at any time. In the event of termination of the Plan, the account balances of participants as of the date of termination shall immediately become nonforfeitable.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and judgments that affect the reported amounts of assets, liabilities and changes therein, and the related disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

Investments are exposed to various risks such as interest rate, market, credit, the ongoing pandemic and international conflicts. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Notes Receivable from Participants

Notes receivable from eligible participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If participants cease to make loan repayments and have reached a distributable event, the loan balance is reduced and a benefit payment is recorded.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The income of each fund is reinvested in that fund. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends, and interest income, on notes receivable from participants for the year ended December 31, 2022 was obtained by management and agreed to or derived from information provided to the Plan Administrator and certified as complete and accurate by BPAS Trust Company of Puerto Rico, the trustee of the Plan.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3. FAIR VALUE MEASUREMENTS

Accounting standards define fair value based on an exit price model, establish a framework for measuring fair value where the assets and liabilities are required to be carried at fair value and provide for certain disclosures related to the valuation methods used within a valuation hierarchy as established within the accounting standards. This hierarchy prioritizes the inputs into three broad levels as follows. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2 inputs are quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets in markets that are not active, or other observable characteristics for the asset or liability, including interest rates, yield curves and credit risks, or inputs that are derived principally from, or corroborated by, observable market data through correlation. Level 3 inputs are unobservable inputs based on the Plan's assumptions. A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement in its entirety. Certain prior year amounts in the fair value measurements table have been reclassified to conform to the current year presentation.

The fair values of the Plan's investments as of December 31, 2022, by asset category, were as follows:

	Quoted Prices in Active Market (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Money market funds	\$ 4,407,152	\$ —	\$ —	\$ 4,407,152
Mutual funds	20,330,689	—	—	20,330,689
Company common stock	1,171,656	—	—	1,171,656
Common/collective trusts	—	294,114	—	294,114
Total investments, at fair value	<u>\$ 25,909,497</u>	<u>\$ 294,114</u>	<u>\$ —</u>	<u>\$ 26,203,611</u>

The fair values of the Plan's investments as of December 31, 2021, by asset category, were as follows:

	Quoted Prices in Active Market (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Money market funds	\$ 3,891,612	\$ —	\$ —	\$ 3,891,612
Mutual funds	27,186,380	—	—	27,186,380
Company common stock	1,262,495	—	—	1,262,495
Common/collective trusts	—	474,684	—	474,684
	<u>\$ 32,340,487</u>	<u>\$ 474,684</u>	<u>\$ —</u>	<u>32,815,171</u>

Following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Money market funds, mutual funds and company common stock are valued at the quoted closing price reported on the active market on which the individual securities are traded.

Collective trusts are valued based on the net asset values per unit as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with the methods used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4. TAX STATUS OF THE PLAN

The Plan received a determination letter from the Commonwealth of Puerto Rico Department of Treasury ("Puerto Rico DOT") dated April 2, 2014, stating that the Plan is qualified under Section 1081.01 of the Internal Revenue Code for a New Puerto Rico (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of this determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the Puerto Rico DOT. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of the Plan for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 5. RELATED PARTY TRANSACTIONS AND PARTIES IN INTEREST TRANSACTIONS

As of December 31, 2022 and 2021, the Plan invested in 4,414 and 3,837 shares, respectively, of Danaher Corporation common stock as part of the Danaher Corporation Stock Fund ("Danaher Common Stock"). During the year ended December 31, 2022, the Plan received \$4,842 of cash dividends on shares of Danaher Common Stock.

Notes receivable from participants and payment of fees to BPAS are considered party-in-interest transactions.

NOTE 6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Notes receivable from participants in the accompanying financial statements include all loans in the Plan as of the end of the year. The participant loans in the Form 5500 only include loans that are active or deemed loans with post-default payments remitted during the year. The difference represents a reconciling item.

The following is a reconciliation of the net assets available for benefits per the financial statements to net assets per the Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	\$ 27,308,175	\$ 33,862,834
Loans with no post default payment activity that are deemed distributed	(21,195)	(23,412)
Net assets per the Form 5500	<u>\$ 27,286,980</u>	<u>\$ 33,839,422</u>

The following is a reconciliation of the net decrease in assets available for benefits prior to plan transfers per the financial statements to net loss per the Form 5500 for the year ended December 31, 2022:

Net decrease in assets available for benefits per the financial statements	\$ (6,554,659)
Less: Loan defaults previously deemed distributed that reached a distributable event as of December 31, 2022	(21,195)
Add: Loan defaults previously deemed distributed that reached a distributable event as of December 31, 2021	23,412
Net loss per the Form 5500	<u>\$ (6,552,442)</u>

NOTE 7. SUBSEQUENT EVENTS

Management evaluated subsequent events for the Plan through November 8, 2023, the date the financial statements were available to be issued.
