INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Mount Holyoke College
Defined Contribution Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the financial statements of Mount Holyoke College Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements ("financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Prior to January 1, 2009, records were maintained at a contract, not a plan, level; therefore, management has not maintained, and TIAA did not provide sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i-Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Mount Holyoke College
Defined Contribution Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the financial statements of Mount Holyoke College Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements ("financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Prior to January 1, 2009, records were maintained at a contract, not a plan, level; therefore, management has not maintained, and TIAA did not provide sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i-Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

MOUNT HOLYOKE COLLEGE
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following brief description of the Mount Holyoke College (“the College”) Defined Contribution Retirement Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. In the event there is a conflict between information provided in this document and the benefit Plan documents, the terms of the Plan document will prevail. Net assets of the Plan are held by TIAA and CREF (collectively known as “TIAA”), Voya Institution Trust Company (“VOYA”), and Fidelity Management Trust Company (“Fidelity”), qualified institutions.

General Information

The College established the Plan to provide employees with a systematic means of saving and investing for the future. All eligible employees of the College, as defined in accordance with the universal availability standards, are eligible to enroll on their date of hire. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Board of Trustees.

Plan Contributions

Participants may contribute the maximum amount allowed by law by means of payroll deductions, as described in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The College will make a contribution to the Plan equal to 10.5% of a participant’s compensation. A participant is eligible to receive the College contribution after the participant reaches age 21 and has completed one year of service. All participants are also required to contribute 5.0% of annual compensation that exceeds \$40,000.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the College’s contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested accounts.

MOUNT HOLYOKE COLLEGE
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS, Continued

Vesting

Participants are 100% vested in their account under the Plan.

Forfeited Accounts

Forfeited accounts can be used to reduce employer contributions or to pay for the Plan's administrative expenses. At December 31, 2022 and 2021, forfeited account balances were \$11,525 and \$14,585.

Notes Receivable from Participants

Participants may borrow from their VOYA funds a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1-5 years or 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest based at a commercially reasonable rate of interest. Principal and interest is paid ratably through payroll deductions. There are also provisions for disaster loans.

Plan Loans

Plan loans were available to participants and were issued directly from funds owned by TIAA and not directly from a participant's account. Adequate security is required and a portion of the participant's account is held in collateral in the TIAA Traditional Annuity account to cover 110% of the outstanding loan in case of default. Participants were able to borrow, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 45 percent of the present value of the vested accrued benefit. Loan terms range from 1-5 years or 10 years for the purchase of a primary residence. The loans bear interest at a variable rate and are subject to change based on the Moody's Corporate Bond yield average. Principal and interest are paid ratably by the participant directly to TIAA. A default charge will be assessed against the portion of the loan collateral used to foreclose on all or part of any loan.

Loan balances outstanding from TIAA to the Plan's participants as of December 31, 2022 and 2021 were \$8,061 and \$7,751, respectively. At December 31, 2022 and 2021 the balances were all in default and subject to repayment from participant's accounts at the time of distribution.

Payment of Benefits

Upon death, disability, termination, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or other form permitted by the Plan at the participant's discretion. There are also provisions for early retirement, hardship benefits, in-service distributions, qualified disaster distributions, and qualified birth and adoption distributions.

MOUNT HOLYOKE COLLEGE
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS, Continued

Annual Reporting Requirements

Prior to January 1, 2009, TIAA maintained records at a contract, not plan, level and administratively decided not to provide accounting records and supporting documentation at the participant or plan level relating to certain annuity and custodial accounts issued to current and former employees. As a result, TIAA has been unable to produce sufficient records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. Therefore, the completeness and accuracy of the annuity and custodial accounts, related investment income, and distributions, if any, could not be determined for periods prior to January 1, 2009.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

MOUNT HOLYOKE COLLEGE
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS, Continued

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the College. Expenses that are paid by the College are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through November 14, 2023, the date the financial statements were available to be issued.

MOUNT HOLYOKE COLLEGE
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS, Continued

3. Certified Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net (depreciation) appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA, VOYA, and Fidelity.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**MOUNT HOLYOKE COLLEGE
DEFINED CONTRIBUTION RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS, Continued

Fair Value Measurements, Continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2022 or 2021. Following are descriptions of the valuation methodologies used for assets measured at fair value.

Guaranteed investment contract: Invested in fixed annuity contracts and are valued at fair value by TIAA by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer (see Note 5).

Pooled separate account: Invested in real estate and real estate-related investments and are valued from the market value of the underlying real estate holding or other real estate instruments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional's opinion. These securities held are priced using net asset value ("NAV") of units as determined by the insurance company. Unit values are calculated daily. NAV is published on the open market, however are not publicly traded. NAV is a readily determinable fair value and is the basis for current transactions.

Self-directed accounts: Valued at the daily closing value reported in the active market in which the underlying individual securities are traded.

Registered investment companies: Invested primarily in mutual funds, including money market funds, and variable annuity contracts. Variable annuity contracts are invested principally in equity securities, fixed-income instruments, and short-term investments.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Money market funds are valued at amortized cost.

Variable annuity contracts: Valued at NAV of shares, which are valued by the insurance company at accumulation unit value based on the underlying investments held by the Plan at year-end. NAV is published on the open market, however are not publicly traded. NAV is a readily determinable fair value and is the basis for current transactions.

Changes in Fair Value of Level 3 Assets

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS, Continued

5. Guaranteed Investment Contracts

The Plan has a guaranteed investment contract with VOYA and TIAA. VOYA and TIAA maintain the contributions in general accounts, the Voya Fixed Plus Account and the TIAA Traditional Annuity. These accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Any additional interest is not guaranteed. The TIAA Traditional Annuity and VOYA Fixed Plus Account do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

A portion of the TIAA Traditional Annuity contract is considered non benefit-responsive. These contracts are included in the financial statements at fair value. These contracts are subject to a 10-year withdrawal period.

The other portion of the TIAA Traditional Annuity Contract and the VOYA Fixed Plus Account are considered fully benefit-responsive. For the portion of the contract that is considered fully benefit-responsive, contract value is the relevant measurement attribute for the statement of net assets available for benefits. Contract value, as reported to the Plan by TIAA and VOYA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The RA contract does not allow lump-sum cash withdrawals and transfers must be spread over ten annual installments. When a participant's accumulation in the TIAA Traditional Annuity is converted to a lifetime payout annuity, the present value of the stream of payments is equal to the accumulated balance, and the entire amount purchases an annuity contract and is recorded as a deduction in the statement of changes in net assets available for benefits.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or 5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

MOUNT HOLYOKE COLLEGE
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS, Continued

Guaranteed Investment Contracts, Continued

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

6. Related Party/Party-in-Interest Transactions

The Plan invests in unallocated insurance contracts, mutual funds, and annuities managed by the Plan's qualified institutions, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Certain employees and officers of the College, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. Certain Plan administrative expenses may be covered by the Plan, as stated in the Plan document.

The College is the Plan sponsor. The Plan Sponsor may pay certain expenses related to the Plan's operations and therefore is considered a party-in-interest.

Global Retirement Partners, formerly known as Baystate Fiduciary Advisors, Inc., a financial advisor, provides investment management and consultation services to the Plan and its participants. As a provider of services to the Plan, these transactions qualify as party-in-interest transactions.

The Angell Pension Group, a third-party administrator, provides administrative services to the Plan. As a provider of services to the Plan, these transactions qualify as party-in-interest transactions.

The Plan has a Reimbursement Expense Account (REA) between the College and VOYA. The revenue earned on this account is used to pay certain Plan expenses. If the revenue exceeds Plan expenses, such amounts will be allocated to the accounts of the participants. At December 31, 2022 and 2021, revenue sharing credits totaled \$42,000.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Revenue Sharing

At December 31, 2022 and 2021, revenue sharing credit account balances totaled \$3,504 and \$6,361, respectively. During 2022, the net revenues earned amounted to \$42,021, which includes \$21 of earnings, and \$44,878 was used to pay Plan expenses.

MOUNT HOLYOKE COLLEGE
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS, Continued

8. Plan Termination

Although it has not expressed any intent to do so, the College has the right under the Plan to discontinue its contributions at any time and to amend, modify, or terminate the Plan subject to the provisions of ERISA.

9. Tax Status

The College has adopted a prototype Plan document and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017. The letter states that the prototype and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, Plan management believes the Plan is currently designed and operated in compliance with applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain position that may not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expect to be taken that would require recognition of a tax liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for years prior to 2019.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
