INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Certified Dermatology of NJ, LLC 401(k) Plan

We have audited the accompanying financial statements of Certified Dermatology of NJ, LLC 401(k) Plan, which comprise the statements of net assets available for benefits as of January 04, 2023, the related statements of changes in net assets available for benefits for the short year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Certified Dermatology of NJ, LLC 401(k) Plan as of January 4, 2023, and the changes in net assets available for benefits for the year(s) then ended in accordance with accounting principles generally accepted in the United State of America.

Report on Supplemental information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets (Held at End of Year) as of January 4, 2023, together referred to as "supplemental information", are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United State of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

CERTIFIED DERMATOLOGY OF NJ, LLC 401(K) PLAN

Notes to Financial Statements

Years Ended January 4, 2023 and December 31, 2022

1. Plan Description

The following description of the Certified Dermatology of NJ, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, including the adoption agreement, for a more complete description of the Plan’s provisions.

(a) General

The Plan, which became effective on January 1, 2017, is a defined contribution plan providing retirement benefits for all eligible employees of Certified Dermatology of NJ, LLC 401(k) Plan (the “Company” or “Plan Administrator”). Substantially all employees who have completed six months of service are eligible to join the Plan.

The Plan is intended to be qualified under section 401(a) of the Internal Revenue Code of 1986, as amended (the “Internal Revenue Code”), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

(b) Contributions

Each year, Participants may contribute up to 100% of their eligible pretax compensation, as defined by the Plan, subject to limitations established by the Internal Revenue Code.

The Company may, in its sole discretion, make a Matching Contribution if Participant makes a “Matched Employee Contribution” during the Plan Year. A “Matched Employee Contribution” is any Elective Deferral Contribution or Catch-up Contribution.

(c) Participant Accounts

The Plan’s record keeper maintains an account in the name of each Participant to which each Participant’s contributions, the Company’s contributions for such Participant, and the Participant’s share of the net earnings, losses and expenses, if any, of the various investments are recorded. Allocations are generally based on eligible Participant account balances. The earnings on the assets held in each of the investments and all proceeds from the sale of such assets are held and reinvested in the respective investments.

Participants may rollover contributions of before-tax dollars from a prior employer’s eligible retirement plan, as defined in the Plan, or an Individual Retirement Account, into their Plan Accounts. Rollovers must be made within the time limits prescribed by the Internal Revenue Service.

(d) Vesting

Participants are always fully (100%) vested in Elective Deferral Account and Rollover Contribution Accounts.

Participant interest in Matching Contribution Account and Profit Sharing Contribution Account will vest based on Years of Vesting Service (defined below) in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less Than One Year	0%
One Year but less than Two Years	0%
Two Years but less than Three Years	50%
Three Years but less than Four Years	75%
Four Years but less than Five Years	100%
Five Years but less than Six Years	100%
Six or More Years	100%

However, if the Company must make a Matching Contribution to a Participant Account in order to satisfy certain nondiscrimination tests required by the Internal Revenue Code, they will be 100% vested in those Matching Contributions.

(e) Loans

If a Participant is an active employee, they may apply for a loan from the Plan. Loans will only be made to persons who the Plan Administrator determines have the ability to repay the loan. The maximum amount of the loan is the lesser of: \$50,000 minus the highest outstanding balance of loans in the past 12 months, or one-half the present value of your vested Account balance.

Loans must be repaid over a period not extending beyond five years from the date of the loan, unless such loan is used to acquire a dwelling unit that, within a reasonable time (determined at the time the loan is made), will be used as a principal residence. The maximum loan term for a principal residence loan is 30 years.

Participants must repay a loan in accordance with the repayment schedule or may make a full or partial prepayment. Participant may not refinance their loan. The loan will become payable in full on termination of employment. The maximum number of loans outstanding at any one time is 1. The minimum loan amount is \$1,000. Payments will be made through payroll deduction from each regular paycheck.

Loan fees may be charge against the Account of the Participant to whom the loan is granted and the Plan Administrator may adopt any administrative rules or procedures that it deems necessary or appropriate with respect to the granting and administering of loans.

(f) Distribution of Benefits

Participants (or, in the event of a Participant's death, their beneficiary) may request a distribution of all or part of the value in their accounts in accordance with the terms and conditions of the Plan upon retirement, termination of service, disability, or death. In addition, Participants who have attained age 59 ½ may elect to withdraw all or a portion of their vested accounts while they are still employed by the Company. Participants with account balances greater than \$1,000 may defer receipt of their distributions until they are required by law to receive minimum required distributions.

Benefit payments may be made in a lump-sum distribution or in installments. The Participant or beneficiary is entitled to select the manner in which benefits payments are received subject to the terms of the Plan. If the Participant's vested account balance is \$1,000 or less, payment must be made in a lump-sum distribution.

Withdrawals for financial hardship are permitted provided they meet regulations prescribed by the Internal Revenue Service and are for a severe and immediate financial need. The Participant must have exhausted all other assets reasonably available, including obtaining a loan from the Plan and any other qualified plan maintained by the Company, prior to obtaining the hardship withdrawal.

(g) Forfeited Amounts

At January 4, 2023 and December 31, 2022, the balance of non-vested forfeited accounts totaled \$0.00 and \$252.73, respectively.

2. Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

(b) Payments of Benefits

Benefits are recorded when paid.

(c) Valuation of Investments

The Plan's investments are stated at fair value. Purchase and sales of securities are recorded on a trade-date basis. Net (depreciation) appreciation in the fair value of investments includes both realized and unrealized gains and losses. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(d) Administrative Expenses

Administrative expenses as reported on the financial statements include various fees charged to Participants for transactions. All other administrative expenses, including legal and audit fees, are paid by the Company.

(e) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Company to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates.

(f) Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

3. Investments

The Plan's net assets available for benefits at January 4, 2023 is zero.

During the year(s) ended January 4, 2023 and December 31, 2022, the Plan's investments (including gains and losses on investments bought, sold and held during the periods) (depreciated) appreciated in value as follows:

	2023	2022
Mutual funds	\$ 0.00	\$ 400,472.58

4. Fair Value Measurements

The fair value of assets and liabilities is determined by using a fair value hierarchy that distinguishes between market Participant assumptions based in market data obtained from sources independent of the reporting entity, and the reporting entity's own assumptions about market Participant assumptions based on the best information available in the circumstances.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market Participants at the measurement date, essentially an exit price.

The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs are quoted prices, unadjusted, in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. A Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs are unobservable and reflect the reporting entity's own assumptions about the assumptions that market Participants would use in pricing the asset or liability.

5. Plan Merger

The Company has merged the Plan as of January 4, 2023 in compliance with the provisions set forth in ERISA and the Internal Revenue Code (the "Code"). The Plan has merged with the Acquiring Party, Abacus Dermatology Management dba Skin and Aesthetic Centers and effective January 3, 2023 there are no further contributions to this plan.

6. Income Tax Status

The Plan obtained its latest determination letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan's design was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving this determination letter. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and the Plan and related trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan Administrator believes that there are no uncertain tax positions that would have a material impact on the financial statements of the Plan. Therefore, no provision for income taxes has been recorded in these financial statements.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of January 4, 2023 and December 31, 2022 to the Form 5500:
