INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
ETQ, LLC 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ETQ, LLC 401(k) Plan (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of January 3, 2023 (in liquidation) and statements of net assets available for benefits as of December 31, 2022 (ongoing) and the related statement of changes in net assets available for benefits (in liquidation) for the period then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ETQ, LLC 401(k) Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the ETQ, LLC 401(k) Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar qualified institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution)

Management has obtained a certification from a qualified institution as of January 31, 2023, and December 31, 2022, and for the period ended January 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ETQ, LLC 401(k) Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter Basis of Accounting

As discussed in Note 7 to the financial statements, the governing body of the ETQ, LLC 401(k) Plan approved a proposal to join the 401(k) plan offered by Hexagon, Inc. and the Plan was liquidated during 2023. Accordingly, the Plan changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ETQ, LLC 401(k) Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole

are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ETQ, LLC 401(k) Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ETQ, LLC 401(k) Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held as of January 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
ETQ, LLC 401(K) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of ETQ, LLC 401(k) Employee Benefit Plan as of December 31, 2022, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2022 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Great West Trust company LLC, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of January 31, 2023, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2022 financial statement. Accordingly, we do not express an opinion on the 2022 financial statement.

***Report on Form and Content in Compliance With DOL Rules and Regulations for 2021
Financial Statement***

The form and content of the information included in the 2022 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1 - Description of Plan

The following description of the ETQ, LLC 401(K) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

a) General

The Plan is a defined contribution plan covering substantially all full-time employees of ETQ, LLC (the “Company”) who are eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b) Contributions

Each year, participants may contribute from 1% to 100% of pretax annual compensation, not to exceed the limit allowed by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company may make a matching contribution up to \$3,000 per year. The employer may make a nonelective contribution to the Plan, although the employer is not required to make this contribution. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default rate set at 6% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant.

c) Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution and an allocation of a) the Company’s nonelective contribution, b) Plan earnings (losses), c) benefits paid, and allocations of, d) forfeitures of terminated participants’ nonvested accounts and f) administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

d) Vesting

Participants are immediately vested in all contribution types upon hiring and elected contribution. For vesting, a year of service will be credited for each 12-month period beginning on the date of hire and ending on the last date of employment with the Company.

Note 1 – Description of Plan - (Continued)

e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the account and bear interest at the rate in effect in the month the loan is effective. The interest rates range from 4.25% to 6.50% as of January 31, 2023.

f) Payment of Benefits

Upon separation of service due to (retirement, termination, disability, or death) participants can receive vested benefits in a single lump-sum payment, installments over life expectancy or as a direct rollover to an individual retirement account, individual retirement annuity, or to another employer's tax-qualified plan. If the value of a vested account balance is \$5,000 or less on the applicable Valuation Date as provided under the Plan, the Company can cash the entire vested account balance out of the Plan. Benefits are recorded when paid.

g) Forfeitures

At January 31, 2023, and December 31, 2022 forfeited non-vested accounts totaled \$0 and \$988 respectively. The plan includes a permissible withdrawal feature of 90 days for a participant who does not timely opt out of the automatic enrollment prior to the date the first deferrals were automatically withheld. Participants have up to 90 days to request a distribution of the automatically withheld amounts. Any forfeited amounts with unvested employer contributions and earnings thereon are applied against employer contributions. The forfeiture accounts are also used to pay the administrative expenses of the plan.

Note 2 - Summary of Accounting Policies

a) Subsequent Events

Management has evaluated subsequent events and transactions occurring through November 15, 2023, which is the date the financial statements were available to be issued.

b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

c) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

d) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting. Investments held by a defined contribution plan are required to be reported at fair value.

e) Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

f) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for a discussion of fair value measurements. Securities traded on the national securities exchange are valued at the last reported sales price on the last business day of the Plan year.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income are recorded on a cash basis. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

h) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for a discussion of fair value measurements. Securities traded on the national securities exchange are valued at the last reported sales price on the last business day of the Plan year.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income are recorded on a cash basis. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

i) Operating Expenses

Certain administrative expenses are paid by the Employer which reserves the right to charge such expenses to the Plan in the future.

Note 3 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 3 inputs for the accompanying financial statements and there were no changes in methods to measure fair value at January 31, 2023 and 2022.

Notes to Financial Statements
January 3, 2023

Note 3 - Fair Value Measurements – (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds, common stock, corporate bonds and U.S. Government securities is based on quoted market prices.

Level 2 Fair Value Measurements

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly

Level 3 Fair Value Measurements

For those assets with fair value measured using Level 3 inputs, the plan administrator determines the fair value measurement policies and procedures in consultation with the Company's chief financial officer and the Plan trustee. Those policies and procedures are reassessed at least annually to determine if the current valuation techniques are still appropriate. At that time, the unobservable inputs used in the fair market value measurements are evaluated and adjusted, as necessary, based on current market conditions and other third-party information.

Note 5 - Related Party Transaction

The Great-West Trust Company, LLC is the trustee as defined by the Plan. Fees paid by the Plan for the investment management services amounted to \$0 for the year ended January 31, 2023.

Note 6 - Unaudited Information

The custodian, GWFS Equities, Inc., holds the investment assets and executes transactions. Financial information relating to the investments and changes thereto included in the accompanying financial statements and supplemental schedules are based on information provided and certified as complete and accurate by the custodian. Such information has not been audited by the auditors.

Note 7 - Plan Termination

In 2022 the sponsor of the plan was acquired by Hexagon, Inc. As a result, the governing bodies of both the ETQ, LLC 401(k) Plan and the sponsor approved a proposal to join the 401(k) plan offered by Hexagon; Inc. Accordingly, the plan changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting 2023 financial statements. During January 2023, all assets of the former ETQ, LLC, 401(k) Plan were transferred to the Hexagon, Inc. 401(k) plan and the plan was liquidated.

Note 9 - Income Tax Status

The Plan was formed based on a prototype plan offered by the custodian, and the Plan Administrator did not elect to obtain an individual determination letter. Although no determination letter has been received, the Plan Administrator believes the Plan, as it is currently designed and operated, is in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Tax returns subsequent to 2020 are subject to examination.

Note 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
