## Independent Auditor's Report

To the Plan Administrator  
Horizon House, Inc. 403(b) Retirement Plan  
Philadelphia, Pennsylvania

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Horizon House Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Part IV, Line 4i: Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Horizon House 403(b) Retirement Plan

## Notes to Financial Statements

---

### 1. Description of Plan

The following description of the Horizon House 403(b) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### *General*

The Plan is a 403(b) defined contribution retirement plan covering all eligible employees of Horizon House, Inc. (the Company or Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### *Administration*

Certain administrative functions of the Plan are performed by employees of the Company. No such employee receives compensation from the Plan.

American United Life Insurance Company (AUL) serves as the custodian and record keeper of the Plan.

#### *Contributions*

Employees are eligible to participate into the Plan immediately upon hire. Participants are automatically enrolled in the Plan with a 1% deferral. Participants may decline automatic enrollment, stop, or increase their deferral at any time subject to certain Internal Revenue Code (IRC) limitations. All participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions in addition to the statutory limit. Participants may also contribute amounts representing distributions from other qualified retirement plans. The Company matches 50% of employee contributions up to 3%. To be eligible to receive the Company match, a participant must have attained 21 years of age, one year of service, and 1,000 hours of service during the plan year.

#### *Participant Accounts*

Each participant's account is credited with the participant's contributions, Company matching contributions, and investment earnings, and are charged with investment losses and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *Investment Options*

Upon enrollment in the Plan, a participant may direct contributions in variable annuity contracts and a guaranteed interest account managed by AUL. Participants may change their investment options at any time.

### ***Vesting and Forfeitures***

All participants are immediately 100% vested in their contributions and rollover contributions plus actual earnings thereon.

A participant is 100% vested in Company contributions after five years of credited service, after the attainment of normal retirement age (65), or upon death or total disability, as defined by the Plan. Vesting in the Company's matching contributions plus earnings thereon is based on years of service, as follows:

| Years of service | Vesting percentage |
|------------------|--------------------|
| Less than 2      | 0%                 |
| 2                | 20%                |
| 3                | 40%                |
| 4                | 60%                |
| 5                | 100%               |

Forfeitures attributable to matching contributions are used to reduce future employer matching contributions. During the year ended December 31, 2022, forfeitures of \$20,139 were used to reduce employer contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$226, respectively.

### ***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the value of the vested balance of the participant's account. Terms of the loan may not extend beyond five years except loans for the purchase of a primary residence. Repayments of principal and interest are paid through level payroll deductions over the life of the loan. Interest rates are based on the commercial rates for similar loans at the inception of the loan.

### ***Payment of Benefits***

The Plan provides that under certain conditions, participants may withdraw their vested benefit. A participant is entitled to receive his or her account in a lump sum distribution, annuity or in monthly, quarterly or annual installments, under the conditions described in the Plan document, in the event of retirement, termination, hardship, death or reaching age 59½ as an active employee. Upon the death of a participant, the remaining portion of the benefit will be distributed to the beneficiary using the same payment method elected by the participant.

## **2. Summary of Accounting Policies**

### ***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting.

# Horizon House 403(b) Retirement Plan

## Notes to Financial Statements

---

### ***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

The Plan's investments in pooled separate accounts are stated at net asset value (NAV) as a practical expedient to estimate fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net depreciation includes dividend income and the Plan's gains and losses on investments bought and sold, as well as held during the year.

### ***Fully Benefit Responsive Investment Contract***

The Plan is invested in a fully benefit-responsive investment contract through the AUL Stable Value Account which is reported at contract value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed where they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded.

### ***Payment of Benefits***

Benefit payments are recorded when paid.

### ***Administrative Expenses and Expense Offset Arrangements***

The Plan pays the administrative costs of the Plan associated with professional services provided to the Plan. Recordkeeping fees are paid by the Plan.

Certain revenue sharing amounts are kept in an unallocated expense benefit account to be used to offset future expenses. The unallocated expense accounts totaled \$0 at December 31, 2022 and 2021, respectively, with \$9,365 of funds applied to offset administrative expenses for the year ended December 31, 2022.

### 3. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by AUL (the Custodian of the Plan).

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule are in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used or transfers between levels at December 31, 2022 and 2021.

***Pooled Separate Accounts (PSAs):*** Pooled separate accounts are valued at the net asset value of the units held. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. The fair value of the underlying investments, which can consist of a single mutual fund or multiple securities, is determined using market quotations or prices obtained from independent pricing sources. The NAV, as provided by American United Life Insurance Company is used as a practical expedient to estimate fair value. NAV would not be used if it was probable that the investment would not be traded at NAV. The PSAs provide for daily redemptions by the Plan at reported NAV with no advance notice. There are no unfunded commitments related to these investments.

# Horizon House 403(b) Retirement Plan

## Notes to Financial Statements

Below is the fair market value by fund type of the pooled separate accounts and the related investment strategy:

| Fund Type   | December<br>31, 2022 | December<br>31, 2021 |
|-------------|----------------------|----------------------|
| Equity      | \$ 4,918,468         | \$ 7,106,725         |
| Bond        | 434,727              | 606,018              |
| Target      | 11,689,886           | 14,236,675           |
| Diversified | 1,485,439            | 1,678,737            |
| Total       | \$ 18,528,520        | 23,628,155           |

*Equity* - Seeks long-term growth of principal and income. The fund invests primarily in a diversified portfolio of equity securities.

*Bond* - Seeks to either increase returns based on anticipated changes in these bond-pricing factors or to maintain a certain return regardless of changes in those factors. Investments are made primarily in a diversified portfolio of investment grade, fixed-income securities of various types of bonds and other securities.

*Target based* - Invests the assets of each target retirement fund into underlying funds according to a proprietary asset allocation strategy. The investment objective is to seek capital growth and income over the long term.

*Diversified* - Seeks a return through an investment of a diversification of equity, fixed income and other investments.

### 5. Fully Benefit-Responsive Investment Contract with Insurance Company

As of December 31, 2022, the Plan invests in the Stable Value fund with AUL. As of December 31, 2021, the Plan invested in the Fixed Account with AUL. AUL maintains the contributions of the Stable Value Account and Fixed Account (the Accounts) in a general account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of these investments was \$1,708,330 and \$1,811,077 at December 31, 2022 and 2021, respectively.

Certain events limit the Plan's ability to transact at contract value with AUL. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing

# Horizon House 403(b) Retirement Plan

## Notes to Financial Statements

investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit AUL to terminate the agreement prior to the scheduled maturity date.

### 6. Parties-in-Interest and Related-Party Transactions

AUL, the custodian of the Plan, manages the Stable Value Account. Therefore, these transactions within the Stable Value Account qualify as party-in-interest transactions and are denoted as such on the supplemental schedule of assets (held at end of year). Fees incurred by the Plan for investment management services were included as a reduction of the return earned on each investment fund and included in net depreciation in fair value of investments.

Notes receivable from participants qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

### 7. Tax Status

The Plan adopted a new volume submitter plan effective January 1, 2020, which has obtained a favorable opinion letter dated March 31, 2017 from the Internal Revenue Service (IRS) program on pre-approved plans as outlined in Revenue Procedure 2013-12. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently operating, in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

### 8. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, contributions cannot be made to the Plan, and participant balances will remain vested in accordance with Plan provisions and may be distributed. In the event of Plan termination, participants would become 100% vested in their employer contributions.

### 9. Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the

---

near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **10. Subsequent Events**

Events and transactions subsequent to year end have been evaluated for potential recognition or disclosure in the financial statements through November 13, 2023, which is the date these financial statements were available to be issued.
