INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Canteen Services, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Canteen Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of July 31, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 to July 31, 2022 and for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended July 31, 2022 and December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Canteen Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Canteen Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Canteen Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Canteen Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

CANTEEN SERVICES, INC. 401(K) PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF THE PLAN

The Canteen Services, Inc. 401(k) Plan (Plan) was a defined contribution plan which was adopted in February 2019 under Section 401(k) of the Internal Revenue Code. The Plan covered substantially all employees of Canteen Services, Inc who have completed ninety days of service. The Plan's trustees determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Information about the plan, participant investment alternatives, and the benefit provisions is contained in the Summary Plan Description. Copies of the Summary Plan Description are available from the human resources office of the plan sponsor.

During 2022, the Company approved an amendment to merge the Canteen Services, Inc. 401(k) Plan with the iSolved PEO, LLC 401(k) Plan. At the time of the merger, all assets were transferred out of the Canteen Services, Inc. 401(k) Plan and rolled into the iSolved PEO, LLC 401(k) Plan. During 2022, assets of \$578,955 were transferred out of the Plan as a result of the merger. As of July 31, 2022, all assets were transferred out of the Plan.

Contributions - Contributions to the Plan are elective for participants of the Plan and are in the form of pre-tax salary deferrals. The participant contributions can range from one to one hundred percent of compensation, not to exceed current IRS imposed limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make rollovers to the plan from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. Safe Harbor employer contributions are made in an amount equal to 100% of the amount of elective deferrals that do not exceed 3% of compensation, and 50% of the amount of elective deferral of the next 2% of compensation for each employee. Participant and employer contributions are 100% vested at all times.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's contribution, allocations of plan earnings (losses), and charged with an allocation of any administrative expenses that are paid by the Plan. Allocations of earnings and expenses are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A participant's 401(k) account balance, made up of employee qualifying contributions, safe harbor contributions and related investment earnings, vests immediately.

Administrative Expenses - Certain administrative expenses of maintaining the Plan are paid by the Plan's sponsor. Certain expenses of maintaining the Plan are paid by the Plan, unless

CANTEEN SERVICES, INC. 401(K) PLAN

Notes to Financial Statements

otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) of fair value investments.

Payment of Benefits - Funds may be withdrawn from a participant's account upon the occurrence of one of the following: hardship, attainment of age 59-1/2, QDRO, death, total disability, qualified active military duty, termination of employment, transfer of employment or attainment of age for required minimum distribution. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or transfer the value of the participant's account into another qualified retirement plan. A participant who terminates employment with a vested account balances that does not exceed \$5,000 at time of termination may receive a lump sum distribution of their account balance.

Notes Receivable from Participants - A participant may borrow up to 50% of his or her account balance, up to a maximum of \$50,000. The loans are secured by the balance in the participant's account. Interest is charged on the outstanding loan balance at the prevailing rate for comparable loans. Loans are repaid by payroll deduction over a term that complies with Internal Revenue Code guidelines. Both interest and principal payments are credited to the participant's account.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Valuation of Investments and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates - The preparation of the financial statements in accordance with the accrual basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes there in, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

CANTEEN SERVICES, INC. 401(K) PLAN

Notes to Financial Statements

Notes Receivable from Participants - Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 31, 2022 and December 31, 2021.

Payment of Benefits - Benefits are recorded when paid.

Reclassifications – Certain amounts as reported in the 2021 financial statements have been reclassified to confirm with the 2022 presentation.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The investment information disclosed in the accompanying financial statements, including investments held at July 31, 2022 and December 31, 2021, and net appreciation (depreciation) in fair value of investments, interest, and dividend income, for the period from January 1, 2022 to July 31, 2022 and for the year ended December 31, 2021, were obtained, or derived from information supplied to the plan administrator and certified as complete and accurate by Huntington National Bank, the trustee.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology includes quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

CANTEEN SERVICES, INC. 401(K) PLAN

Notes to Financial Statements

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. No Level 3 inputs were available to the Plan.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are presented as level 1 in the fair value measurements table.

Government money market fund: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings, etc. The government money market fund can be redeemed on a daily basis and there are no unfunded commitments. The government money market funds are presented as level 2 in the fair value measurement table.

There were no investments held as of July 31, 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Fair Value	Fair Value Measurements at Report Date Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
December 31, 2021			
Mutual funds	\$ 498,305	\$ 498,305	\$ -
Government money market fund	111,707	-	111,707

CANTEEN SERVICES, INC. 401(K) PLAN

Notes to Financial Statements

NOTE 5 - INCOME TAX STATUS

The Internal Revenue Service has reviewed and approved the Prototype Non-standardized Profit Sharing with CODA (upon which this plan is based) in a letter dated June 30, 2020. The Plan has been amended since receiving the letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The Internal Revenue Service requires that the Plan satisfy various compliance tests to retain its qualified status. The Company has completed and passed the compliance tests for the year ending December 31, 2022. Additionally, the Plan is a safe harbor plan.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Huntington National Bank served as the plan's custodian and recordkeeper from January 1, 2022 to July 31, 2022 and for the year ended December 31, 2021, and related transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to Huntington National Bank from January 1, 2022 to July 31, 2022 and during the year ended December 31, 2021 amounted to \$2,548 and \$4,018, respectively. These fees are included in administrative expenses on the statements of changes in net assets available for benefits. Certain professional fees and fees for the administration of the Plan, such as salaries, accounting, and legal, were paid by the plan sponsor.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Management of the plan has evaluated subsequent events through November 8, 2023, the date the financial statements were available to be issued.
