INDEPENDENT AUDITOR'S REPORT

July 27, 2023

To the Trustee of
401(k) Retirement Savings Plan for Employees of
Perry's Ice Cream Company, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 401(k) Retirement Savings Plan for Employees of Perry's Ice Cream Company, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company, Inc. financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements Section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

July 27, 2023

To the Trustee of
401(k) Retirement Savings Plan for Employees of
Perry's Ice Cream Company, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 401(k) Retirement Savings Plan for Employees of Perry's Ice Cream Company, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company, Inc. financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements Section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Retirement Savings Plan of the Employees of Perry's Ice Cream Company, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

401(k) RETIREMENT SAVINGS PLAN FOR EMPLOYEES OF PERRY'S ICE CREAM COMPANY, INC.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following is a description of the 401(k) Retirement Savings Plan for Employees of Perry's Ice Cream Company, Inc. (the "Plan") and is provided for general informational purposes. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan designed to meet the requirements of Section 401(k) of the Internal Revenue Code. The Plan is sponsored and administered by Perry's Ice Cream Company, Inc. ("Perry's"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Perry's employees are eligible to participate in the Plan on the first day of the month after hire.

Contributions

Participants may elect to contribute up to 60% of their salary (Salary Reduction Contribution), subject to the maximum contribution allowed by the Internal Revenue Code (\$20,500 for the year ended December 31, 2022 and \$19,500 for the year ended December 31, 2021). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 in 2022 and 2021). As of December 6, 2021, the Plan allows for participants to designate a portion or all of their deferral contributions to a Roth 401(k) option.

For participants who have completed between 1 and 10 years of credited service of at least 1,000 hours in a 12 consecutive month period beginning with the employee's employment commencement date, Perry's makes a matching contribution in an amount equal to the sum of 100% of the first 2% and 50% of the next 4% of the participant's earnings contributed as a Salary Reduction Contribution. For participants who have completed at least 10 years of credited service, the matching contribution is equal to 100% of the first 5% of the participant's earnings contributed as a Salary Reduction Contribution.

Perry's may also make a discretionary profit sharing contribution which will be allocated to participants based on years of credited service and annual compensation. No such contributions were made to the Plan for the years ended December 31, 2022 and 2021.

Participant Accounts

Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Perry's contributions, and the participant's share of Plan earnings (allocated daily). Participant accounts are decreased by participant distributions and the participant's share of Plan expenses and losses. Earnings and losses are allocated from the investment chosen by a participant based on the fair value of their respective ownership in the underlying investment.

1. DESCRIPTION OF PLAN (Continued)

Investments

Participants have the option of directing their contributions into twenty-one separate mutual funds managed by Fidelity Management and Research Company ("Fidelity"). Participants may also invest in the Fidelity Managed Income Portfolio, which is a common collective trust of the Fidelity Group Trust for Employee Benefit Plans. Finally, the participants may also invest in five separate mutual funds not managed by Fidelity. Participants may elect to change the allocation of their individual accounts among the investment alternatives at any time.

Plan Administration

The Plan is administered by Perry's. Participant account records are maintained by the custodian, Fidelity Management Trust Company. Costs of administration are paid primarily by Perry's. A portion of Plan expenses may be charged to the Plan.

Vesting of Contributions

Participants are fully vested in all salary reduction and Perry's contributions, and earnings/losses thereon.

Benefits

On termination of service due to death, disability, retirement, or other reasons, participants or their beneficiaries may elect to receive an amount equal to the value of their vested account in either a lump sum distribution or in scheduled installments over various lengths of time. Normal retirement age is 65. Withdrawals may also be made prior to age 65 for reasons of financial hardship or upon attainment of age 59-1/2.

Notes Receivable from Participants

The Plan provides for general and home purchase loans to participants with the minimum loan amount of \$1,000. Loans are limited to the lesser of \$50,000 or one-half of the participant's vested balance in the Plan. The maximum terms of general loans and home purchase loans are five years and ten years, respectively. Interest is charged at a fixed rate established by the Plan as of the date of the loan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's policy is to prepare its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under this basis, investment income is recognized when earned. Participant contributions, and the related Perry's matching contributions, are recorded when withheld from participant's paychecks and reported as a receivable until remitted by Perry's to Fidelity Management Trust Company. Excess contributions at the end of a Plan year are recorded as a liability of the Plan prior to the actual repayment of those amounts to the participants.

Estimates

The preparation of financial statements, in accordance with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts and disclosures that are in the financial statements. Actual results could differ from management's estimates and assumptions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between knowledgeable unrelated parties at the measurement date. See Note 3 for a discussion of fair value measurements.

Security Transactions and Investment Income

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes realized gains and losses, and unrealized gains and losses attributable to the investments.

Payments of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest.

3. FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establish a fair value hierarchy that prioritizes the valuation assumptions used to measure fair value. This hierarchy consists of three broad levels: **Level 1** - assumptions rely on unadjusted quoted prices in active markets for identical assets and must be used when available, **Level 2** - assumptions rely on quoted prices for similar, but not identical, assets, and **Level 3** - assumptions generally are developed by the reporting entity, and may only be utilized when Level 1 and Level 2 information is not available. The Plan uses appropriate valuation techniques on the available information to measure the fair value of its investment assets.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds - The fair value of the mutual funds is based on quoted market prices of the shares held by the Plan at year-end.

3. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2022 and 2021:

	<u>Investments at Fair Value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$30,303,223</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$30,303,223</u>
Investment measured at net asset value as a practical expedient				<u>2,685,374</u>
Total investments at fair value				<u>\$32,988,597</u>

3. FAIR VALUE MEASUREMENTS (Continued)

	<u>Investments at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$37,880,933</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$37,880,933</u>
Investment measured at net asset value as a practical expedient				<u>2,686,806</u>
Total investments at fair value				<u>\$40,567,739</u>

The investment measured at net asset value as a practical expedient is an investment in a common collective trust (CCT) (The Fidelity Management Trust Company Managed Income Portfolio). The fund seeks to preserve the principal investment while earning a level of interest income that is consistent with principal preservation. There were no unfunded commitments of the CCT as of issuance. The redemption frequency is daily with participant transactions typically processed within one business day of being requested.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, Perry's has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, participant account balances will be paid out in a single lump sum.

6. INFORMATION PREPARED AND CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, the custodian of the Plan.

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of mutual funds and CCT managed by Fidelity, an affiliate of the custodian of the Plan and, therefore transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

Notes receivable from participants qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. FORM 5500 TO FINANCIAL STATEMENTS

There are no reconciling items between the financial statements and the Form 5500.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 27, 2023, which is the date the financial statements were available to be issued.
