INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor, Participants, and Trustee of
Tandigm Health, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tandigm Health, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tandigm Health, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tandigm Health, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tandigm Health, LLC 401(k) Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tandigm Health, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tandigm Health, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Each participant directs his or her employee and employer contributions to any of the investment options offered by the Plan. Each participant’s account is credited with the employee’s contribution, employer contributions, and an allocation of the Plan’s earnings (losses), participant withdrawals, if any, and administrative expenses, if applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

All participants are immediately vested in their contributions and earnings thereon. Participants are also 100% vested in all employer safe harbor matching contributions. Additionally, the Company makes discretionary profit-sharing contributions which vest ratably over a period of five years at which point the participant is 100% vested. The Company also recognizes prior service with certain designated employers for purposes of calculating participants’ vesting in discretionary profit-sharing contributions.

Withdrawals and Distributions

During employment, a participant may make withdrawals of vested amounts upon retirement, death, disability, separation from service, or attainment of age 59½.

Benefit Payments

Upon termination of service due to death, disability, retirement, or for other reasons, a participant or his or her beneficiary may elect to receive a lump-sum amount equal to the value of the participant's account or in installments, as defined in the Plan document. In addition, hardship distributions are permitted if certain circumstances are met.

Forfeited Accounts

In the event that a participant terminates employment with the Company, unvested account balances are forfeited and remain in the Plan to reduce future Company contributions, pay Plan administrative expenses, or be allocated to participants. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$9 and \$78,979, respectively. Forfeited nonvested accounts were used to reduce employer contributions by \$65,234 and Plan administrative expenses by \$187 in 2022.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the balance in the participant's account and may not exceed five years with interest rates ranging from 4.25% to 8%, which bear a reasonable rate of interest as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 4.

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to net assets when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan payments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a deemed distribution is recorded.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risk and Uncertainties

The Plan's assets are invested in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net depreciation in fair value of investments and are not readily determinable.

Payment of Benefits

Benefits are recorded when paid.

3. CUSTODIAN AND TRUSTEE CERTIFICATIONS AND INVESTMENTS (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520, 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Principal Life Insurance Company, the custodian and the trustee, except for comparing such information with information reported in the financial statements. Based on information provided and certified by the custodian and the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022 and 2021.

The following information as of December 31, 2022 and 2021 and for the year ended December 31, 2022 was obtained from the reports issued by the custodian and trustee of the Plan:

	<u>2022</u>	<u>2021</u>
Investments, at fair value		
Common collective trusts	\$ 18,984,150	\$ 19,496,426
Pooled separate accounts	\$ 5,589,354	\$ 5,744,004
Net depreciation in fair value of investments	\$ (4,488,144)	
Interest income - notes receivable from participants	\$ 15,032	

4. FAIR VALUE MEASUREMENTS

The FASB established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Tandigm Health, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Common Collective Trusts: Investments held by a common collective investment trust are valued based on the net asset value ("NAV") of the shares held by the Plan at year-end, which is based on the unit price quotes representing the fair value of the underlying investments. There were no significant unfunded commitments or restrictions on redemptions related to common collective investment trusts as of December 31, 2022 and 2021. Common collective investment trusts can be redeemed daily.

Pooled Separate Accounts: Units held in pooled separate accounts are valued based at the NAV of the shares held by the Plan at year-end, which is based on the unit prices quoted by the fund, representing the fair value of the underlying investments. There were no significant unfunded commitments or restrictions on redemptions related to pooled separate accounts as of December 31, 2022 and 2021. Pooled separate accounts can be redeemed daily.

Registered Investment Company: Valued at quoted market prices, which represents the daily closing price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Common collective trusts	\$ 18,984,150	\$ -	\$ -	\$ 18,984,150
Pooled separate accounts	5,589,354	-	-	5,589,354
Registered investment company	65,946	-	-	65,946
	\$ 24,639,450	\$ -	\$ -	\$ 24,639,450

Tandigm Health, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

	2021			
	Level 1	Level 2	Level 3	Total
Common collective trusts	\$ 19,496,426	\$ -	\$ -	\$ 19,496,426
Pooled separate accounts	5,744,004	-	-	5,744,004
Registered investment company	65,120	-	-	65,120
	<u>\$ 25,305,550</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,305,550</u>

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

5. TERMINATION OF THE PLAN

Although it has not expressed any interest to do so, the Company reserves the right to modify, amend, or terminate the Plan at any time by resolution of its board of directors, subject to the provisions set forth in ERISA. Upon such termination, participants will become 100% vested in their accounts. All participants shall receive a total distribution of their accounts as described in the Plan document.

6. TAX STATUS

The Internal Revenue Service has determined and informed the Company, in a letter dated June 30, 2020, that the Plan is designed in accordance with the applicable section of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Company believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments and notes receivable from participants are managed by Principal Life Insurance Company, the custodian and trustee of the Plan. Transactions involving the custodian and trustee are considered to be transactions with a party in interest. Fees paid by the Plan to Principal Life Insurance Company and Principal Global Investors Trust Company amounted to \$2,695.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 29, 2023, the date the financial statements were available to be issued. No material subsequent events have occurred since December 31, 2022 that required recognition or disclosure in the financial statements.
