## Independent Auditors' Report

To the Trustees  
Legacy Healing Center Margate 401(k) Plan  
Margate, Florida

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of Legacy Healing Center Margate 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion – 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Continued from previous page*

***Basis for Opinion – 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management - 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one (1) year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit – 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

*Continued from previous page*

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA – 2022 Financial Statements***

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) at December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and

*Continued from previous page*

other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter — Report on the 2021 Financial Statements***

The financial statements of Legacy Healing Center Margate 401(k) Plan for the year ended December 31, 2021, were audited by other auditors and their report thereon dated March 21, 2023, which expressed an unqualified opinion on those financial statements.

## **Note 1 – Description of Plan**

The Legacy Healing Center Margate, LLC 401(k) Plan (the “Plan”) was established on January 1, 2018. The following description of the Plan provides only general information. Participants should refer to the Plan agreement and benefit plan documents for a more complete description of the Plan and its provisions.

### **General**

Legacy Healing Center Margate, LLC (the “Sponsor”) adopted the Plan to provide employees with the opportunity to save for retirement. The Plan is a defined contribution 401(k) plan covering substantially all employees of the Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

### **Plan Administration**

The Plan entered into an agreement whereby Reliance Trust Company, (the “Trustee” or “Reliance”) has been appointed the Trustee of the Plan assets. Under the terms of the agreement, the Trustee holds and invests the funds of the Plan subject to the direction of the Plan participants.

### **Eligibility**

An employee of the Sponsor is eligible for participation in the Plan when he or she (a) has attained age 21 years. Entry date is the First day of the month coinciding with or next following date requirements met.

### **Contributions**

Each year, participants may defer 1% to 90% of their total compensation through periodic payroll deductions, up to contribution limits specified by the Internal Revenue Code (“IRC”). The maximum pre-tax contribution for the year ended December 31, 2022, was \$20,500. In addition, participants over 50 years of age are permitted to make additional catch-up contributions of \$6,500 for the year ended December 31, 2022.

The Sponsor makes safe harbor matching contributions equal to 100% of the participant's deferral that does not exceed 4% of their compensation for the Plan year.

### **Rollovers**

The Plan accepts eligible rollover contributions from qualified plans.

### **Participant Accounts**

Each participant's account is credited with the participant's contribution, allocations of the Sponsor's contribution and the Plan earnings, and charged with an allocation of administrative expenses.

## **Note 1 – Description of Plan, continued**

### **Participant Accounts, continued**

Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are immediately vested in their voluntary contributions, rollover contributions and the Sponsor safe harbor matching contributions, plus actual earnings thereon. Participants are always 100% fully vested in their total Account Balance in the Plan.

### **Payment of Benefits**

Participants may continue to defer compensation and the earnings on their accounts, on a tax-free basis, until they reach the age of retirement of 65 (early retirement is attainment of age 55). Upon retirement age, the retirement funds can be withdrawn and will be subject to federal income tax. The participant may receive an "in-service" distribution of all or a portion of his/her account upon attaining age 59 ½. Funds also can be withdrawn upon death, disability, termination, or reasons of proven financial hardship and will be subject to federal income tax. The Plan automatically distributes participant accounts with balances less than \$5,000 upon termination of employment.

### **Investment Options**

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, money market funds and common collective trusts.

In addition, participants have the option of utilizing a self-directed brokerage account ("brokerage account"), through which participants are able to invest in a variety of securities including money market, mutual funds, equities and certain fixed-income securities.

### **Notes Receivable from Participants**

Participants may receive loans for any purpose in accordance with the Plan's provisions. The maximum amount of a participant loan is the lesser of \$50,000 or 50% of the participant's vested account balance at the time of the loan. The minimum loan amount is \$1,000, and the loans bear an interest rate of 1% above the prime rate (9.00% and 4.25% at December 31, 2022 and 2021, respectively). Participants may not have more than one (1) loan outstanding at a time. The terms of the loans may be no more than five (5) years, unless they are used for the purchase of a principal residence, with repayments being done on a payroll deduction basis. The loans are secured by the balance in the participant's account. All loans must have a definite repayment period for the loan to be amortized on a level basis over a reasonable period of time. Principal and interest are paid through payroll deductions.

## **Note 1 – Description of Plan, continued**

### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments and not readily determinable.

### **Basis of Accounting**

The financial statements of the Plan have been prepared under the accrual basis of accounting in conformity with generally accepted accounting principles in the United States of America ("GAAP").

## **Note 2 – Summary of Significant Accounting Policies**

### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investment contracts held by a defined-contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Investments held in the self-directed brokerage account constitute a broad array of stocks, mutual funds, and money market funds. Fair value of these investments is determined based on evaluated prices using observable, market-based inputs. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

### **Benefit Payments**

Benefit payments to participants are recorded when paid.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balances plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan documents.

### **Date of Management's Review**

Subsequent events were evaluated through November 9, 2023, which is the date the financial statements were available to be issued.

### **Note 3 – Information Certified by the Trustee**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-5 and 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, the Trustee of the Plan has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for plan benefits at December 31, 2022 and 2021, and the schedule of assets (held at end of year) at December 31, 2022, and the related investment activity reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022 allows for involuntary cash out of distributions if the account balance of a terminated participant is less than \$1,000.

### **Note 4 – Fair Value Measurements**

GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three (3) levels of the fair value hierarchy under GAAP are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted market prices in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

## Note 4 – Fair Value Measurements, continued

There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s investments at fair value on a recurring basis:

| At December 31, 2022 |                     |                     |                |                |
|----------------------|---------------------|---------------------|----------------|----------------|
|                      | <u>Fair Value</u>   | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u> |
| Mutual funds         | <u>\$ 2,125,186</u> | <u>\$ 2,125,186</u> | <u>\$ -</u>    | <u>\$ -</u>    |
| At December 31, 2021 |                     |                     |                |                |
|                      | <u>Fair Value</u>   | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u> |
| Mutual funds         | <u>\$ 1,542,405</u> | <u>\$ 1,542,405</u> | <u>\$ -</u>    | <u>\$ -</u>    |

(a) In accordance with Subtopic 820-10 as amended by the Accounting Standards Update (“ASU”) No. 2015-07, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

## Note 5 – Party-in-Interest Transactions

Certain Plan investments are managed by the Trustee. The Plan paid certain expenses related to plan operations to various service providers, these transactions are party-in-interest transactions under ERISA. The Sponsor pays directly any other fees related to the Plan’s operations. In addition, participants may receive loans from the Plan, which are also party-in-interest transactions.

## **Note 6 – Tax Status**

The Plan is a volume submitter plan, sponsored by the Trustee, designed in accordance with applicable sections of the IRC. ADP received an opinion letter from the Internal Revenue Service (“IRS”) dated October 6, 2020, stating that the Plan is qualified under section 401(a) of the Code and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the determination letter. Plan management believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan, as amended, is qualified and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that at December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **Note 7 – Risks and Uncertainties**

### **Investment Risks**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

## **Note 8 – Plan Termination**

Although it has not expressed any intent to do so, the Sponsor reserves the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. Upon termination, participants are entitled to their entire Account Balance. Management has no intention of terminating the Plan at this time.
