INDEPENDENT AUDITORS' REPORT

Plan Management and Plan Governance
All Star Glass 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of All Star Glass 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 1, 2023 and December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the period from January 1, 2023 to March 1, 2023 and the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 1, 2023 and December 31, 2022 and 2021, and for the period ended March 1, 2023 and the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Plan Merger

As described in Note 1, the Plan was merged with Driven Brand Inc. Employee Retirement Savings Plan on March 1, 2023.

Other Matter – Deferral of Audit Opinion

The Plan sponsor elected to defer presentation of the 2022 plan financial statement with the 2022 Form 5500 pursuant to 29 CFR 2520.104-50. Those financial statements are presented herein and will accompany the 2023 Form 5500.

Other Matter – Supplemental Information Required by ERISA

The supplemental information as of March 1, 2023 and December 31, 2022 and for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the All Star Glass 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

Plan Merger

In connection with the purchase of All-Star Glass, Inc. by Driven Brands Inc., the plan was merged into the Driven Brand Inc. 401(k) Employee Retirement Savings Plan (the merged Plan) as of March 1, 2023. In accordance with ERISA, all participant accounts become fully vested and nonforfeitable as of March 1, 2023. Contributions to the Plan ceased and contributions were contributed to the merged Plan as of June 22, 2022, however loan repayments continued until participant accounts were liquidated and distributed to the merged Plan in full on March 1, 2023. Contributions to the Plan ceased and contributions were contributed to the merged Plan as of June 22, 2022, however loan repayments continued until participant accounts were liquidated and distributed to the merged Plan in full on March 1, 2023.

General

The Plan covers substantially all employees of All Star Glass, Inc. (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan's Sponsor and serves as the Plan Administrator. The Plan Administrator is responsible for oversight of the Plan as well as determining and reviewing the appropriateness of the Plan's investment offerings and investment performance.

The Plan is a defined contribution plan under the provision of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan became effective on January 1, 1996 and was restated in its entirety effective August 15, 2021. The Company contracted with Ascensus Trust Company to serve as Trustee of the Plan's assets. Plan participant recordkeeping and administrative services are performed by Ascensus, Inc., parent company of Ascensus Trust Company.

Eligibility

Generally, an employee is eligible to participate in the Plan upon attaining age 18 and completing three months of service. Plan entry dates are January 1 or July 1 following the date eligibility requirements are met.

Participant Contributions

Participants may affirmatively elect a percentage from 0% to 15% of their annual compensation into a pre-tax deferral account up to the maximum allowed by the IRS limitation. Participants may also contribute amounts representing distributions (rollovers) from other qualified plans.

**ALL STAR GLASS 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Employer Contributions

The Company provided a discretionary matching contribution of 12% of employee contributions. The Company may also provide a discretionary profit-sharing contribution for eligible participants; however, no such contribution was made or declared for the period presented.

Effective June 22, 2022, the Company ceased making matching contributions into the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of all assets attributable to their account. Each participant designates the percentage of any one or more of their accounts that is to be invested in each of several authorized investment funds designated by the Plan's Administrator.

Notes Receivable from Participants

The Plan allows participants to borrow against their vested account balances. Loans may not be made for less than \$1,000 and may not exceed the lesser of \$50,000 or 50% of a participant's vested account balance. The interest rate for loans is prime plus 1% at loan origination. Principal and interest is paid ratably through payroll deductions not to exceed five years unless the note proceeds were used for the purchase of a principal residence. Only one loan can be outstanding at a time for any participant.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or paid as a direct rollover to an individual retirement account (IRA) or to another employer's tax qualified plan. Active participants may withdraw any part of their account in a single sum in the event of undue financial hardship or attainment of age 59 1/2. If the terminated participant's account is \$5,000 or less, the Plan may distribute the account balance to an IRA without prior approval of the participant.

**ALL STAR GLASS 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS**

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution is based on years of continuous service. A year of qualified service, for vesting purposes, is based on the completion of 1,000 hours of service during the 12 consecutive month period beginning with the employee's hire date. A participant is vested in the Company's matching contribution based on the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Forfeited Accounts

A participant's unvested portion of the Company matching contributions is forfeited upon termination of employment. Forfeitures are maintained in a separate account and can be used to reduce matching contributions or pay Plan expenses.

Non-vested forfeited account balances at March 1, 2023, December 31, 2022, and December 31, 2021 were \$0, \$5,339, and \$780, respectively. No forfeitures were used by the Company during 2022 or during the periods from January 1, 2023 through March 1, 2023.

Administrative Expenses

Fees related to the administration of loans and distributions are deducted from the account of the participant initiating the transaction and are included in administrative expenses. All other administrative expenses are paid by the Plan and allocated to all participants.

Certain investment management fees and other charges paid to the Trustee are offset against fund performance in the net appreciation/ (depreciation) section of the Statements of Changes in Net Assets Available for Benefits and are not, therefore, separately reflected as administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Employee and employer contributions are recognized in the period that contributions are due.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policy utilizing information provided by the Plan Trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/ (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits to Participants

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan Document. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and December 31, 2021, no allowance for credit losses has been recorded. The Plan allowed participants to make loan payments until participant accounts were liquidated and distributed.

NOTE 3 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2022 and 2021.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily closing price and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at fair value by discounting to related cash flows based on current yields of similar instruments with comparable durations.

Gains and losses including changes in net assets available for benefits for the period ended March 1, 2023 and year ended December 31, 2022, are reported in net appreciation (depreciation) in fair value of investments.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of March 1, 2023, December 31, 2022 and 2021.
- Net appreciation (depreciation) in fair value of investments, dividends, interest, and interest income on notes receivable from participants reflected on the accompanying Statements of Changes in Net Assets Available for Benefits for the period ended March 1, 2023, and year ended December 31, 2022.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments and notes receivable from participants are managed by Ascensus Trust Company, Trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. Administrative expenses paid by the Plan to Ascensus Trust Company and other Plan service providers qualify as exempt party-in-interest transactions.

NOTE 6 - TAX STATUS

The Internal Revenue Service (IRS) has informed the Plan sponsor by a letter dated August 15, 2021 for the prototype plan adopted by the Plan, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investments securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements presented.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events and transactions for potential recognition or disclosure through November 13, 2023, the date the financial statements were available to be issued and concluded that there were no events or transactions that needed to be disclosed.
