INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Sponsor of

GO CARWASH CORP 401(k) PLAN AND TRUST

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of **Go Carwash Corp 401(k) Plan and Trust** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) Audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022, and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule(s) Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of Plan

The following description of the Go Carwash Corp 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions:

- A. General** - The Plan, established as of May 1, 2019, is a defined contribution plan sponsored by Go Carwash Management, Corp (the "Company") covering all employees of the Company who have completed three months of service and have attained 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
- B. Participant contributions** - Participants may contribute from 1% to 90% of their compensation on a pre-tax or after-tax basis, as defined by the Plan, subject to certain limitations prescribed by the Internal Revenue Service ("IRS"). Participants may also contribute amounts representing distributions from other qualified retirement plans. In addition, the Plan allows participants, attaining the age of 50 before the end of the Plan year, to make additional catch-up contributions to the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The deferral rate is then increased by 1% each succeeding Plan year based on the participant's anniversary date up to a maximum of 10%.

- C. Employer contributions** - The Company may make matching contributions to the Plan. The Company has the right under the Plan to discontinue its contributions at any time. Employees must meet the eligibility requirements of the Plan in order to receive matching contributions. For 2022, the Company authorized a match equal to 25% of the first 6% of the participants' eligible compensation contributed as an elective deferral each pay period.

The Company may also make non-elective contributions to the Plan. There were no such contributions authorized during the Plan year ended December 31, 2022.

- D. Participant accounts** - Each participant's account is credited with the participants' contributions, the Company's matching contributions, and actual Plan earnings and forfeitures, and is charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. Vesting** - Participants are immediately vested in their elective and rollover contributions, the Company's matching contributions, plus actual earnings thereon. Non-elective contributions have a graded vesting schedule that increases by 20% each year after completing two years of service and become fully vested after six years of service.
- F. Notes receivable from participants** - Participants may borrow an amount not to exceed 50% of their vested account balance, up to a maximum of \$50,000 (but not less than \$500). Notes receivable must be repaid over a term not to exceed five years from the date the proceeds are received unless the entire proceeds are used to purchase the participant's primary residence, in which case the repayment period may be extended up to 30 years. The notes receivable are secured by the balance in the participant's account and bear interest at the Prime rate plus 2%. Principal and interest are paid ratably through payroll deductions.

(1) Description of Plan (continued)

G. Payment of benefits - In general, distributions from the Plan will be made in one lump-sum payment in cash. If the value of a participant's vested benefit is more than \$1,000 upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum payment amount equal to the value of his or her account, or annual installments over a certain period, and in no event exceeding the life expectancy of the participant as determined at the time of distribution. A participant may defer receipt of a distribution until retirement as long as the participants' vested balance exceeds \$5,000.

The Plan provides for the payment of benefits in amounts up to the entire vested balance in a participant's account upon one of the following:

- a. Termination of employment
- b. Death or disability of the participant
- c. Attainment of age 59 ½
- d. Demonstrated hardship

H. Forfeitures - Forfeitures of nonvested accounts are utilized to pay administrative expenses and employer contributions as required by the Plan document. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$0. During the year ended December 31, 2022, there were no forfeited nonvested accounts used to fund employer contributions or pay administrative expenses.

I. Termination of the Plan - Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA.

J. Administrative expenses - The Company has elected to pay certain administrative expenses on behalf of the Plan during 2022. The Plan has no obligation to reimburse the Company for such expenses.

(2) Summary of significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting - The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of net assets and the reported amounts of additions and deductions from net assets. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(2) Summary of significant accounting policies (continued)

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest.

Payment of benefits - Benefits are recorded when paid.

Risks and uncertainties - Investments held by the Plan are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Subsequent events - Plan management has evaluated subsequent events through August 23, 2023 which is the date the financial statements of the Plan were available to be issued.

(3) Information certified by the trustee

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company ("Reliance"), the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments, at fair value
- Notes receivable from participants
- Interest and dividends
- Interest income on notes receivable from participants
- Net depreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value measurements

FASB ASC 820, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

GO CARWASH CORP 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(4) Fair value measurements (continued)

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used as of December 31, 2022 and 2021.

Mutual funds: Mutual funds are reported at net asset value, which represent a readily determinable fair value of the shares held as they are published daily and are the basis for current transactions.

Common collective trust ("CCT"): CCTs are valued based upon the quoted redemption value of units, or the equivalent of net asset value, which is a practical expedient for estimating fair value. This investment had no unfunded commitments as of December 31, 2022 and 2021, and can be redeemed daily with no redemption notice period or other redemption restrictions.

The following summarizes by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 2,096,759	\$ 2,096,759	\$ -	\$ -
Common collective trust*	7,627	-	-	-
Total	<u>\$ 2,104,386</u>	<u>\$ 2,096,759</u>	<u>\$ -</u>	<u>\$ -</u>

The following summarizes by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 823,989	\$ 823,989	\$ -	\$ -
Common collective trust*	241	-	-	-
Total	<u>\$ 824,230</u>	<u>\$ 823,989</u>	<u>\$ -</u>	<u>\$ -</u>

*Certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for determining fair value are not required to be classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(5) Party-in-interest transactions

ADP Retirement Services is the recordkeeper of the Plan; therefore, fees incurred and paid by the Plan for the recordkeeping services qualify as party-in-interest transactions. For the year ended December 31, 2022, the Plan paid \$5,420 to ADP Retirement Services for recordkeeping services. Administrative fees paid to other services providers amounted to \$6,819 for the year ended December 31, 2022.

(6) Tax status

The Prototype Plan obtained a favorable opinion letter from IRS dated October 6, 2020, stating that the Prototype Plan was designed in accordance with the applicable regulations of the IRC. The Plan administrator has not obtained an individual determination letter for the Plan. The Prototype Plan has been amended since receipt of the opinion letter consisting primarily of changes to ERISA. The Plan sponsor and the Plan administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(7) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits as reported in the financial statements to the Form 5500 as of December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 2,196,443	\$ 852,820
Participant contributions receivable	(19,075)	(18,460)
Employer contributions receivable	(4,455)	(3,978)
Total net assets per Form 5500	<u>\$ 2,172,913</u>	<u>\$ 830,382</u>

The following is a reconciliation of the change in net assets available for benefits as reported in the financial statements for the year ended December 31, 2022 to the net income as reported in the Form 5500:

Net change in net assets per the financial statements	\$ 1,343,623
Employer contributions receivable at December 31, 2022	(4,455)
Participant contributions receivable at December 31, 2022	(19,075)
Employer contributions receivable at December 31, 2021	3,978
Participant contributions receivable at December 31, 2021	18,460
