INDEPENDENT AUDITORS' REPORT

Plan Administrator
All Copy Products, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of All Copy Products, Inc. 401(k) Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4I – Schedule of Assets (Held at End of Year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALL COPY PRODUCTS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(1) **Description of Plan**

The following description of the All Copy Products, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan is a defined contribution plan sponsored by All Copy Products, Inc. and Subsidiaries, (the "Company" or the "Plan Sponsor") for the benefit of employees who have one year of service and are age 21 or older. Employees who are non-resident aliens and employees who are members of a collective bargaining unit are ineligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan is administered by the plan administrator. The plan trustees have overall responsibility for the operation and administration of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions - Each year, participants may contribute before tax and qualified Roth deferrals to the Plan, up to 86% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company may elect to make discretionary matching and discretionary profit sharing contributions each year. Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

Participant investment account options - The Plan currently offers various mutual funds and a guaranteed interest fund as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

Participant accounts - Each participant's account is credited with the participant's contribution, the Company's discretionary matching contributions and discretionary profit sharing contributions, as well as allocations of the Plan's earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ALL COPY PRODUCTS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of Plan (continued)

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and discretionary profit sharing contribution portion of their accounts is based on continuous years of service. A year of service is defined as 1,000 hours of service during a plan year. Company discretionary matching and discretionary profit sharing contributions vest over a six year period pursuant to the following schedule:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The term of repayment may not exceed five years unless the loan qualifies as a home loan, in which case the repayment term may not exceed thirty years. The loans are secured by the balance in the participant's account. The loan interest rate will be based on the rates available for similar notes from commercial lending institutions. Principal and interest is paid ratably through monthly payroll deductions.

Payment of benefits - On termination of service, death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or partial withdrawals.

A participant may also request a hardship distribution if certain conditions are met, as defined in the Plan. The minimum hardship withdrawal amount was reduced to is \$500 and the number of hardship withdrawals a participant may receive in a calendar year is limited to two. There is no requirement to exhaust loan distributions prior to receiving a hardship distributions. Additionally, participants are not suspended from making contributions to the Plan or from receiving Company matching contributions as a result of a hardship withdrawal.

ALL COPY PRODUCTS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of Plan (continued)

Payment of benefits (continued) - The Coronavirus Aid, Relief, and Economic Security Act waived all required minimum distributions for the calendar year 2020 and 2019 due to be paid by April 1, 2020, which was adopted by the Plan. This suspension of required minimum distributions remained in effect through April 1, 2022.

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE Act") was signed into law, related to required minimum distributions and the limitation of life-time or stretch distributions to remain compliant under the applicable laws and regulations. These provisions were adopted beginning January 1, 2020.

Forfeited accounts - At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$11,213 and \$10,070, respectively. These accounts will be used to reduce future employer contributions. Any forfeitures left after reducing employer contributions will be used to pay future plan expenses. Also, for the years ended December 31, 2022 and 2021, employer contributions were reduced by \$10,199 and \$12,534, respectively, from forfeited non-vested accounts.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition - The Plan's investments are reported at fair value (except for its fully benefit-responsive investment contract, which is valued at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses on the statement of changes in net assets available for benefits and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

ALL COPY PRODUCTS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Excess contributions payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as excess contributions payable, with a corresponding decrease to participant contributions and an increase to distributions for the years ending December 31, 2022 and 2021, respectively. The Plan distributed the 2022 and 2021 excess contributions payable of \$15,622 and \$79,736, respectively, to the applicable participants prior to March 15, 2023 and 2022, respectively.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative fees on the statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation of fair value of investments on the statement of changes in net assets available for benefits.

(3) Information prepared and certified by custodians

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide Trust Company and Nationwide Life Insurance Company (collectively, "Nationwide"), the custodians of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value
- Investments at contract value
- Net (depreciation) appreciation in fair value of investments
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value of financial instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs – Unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access.

Level 2 Inputs – Inputs other than the quoted market prices in active markets that are observable either directly or indirectly.

ALL COPY PRODUCTS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value of financial instruments (continued)

Level 3 Inputs – Inputs based on prices or valuation techniques that are unobservable and significant to the overall fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,845,719	\$ -	\$ -	\$ 15,845,719

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,654,280	\$ -	\$ -	\$ 18,654,280

(5) Fully benefit responsive investment contract

The Plan holds a fully benefit-responsive guaranteed investment contract ("GIC") totaling \$188,434 and \$96,072 as of December 31, 2022 and 2021, respectively. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than one percent. The crediting rate is reviewed on a quarterly basis for resetting. During the year ended December 31, 2022 and 2021, the average crediting rate was 1.65% and 1.55%, respectively. The GIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The GIC meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for a fully benefit-responsive investment contract because this is the amount received by participants if there were to initiate permitted transactions under the Plan. Contract value, as reported to the Plan by the Custodians, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

ALL COPY PRODUCTS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(5) **Fully benefit responsive investment contract (continued)**

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- (1) Amendments to the Plan document (including complete or partial termination or merger with another plan.)
- (2) Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions,
- (3) Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or
- (4) The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA,
- (5) Premature termination of the contract.

Plan management believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of the issuer.

(6) **Related party transactions and party-in-interest transactions**

Certain Plan investments are shares of mutual funds and a guaranteed investment contract managed by Nationwide. Nationwide are the custodians for the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for custodial services were \$13,388 and \$6,785 for the years ended December 31, 2022 and 2021. Fees paid by the Plan for recordkeeping, administration and investment management were \$92,318 and \$97,149 for the years ended December 31, 2022 and 2021. The Plan Sponsor pays directly any other fees related to the Plan's operations.

(7) **Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

ALL COPY PRODUCTS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(8) Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2022 and 2021:

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 16,457,838	\$ 19,086,579
Excess contributions payable	<u>15,622</u>	<u>79,736</u>
Net assets available for benefits per Form 5500	<u>\$ 16,473,460</u>	<u>\$ 19,166,315</u>

The following is a reconciliation of net (decrease) increase in net assets available for benefits per the financial statements for the year ended December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net (decrease) increase per the financial statements	\$ (2,628,741)	4,500,363
Less excess contributions payable - prior year	(79,736)	(63,304)
Add excess contributions payable - current year	<u>15,622</u>	<u>79,736</u>
Net (decrease) increase per Form 5500	<u>\$ (2,692,855)</u>	<u>4,516,795</u>

(9) Tax status

The Plan has adopted the Dataair Mass-Submitter Prototype Defined Contribution Plan. The Internal Revenue Service ("IRS") has determined that the volume submitter 401(k) savings plan is designed in accordance with applicable sections of the IRC and informed the trustee of such in a letter dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. Management believes that the Plan has no uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(10) Risks, uncertainties, and concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

ALL COPY PRODUCTS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(10) Risks, uncertainties, and concentrations (continued)

As of December 31, 2022 and 2021 approximately 14% and 23% of the Plan's investments were invested in one and two target date mutual funds, respectively.

(11) Subsequent events

The Plan has evaluated subsequent events through November 20, 2023 which is the date the financial statements were available to be issued.

In April 2023, the Plan terminated their 3rd party administrator contract with Nationwide Trust Company and Nationwide Life Insurance Company and transferred their plan assets totally to Voya Financial, Inc.
